**National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar
(31 December 2020–14 January 2021)**

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.
