Subject: (U//LES) National Civil Unrest Summary for 6 January 2021

~~UNCLASSIFIED~~ / ~~LAW ENFORCEMENT SENSITIVE~~

Please find below this morning's summary of civil unrest. Washington, DC and Portland OR were the only locations that experienced unrest. Kenosha, WI remained peaceful despite the Kenosha District Attorney announcing on Tuesday there will be no charges made against the police officer involved in an August 2020 domestic incident response shooting.

BLUF: There were **NO** incidents of criminal or illegal activity directed at federal facilities or personnel and **NO** events where DHS law enforcement were deployed.

Washington, DC: In DC, approximately 3,000 gathered in Freedom Plaza during the day and into the night. Speakers addressed the crowd and protests remained peaceful until dark. The crowd began to dissipate after dark, but there were numerous altercations near BLM plaza. MPD deployed pepper spray while keeping opposing groups separated during the march / demonstration.

- MPD made at least six arrests during the unrest. Two were for firearm charges, two for possession of carrying unregistered ammunition / magazines, one for simple assault, and one for possession of a prohibited weapon (taser).
- There were no reported injuries.

Roughly 26 demonstration permits were approved by the US Park Police for 5 to 7 January including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol. Permit application estimates indicate there could be approximately 30,000 people in attendance. At least 55 additional demonstrations have been mentioned on social media for 6 January, but it is unclear whether any are permitted, or if they are subgroups associated with larger demonstrations. Committed attendees for these smaller events appears to be minimal.

POTUS is scheduled to speak at 1100 EST 6 January at a permitted Women for America First event to be held on the White House Ellipse. Per National Park Service, expected attendance is around 5,000 participants. The event is scheduled from 0900 to 1200 EST; USPP is the lead federal agency for the event and USSS is in support.

Portland, OR: About 50 people marched to the Portland Police Bureau (PPB) North Precinct. Violent Opportunists threw glass bottles, paint and other objects toward police, blocked traffic with two dumpsters lit on fire, spray-painted graffiti on multiple store fronts, damaged police vehicle tires using spikes, and repeatedly moved temporary fencing in place outside the precinct.

- PPB deployed several times to clear roads, restore the fencing, and keep agitators back from the precinct entrance.
- PPB gave several warnings and made five arrests but did not declare an unlawful assembly or use non-lethal munitions.
- There were no reported injuries.

The FPS force laydown in Portland for Tuesday evening was (b)(7) (n/c).

Kenosha, WI: The Kenosha District Attorney announced there will be no charges made against the police officer involved in a 23 Aug 2020 domestic incident response shooting. Ensuing demonstrations remained peaceful, peaking at around 60 protesters.

There are (b)(7)(E) National Guard Personnel in GA, WI and DC who remain activated or on standby for civil unrest. The DC National Guard has activated (b)(7)(E) of the planned (b)(7)(E) personnel, with additional activations possible today.

As of today, DHS OPS and National Operations Center coordinated with Federal departments and agencies to identify any additional precautionary actions for enhanced security postures and stood up the DHS Virtual Situation Room effective 0600 EST, 5 Jan to facilitate department and interagency communication and coordination. There are currently no unmet needs.

Preparations for Civil Disturbances - Week of 3 January 2021

Situational Overview

Large groups of demonstrators are anticipated to travel to Washington, DC as early as 4 January in advance of the Congressional certification of the electoral vote on 6 January. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel, as well as damage to private and government property. Numerous protest permits have

been approved by the US Park Police including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol, and several hotels are sold out on 5 and 6 January, both indicators of large crowds.

DHS Operations Coordination (DHS OPS) conducted a Law Enforcement Operations Deputies coordination call on 3 January to review the current DHS component posture, share and coordinate security planning, and identify operational gaps. DHS OPS and National Operations Center is coordinating with Federal departments and agencies to identify any additional precautionary actions to enhance their security posture as described below and invite them to collaborate in the DHS Virtual Situation Room.

DHS Preparations

DHS HQ

- DHS OPS has invited our federal law enforcement partners to maintain a presence in the department's Virtual Situation Room (vSITROOM) throughout the period of concern, beginning 0600 EST on 5 January.
- The DHS OPS-NOC is host to several major metropolitan and regional Law Enforcement liaison officers who are available 24/7 for matters in their jurisdictional areas.
 - DHS NOC LE LNOs available include: US Capitol Police, Supreme Court of the US, DOT
 - DHS NOC has established direct links with: US Park Police, FBI WFO, FBI SIOC
- The NOC has a permanent FPS liaison officer who is also available 24/7.

I&A

- I&A judges that much of the potentially heightened physical threat environment faced in Georgia over the course of its US Senate runoff election cycle is applicable across the US.
- This may drive ideologically motivated violence or threats of violence like those seen nationwide leading into the 2020 presidential and state election season.
- I&A bases this assessment on a review of national and local media coverage, relevant social media postings, state law enforcement officials detailing ideologically motivated violence or threats of violence, and DHS election violence assessments that have been disseminated over the previous six months.
- I&A further judges that violent extremists or other actors could quickly mobilize to violence or generate violent disruptions of otherwise lawful protests in response to a range of issues, including possible disputes over the results of the US presidential election.
- I&A remains in close coordination with DC-area Fusion Centers.

FPS

- FPS is not aware of any specific federal facilities being targeted, but based on the nature of this event, FPS areas of concern will be Lafayette Square and any federal buildings in the vicinity of the Capitol building.
- FPS intends to staff (b)(7) law enforcement officers (LEOs) on 6 Jan and will coordinate as needed with CBP and ICE for coverage at the Ronald Reagan Building (RRB) and ICE HQ.
- Mobile Field Forces will be deployed depending on the march route.
- FPS Region 11 will establish a command post and liaisons with US Capitol Police and MPD.
- FPS HQ will operate their vEOC to post information and monitor activity.
- FPS Operations will also be connected into the DHS Operations vSITROOM.
- The FPS HQ Investigation Division will establish close communications with FBI Washington, DC Field Office (WFO).
- Approximately (b)(7) federal facilities are located along projected protest march routes.

USSS

- An enhanced Civil Disturbance Unit is postured at the White House. USSS Protectee Division stated there are early indications of a possible POTUS event on 6 Jan, but no official announcement or plans have been announced.
- Viewing stands that were being set up for inauguration are being dismantled, with a portion of Pennsylvania Ave closed.
- The 10 to 12-foot US Park Police fence at Lafayette Park remains in place.

CBP

- CBP and FPS are coordinating for both the security of CBP buildings (RRB) and available augmentation to FPS to protect federal facilities.
 - CBP has identified (b)(7)(C) law enforcement personnel in the NCR available to support FPS as needed ((b)(7)(C) USBP, (b)(7)(C) LE Safety and Compliance, (b)(7)(C) OFO Special Response Team, one Command and Control).

ICE

- ICE and FPS are coordinating the security of ICE buildings (ICE HQ) and have identified augmentation to FPS to protect federal facilities.
 - The DC-area Special Response Team is available to support FPS as needed.

TSA

- TSA Visible Intermodal Prevention and Response (VIPR) teams will be active at Reagan National and Dulles International Airports on 5 and 6 January.
- The number of FAMS at Reagan National and Dulles will be increased as well.

Interagency Preparations

US Capitol Police (USCP)

- All personnel will be on duty or standby from 4 through 6 January.
- Off-watch personnel are considered response assets and are equipped with Civil Disobedience Unit equipment.
- The USCP Operations Center stood up the morning of 3 January and will be hosting several liaison officers.
- 'Bike rack' and 'snow' type fencing around the Capitol grounds has been added in advance of the State of the Union Address, which will also assist with crowd control this week.

DOI – US Park Police (USPP)

- USPP has a detail of personnel identified/assigned for increased operations support on 5 and 6 January.
- On 6 January, USPP will have all personnel originally scheduled to be "Off", resourced to support operations, along with the detailees.

DOJ - FBI

- FBI operations relative to the potential unrest will be conducted out of their Washington, DC Field Office (WFO). There are no current plans to activate the national SIOC.

DOD

- The National Guard Bureau (NGB) has received no activation plans yet but are monitoring.
- NGB and the US Army (DOD Executive Agent for defense support of civil authorities) will participate in the DHS virtual SITROOM on 5 and 6 January.

Washington Metropolitan Police Department (MPD)

- MPD will activate their Joint Operations Center (JOC) for this week's planned protests.
- The DHS OPS National Operations Center is in direct contact with the MPD JOC Supervisor.

Preparations for Civil Disturbances - Week of 3 January 2021

Situational Overview

Large groups of demonstrators are anticipated to travel to Washington, DC as early as 4 January in advance of the Congressional certification of the electoral vote on 6 January. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel, as well as damage to private and government property. Numerous protest permits have been approved by the US Park Police including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol, and several hotels are sold out on 5 and 6 January, both indicators of large crowds. DHS Operations Coordination (DHS OPS) conducted a Law Enforcement Operations Deputies coordination call on 3 January to review the current DHS component posture, share and coordinate security planning, and identify operational gaps. DHS OPS and National Operations Center is coordinating with Federal departments and agencies to identify any additional precautionary actions to enhance their security posture as described below and invite them to collaborate in the DHS Virtual Situation Room.

DHS Preparations

DHS HQ

- DHS OPS has invited our federal law enforcement partners to maintain a presence in the department's Virtual Situation Room (vSITROOM) throughout the period of concern, beginning 0600 EST on 5 January.
- The DHS OPS-NOC is host to several major metropolitan and regional Law Enforcement liaison officers who are available 24/7 for matters in their jurisdictional areas.
 - DHS NOC LE LNOs available include: US Capitol Police, Supreme Court of the US, DOT
 - DHS NOC has established direct links with: US Park Police, FBI WFO, FBI SIOC
- The NOC has a permanent FPS liaison officer who is also available 24/7.

I&A

- I&A judges that much of the potentially heightened physical threat environment faced in Georgia over the course of its US Senate runoff election cycle is applicable across the US.
- This may drive ideologically motivated violence or threats of violence like those seen nationwide leading into the 2020 presidential and state election season.
- I&A bases this assessment on a review of national and local media coverage, relevant social media postings, state law enforcement officials detailing ideologically motivated violence or threats of violence, and DHS election violence assessments that have been disseminated over the previous six months.
- I&A further judges that violent extremists or other actors could quickly mobilize to violence or generate violent disruptions of otherwise lawful protests in response to a range of issues, including possible disputes over the results of the US presidential election.
- I&A remains in close coordination with DC-area Fusion Centers.

FPS

- FPS is not aware of any specific federal facilities being targeted, but based on the nature of this event, FPS areas of concern will be Lafayette Square and any federal buildings in the vicinity of the Capitol building.
- FPS intends to staff (b)(7)(C) law enforcement officers (LEOs) on 6 Jan and will coordinate as needed with CBP and ICE for coverage at the Ronald Reagan Building (RRB) and ICE HQ.
- Mobile Field Forces will be deployed depending on the march route.
- FPS Region 11 will establish a command post and liaisons with US Capitol Police and MPD.
- FPS HQ will operate their vEOC to post information and monitor activity.
- FPS Operations will also be connected into the DHS Operations vSITROOM.
- The FPS HQ Investigation Division will establish close communications with FBI Washington, DC Field Office (WFO).
- Approximately 31 federal facilities are located along projected protest march routes.

USSS

- An enhanced Civil Disturbance Unit is postured at the White House. USSS Protectee Division stated there are early indications of a possible POTUS event on 6 Jan, but no official announcement or plans have been announced.
- Viewing stands that were being set up for inauguration are being dismantled, with a portion of Pennsylvania Ave closed.
- The 10 to 12-foot US Park Police fence at Lafayette Park remains in place.

CBP

- CBP and FPS are coordinating for both the security of CBP buildings (RRB) and available augmentation to FPS to protect federal facilities.
 - CBP has identified (b)(7)(C) law enforcement personnel in the NCR available to support FPS as needed (b)(7)(C) USBP, (b)(7)(C) LE Safety and Compliance, (b)(7)(C) OFO Special Response Team, (b)(7)(C) Command and Control).

ICE

- ICE and FPS are coordinating the security of ICE buildings (ICE HQ) and have identified augmentation to FPS to protect federal facilities.
 - The DC-area Special Response Team is available to support FPS as needed.

TSA

- TSA Visible Intermodal Prevention and Response (VIPR) teams will be active at Reagan National and Dulles International Airports on 5 and 6 January.
- The number of FAMS at Reagan National and Dulles will be increased as well.

Interagency Preparations

US Capitol Police (USCP)

- All personnel will be on duty or standby from 4 through 6 January.
- Off-watch personnel are considered response assets and are equipped with Civil Disobedience Unit equipment.
- The USCP Operations Center stood up the morning of 3 January and will be hosting several liaison officers.
- 'Bike rack' and 'snow' type fencing around the Capitol grounds has been added in advance of the State of the Union Address, which will also assist with crowd control this week.

DOI – US Park Police (USPP)

- USPP has a detail of personnel identified/assigned for increased operations support on 5 and 6 January.
- On 6 January, USPP will have all personnel originally scheduled to be "Off", resourced to support operations, along with the detailees.

DOJ - FBI

- FBI operations relative to the potential unrest will be conducted out of their Washington, DC Field Office (WFO). There are no current plans to activate the national SIOC.

DOD

- The National Guard Bureau (NGB) has received no activation plans yet but are monitoring.
- NGB and the US Army (DOD Executive Agent for defense support of civil authorities) will participate in the DHS virtual SITROOM on 5 and 6 January.

Washington Metropolitan Police Department (MPD)

- MPD will activate their Joint Operations Center (JOC) for this week's planned protests.
- The DHS OPS National Operations Center is in direct contact with the MPD JOC Supervisor.

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE

Please find below this morning's summary of civil unrest. Washington, DC and Portland OR were the only locations that experienced unrest. Kenosha, WI remained peaceful despite the Kenosha District Attorney announcing on Tuesday there will be no charges made against the police officer involved in an August 2020 domestic incident response shooting.

BLUF: There were **NO** incidents of criminal or illegal activity directed at federal facilities or personnel and **NO** events where DHS law enforcement were deployed.

Washington, DC: In DC, approximately 3,000 gathered in Freedom Plaza during the day and into the night. Speakers addressed the crowd and protests remained peaceful until dark. The crowd began to dissipate after dark, but there were numerous altercations near BLM plaza. MPD deployed pepper spray while keeping opposing groups separated during the march / demonstration.

- MPD made at least six arrests during the unrest. Two were for firearm charges, two for possession of carrying unregistered ammunition / magazines, one for simple assault, and one for possession of a prohibited weapon (taser).
- There were no reported injuries.

Roughly 26 demonstration permits were approved by the US Park Police for 5 to 7 January including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol. Permit application estimates indicate there could be approximately 30,000 people in attendance. At least 55 additional demonstrations have been mentioned on social media for 6 January, but it is unclear whether any are permitted, or if they are subgroups associated with larger demonstrations. Committed attendees for these smaller events appears to be minimal. POTUS is scheduled to speak at 1100 EST 6 January at a permitted Women for America First event to be held on the White House Ellipse. Per National Park Service, expected attendance is around 5,000 participants. The event is scheduled from 0900 to 1200 EST; USPP is the lead federal agency for the event and USSS is in support.

Portland, OR: About 50 people marched to the Portland Police Bureau (PPB) North Precinct. Violent Opportunists threw glass bottles, paint and other objects toward police, blocked traffic with two dumpsters lit on fire, spray-painted graffiti on multiple store fronts, damaged police vehicle tires using spikes, and repeatedly moved temporary fencing in place outside the precinct.

- PPB deployed several times to clear roads, restore the fencing, and keep agitators back from the precinct entrance.
- PPB gave several warnings and made five arrests but did not declare an unlawful assembly or use non-lethal munitions.
- There were no reported injuries.

The FPS force laydown in Portland for Tuesday evening was (b)(7)(F)(n/c).

Kenosha, WI: The Kenosha District Attorney announced there will be no charges made against the police officer involved in a 23 Aug 2020 domestic incident response shooting. Ensuing demonstrations remained peaceful, peaking at around 60 protesters.

There are (b)(7)(E) National Guard Personnel in GA, WI and DC who remain activated or on standby for civil unrest. The DC National Guard has activated (b)(7)(E) of the planned (b)(7)(E) personnel, with additional activations possible today.

As of today, DHS OPS and National Operations Center coordinated with Federal departments and agencies to identify any additional precautionary actions for enhanced security postures and stood up the DHS Virtual Situation Room effective 0600 EST, 5 Jan to facilitate department and interagency communication and coordination. UNCLASSIFIED // LAW ENFORCEMENT SENSITIVE

Attached please find an updated version of civil unrest planning efforts for the 5 to 6 January planned events in Washington, DC. Director Tomney has shared this with the DHS front office. Following is an iPhone version of the attached.

Preparations for Civil Disturbances - Week of 4 January 2021

Situational Overview

Large groups of demonstrators are anticipated to travel to Washington, DC as early as 4 January in advance of the Congressional certification of the electoral vote on 6 January. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel, as well as damage to private and government property.

Roughly 26 demonstration permits have been approved by the US Park Police for 5 to 7 January including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol, and several hotels are sold out on 5 and 6 January, both indicators of large crowds. Permit application estimates indicate there could be approximately 28,000 people in attendance for these events. At least 55 additional demonstrations have been mentioned on social media for 6 January, but it is unclear whether any are permitted, or if they are subgroups associated with larger demonstrations. Committed attendees for these smaller events appears to be minimal.

DHS Operations Coordination (DHS OPS) conducted a Law Enforcement Operations Deputies coordination call on 3 January to review the current DHS component posture, share and coordinate security planning, and identify operational gaps. DHS OPS and National Operations Center is coordinating with Federal departments and agencies to identify any additional precautionary actions to enhance their security posture as described below and invite them to collaborate in the DHS Virtual Situation Room.

DHS Preparations

DHS HQ

- DHS OPS has invited our federal law enforcement partners to maintain a presence in the department's Virtual Situation Room (vSITROOM) throughout the period of concern, beginning 0600 EST on 5 January.
- The DHS OPS-NOC is host to several major metropolitan and regional Law Enforcement liaison officers who are available 24/7 for matters in their jurisdictional areas.
 - DHS NOC LE LNOs available include: US Capitol Police, Supreme Court of the US, DOT
 - DHS NOC has established direct links with: US Park Police, FBI WFO, FBI SIOC
- The NOC has a permanent FPS liaison officer who is also available 24/7.

I&A

- I&A judges that much of the potentially heightened physical threat environment faced in Georgia over the course of its US Senate runoff election cycle is applicable across the US.
- This may drive ideologically motivated violence or threats of violence like those seen nationwide leading into the 2020 presidential and state election season.
- I&A bases this assessment on a review of national and local media coverage, relevant social media postings, state law enforcement officials detailing ideologically motivated violence or threats of violence, and DHS election violence assessments that have been disseminated over the previous six months.
- I&A further judges that violent extremists or other actors could quickly mobilize to violence or generate violent disruptions of otherwise lawful protests in response to a range of issues, including possible disputes over the results of the US presidential election.
- I&A remains in close coordination with DC-area Fusion Centers.

FPS

- FPS is not aware of any specific federal facilities being targeted, but based on the nature of this event, FPS areas of concern will be Lafayette Square and any federal buildings in the vicinity of the Capitol building.
- FPS intends to staff 85 law enforcement officers (LEOs) on 6 January. [FPS has completed coordination with CBP and ICE for coverage at the Ronald Reagan Building and ICE HQ.](#)
- Mobile Field Forces will be deployed depending on the march route.
- FPS Region 11 will establish a command post and liaisons with US Capitol Police and MPD.
- FPS HQ will operate their vEOC to post information and monitor activity.

- FPS Operations will also be connected into the DHS Operations vSITROOM.
- The FPS HQ Investigation Division will establish close communications with FBI Washington, DC Field Office (WFO).
- Approximately 31 federal facilities are located along projected protest march routes.

USSS

- An enhanced Civil Disturbance Unit is postured at the White House. [USSS Office of Protective Operations / Presidential Protective Division](#) advised that POTUS will hold an event on the Ellipse on Wed, 6 January from approximately 0900 to 1200 EST (see additional event information in DOI update below).

NOTE: The Ellipse falls under the jurisdiction of the U.S. Park Police. USSS full normal security measures (magnetometers, etc.) will be in place. USSS will coordinate the overall security plan with the U.S. Park Police and the Metropolitan Police Department (MPD).

- Viewing stands that were being set up for inauguration are being dismantled, with a portion of Pennsylvania Ave closed.
- The 10 to 12-foot US Park Police fence at Lafayette Park remains in place.

CBP

4 January 2021

Preparations for Civil Disturbances - Week of 4 January 2021

Situational Overview

Large groups of demonstrators are anticipated to travel to Washington, DC as early as 4 January in advance of the Congressional certification of the electoral vote on 6 January. Past encounters between opposing protest groups have occasionally led to violence between them and against law enforcement personnel, as well as damage to private and government property.

[Roughly 26 demonstration permits](#) have been approved by the US Park Police [for 5 to 7 January](#) including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol, and several hotels are sold out on 5 and 6 January, both indicators of large crowds. [Permit application estimates indicate there could be approximately 28,000 people in attendance for these events.](#) [At least 55 additional demonstrations have been mentioned on social media for 6 January, but it is unclear whether any are permitted, or if they are subgroups associated with larger demonstrations.](#) [Committed attendees for these smaller events appears to be minimal.](#)

DHS Operations Coordination (DHS OPS) conducted a Law Enforcement Operations Deputies coordination call on 3 January to review the current DHS component posture, share and coordinate security planning, and identify operational gaps. DHS OPS and National Operations Center is coordinating with Federal departments and agencies to identify any additional precautionary actions to enhance their security posture as described below and invite them to collaborate in the DHS Virtual Situation Room.

DHS Preparations

DHS HQ

- DHS OPS has invited our federal law enforcement partners to maintain a presence in the department's Virtual Situation Room (vSITROOM) throughout the period of concern, beginning 0600 EST on 5 January.
- The DHS OPS-NOC is host to several major metropolitan and regional Law Enforcement liaison officers who are available 24/7 for matters in their jurisdictional areas.
 - DHS NOC LE LNOs available include: US Capitol Police, Supreme Court of the US, DOT
 - DHS NOC has established direct links with: US Park Police, FBI WFO, FBI SIOC
- The NOC has a permanent FPS liaison officer who is also available 24/7.

I&A

- I&A judges that much of the potentially heightened physical threat environment faced in Georgia over the course of its US Senate runoff election cycle is applicable across the US.
- This may drive ideologically motivated violence or threats of violence like those seen nationwide leading into the 2020 presidential and state election season.

4 January 2021

- I&A bases this assessment on a review of national and local media coverage, relevant social media postings, state law enforcement officials detailing ideologically motivated violence or threats of violence, and DHS election violence assessments that have been disseminated over the previous six months.
- I&A further judges that violent extremists or other actors could quickly mobilize to violence or generate violent disruptions of otherwise lawful protests in response to a range of issues, including possible disputes over the results of the US presidential election.
- I&A remains in close coordination with DC-area Fusion Centers.

FPS

- FPS is not aware of any specific federal facilities being targeted, but based on the nature of this event, FPS areas of concern will be Lafayette Square and any federal buildings in the vicinity of the Capitol building.
- FPS intends to staff (b)(7)(F) law enforcement officers (LEOs) on 6 January. [FPS has completed coordination with CBP and ICE for coverage at the Ronald Reagan Building and ICE HQ.](#)
- Mobile Field Forces will be deployed depending on the march route.
- FPS Region 11 will establish a command post and liaisons with US Capitol Police and MPD.
- FPS HQ will operate their vEOC to post information and monitor activity.
- FPS Operations will also be connected into the DHS Operations vSITROOM.
- The FPS HQ Investigation Division will establish close communications with FBI Washington, DC Field Office (WFO).
- Approximately (b)(7)(F) federal facilities are located along projected protest march routes.

USSS

- An enhanced Civil Disturbance Unit is postured at the White House. [USSS Office of Protective Operations / Presidential Protective Division advised that POTUS will hold an event on the Ellipse on Wed, 6 January from approximately 0900 to 1200 EST \(see additional event information in DOI update below\).](#)

NOTE: The Ellipse falls under the jurisdiction of the U.S. Park Police. USSS full normal security measures (magnetometers, etc.) will be in place. USSS will coordinate the overall security plan with the U.S. Park Police and the Metropolitan Police Department (MPD).

- Viewing stands that were being set up for inauguration are being dismantled, with a portion of Pennsylvania Ave closed.
- The 10 to 12-foot US Park Police fence at Lafayette Park remains in place.

CBP

4 January 2021

- CBP has identified (b)(7)(F) law enforcement personnel in the NCR available to support FPS as needed ((b)(7)(F) USBP, (b)(7)(F) LE Safety and Compliance, (b)(7)(F) OFO Special Response Team, one Command and Control). - CBP and FPS are coordinating for both the security of CBP buildings (RRB) and available augmentation to FPS to protect federal facilities.

ICE

- ICE and FPS are coordinating the security of ICE buildings (ICE HQ) and have identified augmentation to FPS to protect federal facilities.
 - The DC-area Special Response Team is available to support FPS as needed.

TSA

- TSA Visible Intermodal Prevention and Response (VIPR) teams will be active at Reagan National and Dulles International Airports on 5 and 6 January.
