DEA assistance in the securing of government facilities in Manhattan would be a great benefit to the Police Department. This will allow police officers who are currently assigned to these

Thank you all for participating in the detail on 06/03/2020. We will meet in the DEA Training room at 2 PM and we will brief. The overall operation is being guided by PPD Intelligence and the ground work is being coordinated by PPD Major Crimes. I talked to Lt. [REDACTED] and he is happy we are helping out. Lt. [REDACTED] also stated that their primary area of concern is arson, explosives, fire accelerant and the suspects who use these items. There have also been several officers that have been hit with bleach from water pistols and super soakers. If we seen anyone mixing or carrying chemicals, we will maintain surveillance and notify the PPD for intervention. If any arrests are made they are asking that we take extra precaution with safety and preserving the evidence.

Preston-

The Illinois State Police (ISP) has requested the assistance of the DEA Air Wing. The ISP Mobile Field Force Team has been handling civil unrest crowd control activities in the Chicago metropolitan area since May 30. The team rapidly deploys to target areas as problems occur. To date, the team has deployed to Chicago and six suburban cities. DEA Air Wing will be utilized to conduct surveillance and assist ground units with crowd movement patterns.

If approved, the DEA Chicago Air Wing will be on call to assist the Illinois State Police in the Chicago area. The request to perform non-Title 21 duties is through June 10, 2020.

Subject: Illinois State Police Request for Air Support

Sir,

The Illinois State Police Mobile Field Force team has been activated for civil unrest activity in the Chicagoland area since Saturday, May 30. In this capacity, the ISP deploys MFF personnel to various locations in the greater Chicagoland area. Since this activation, the ISP MFF has been deployed to locations in the City of Chicago and the following suburbs: Oak Forest, Evergreen Park, Cicero, North Riverside, Naperville, and Aurora. Additional activity is planned in the coming days in multiple suburbs and Chicago. Our MFF personnel are deploying as both a reactionary force to active events and staging near protest activity where there is an indication of civil unrest.

Due to the limited resources of the ISP Air Operations wing and only being able to assist the ISP MFF at one event at a time, I am requesting DEA Air Support to assist at various locations in the Chicagoland area when the ISP Air Ops is already deployed and unable to respond.

I am asking for the DEA Air Ops to be available in an on call status to assist our deployments for the next 7 – 10 days.

Additional chatter which is not yet verified shows an event at 2:00 PM at 8th and Race. This event was shared on Instagram only without significant shares/reposts.

CIU Social Media reviewed all the events we are tracking for Saturday. There is a massive protest scheduled with almost 10,000 Individuals who have responded to the Facebook event page. The numbers for this event continue to grow and has the potential to be much larger especially being on a Saturday. **** NOTE: Facebook is very popular with the 28-50 year old range. There will likely be more people from the “younger” generation who do not utilize Facebook and will attend but not respond to this event.** We expect the numbers likely be in the 5 to 6 thousand range of who would attend with the potential for 10,000 people to attend. The numbers from 11AM until now, 1:10PM have increased by 100 more individuals who are going and 100 more interested and is continuing to gain traction on the major Social Media platforms.
