Re: OPR FOIA No. F24-00095 7th Interim Response

Dear CREW:

This letter is in response to your April 24, 2024, Freedom of Information Act (FOIA) request to the Office of Professional Responsibility (OPR) seeking the following records from January 1, 1994 to the date this request is processed:

1. All records relating to former Assistant United States Attorney Terra Morehead (AUSA Morehead) at the Office of the United States Attorney for the District of Kansas (USAO Kansas), that pertain to proven or alleged violations by AUSA Morehead of any provisions of law or constitution, any provisions of the United States Attorney's Manual adopted by the Department of Justice, any ethical duties imposed upon AUSA Morehead in her capacity as a government prosecutor as set forth in the Kansas Rules Relating to Discipline of Attorneys, or any other professional misconduct.

2. All records relating to AUSA Morehead's conduct as a prosecutor for the State of Kansas or any political subdivisions thereof, that pertain to proven or alleged violations by Morehead of any provisions of law or constitution, any ethical duties imposed upon Morehead in her capacity as a government prosecutor as set forth in the Kansas Rules Relating to Discipline of Attorneys, or any other professional misconduct.

3. All records relating to any DOJ investigations, actions (including but not limited to case reassignments and disciplinary measures), or decisions not to take action, in regard to AUSA Morehead's conduct as an AUSA or prosecutor for the State of Kansas, including those relating to proven or alleged violations by AUSA Morehead of any provisions of law or constitution, any provisions of the United States Attorneys' Manual adopted by the Department of Justice, any ethical duties imposed upon AUSA Morehead in her capacity as a government prosecutor as set forth in the Kansas rules Relating to Discipline of Attorneys, or any other professional misconduct.

OPR received your request on April 25, 2024, and has assigned to it request number **F24-00095.** Please refer to that number in any correspondence pertaining to this matter.

For this 7th interim response, OPR processed a total of 328 pages responsive to your request. Enclosed please find two pages of responsive records (Bates-numbered F24-00095 02568 to 02569). Both pages are appropriate for release with excisions made pursuant to Exemptions 6, and 7(C) of the FOIA, 5 U.S.C. § 552(b)(6), and (b)(7)(C). Exemption 6 pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. Exemption 7(C) pertains to information compiled for law enforcement purposes which could reasonably be expected to constitute an unwarranted invasion of the personal privacy of third parties. Please be advised that we have considered the foreseeable harm standard when reviewing records and applying FOIA exemptions.

OPR determined that 326 pages (Bates-numbered F24-00095 02570 to 02895) contained information of interest to the Executive Office for U.S. Attorneys (EOUSA), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), U.S. Marshals Service (USMS), and the Drug Enforcement Administration (DEA). We will send these pages for consult to EOUSA, ATF, USMS, and DEA pursuant to 28 C.F.R. § 16.4(d).

Although I am aware that your request is the subject of ongoing litigation and that appeals are not ordinarily acted on in such situations, I am required by statute and regulation to inform you of your right to file an administrative appeal with the Office of Information Policy.

Sincerely,

Margaret McCarty
