**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Citizens for Responsibility and Ethics in Washington (“CREW”) submits this request for records pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, and U.S. Department of Homeland Security (“DHS”) regulations.

Specifically, CREW requests:

1. All communications from November 1, 2020 to January 20, 2021 between former White House Chief of Staff Mark Meadows and any of the following DHS officials: Chad Wolf, Peter Gaynor, or Brandon Wales.
2. All records from November 1, 2020 to January 20, 2021 reflecting any meeting notes, summaries, agendas, minutes, calendar entries, or other records reflecting meetings or calls involving Mark Meadows and any of the following DHS officials: Chad Wolf, Peter Gaynor, or Brandon Wales.

Please search for responsive records regardless of format, medium, or physical characteristics. We seek records of any kind, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. Our request includes without limitation all correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request also includes any attachments to emails and other records, and anyone who was cc’ed or bcc’ed on any emails.

If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. See 5 U.S.C. § 552(b). If it is

your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. *See Mead Data Central v. U.S. Dep't of the Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

Please be advised that CREW intends to pursue all legal remedies to enforce its right under the FOIA to access these documents. Accordingly, because litigation reasonably is foreseeable, the agency should institute an agency-wide preservation hold on documents potentially responsive to this request.

### **Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A) and agency regulations, CREW requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures likely will contribute to a better understanding of relevant government procedures by CREW and the general public in a significant way. *See* 5 U.S.C. § 552(a)(4)(A)(iii). Moreover, the request primarily and fundamentally is for non-commercial purposes. *See, e.g., McClellan Ecological v. Carlucci*, 835 F.2d 1282, 1285 (9th Cir. 1987).

On June 5, 2021, the New York Times reported that emails from the final weeks of the Trump administration show that former White House Chief of Staff Mark Meadows “repeatedly pushed the Justice Department to investigate unfounded conspiracy theories about the 2020 presidential election.”<sup>1</sup> Prior reports showed that “Jeffrey Clark, a top Justice Department official who had found favor with Mr. Trump, had [likewise] pushed the Justice Department to investigate unfounded election fraud claims.”<sup>2</sup> Many questions remain about the extent to which Meadows pressured, and potentially coordinated with, top agency officials to investigate baseless election conspiracy theories. The requested records will shed light on these matters of considerable public interest.

CREW is a non-profit corporation, organized under section 501(c)(3) of the Internal Revenue Code. CREW is committed to protecting the public’s right to be aware of the activities of government officials, to ensuring the integrity of those officials, and to highlighting and working to reduce the influence of money on politics. CREW uses a combination of research, litigation, and advocacy to advance its mission. CREW intends to analyze the information responsive to this request and to share its analysis with the public through reports, press releases, or other means. In addition, CREW will disseminate any documents it acquires from this request to the public through its website, [www.citizensforethics.org](http://www.citizensforethics.org). The release of information obtained through this request is not in CREW’s financial interest.

CREW further requests that it not be charged search or review fees for this request pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II) because CREW qualifies as a member of the news media. *See Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381, 1386 (D.C. Cir. 1989) (holding non-profit a "representative of the news media" and broadly interpreting the term to include "any person or organization which regularly publishes or disseminates information to the public").

CREW routinely and systematically disseminates information to the public in several ways. CREW's website receives tens of thousands of page views every month. The website includes blogposts that report on and analyze newsworthy developments regarding government ethics, corruption, and money in politics, as well as numerous reports CREW has published to educate the public about these issues. In addition, CREW posts the documents it receives under the FOIA on its website.

Under these circumstances, CREW satisfies fully the criteria for a fee waiver.
