**RE: FPS Case Number 2021-FPFO-00186  
USMS FOIA Request No. 2020USMS35485**

Dear Ms. Weismann:

This is regarding your July 23, 2020, Freedom of Information Act (FOIA) request to the U.S. Department of Justice's U.S. Marshals Service (USMS). You are seeking the following:

All documents and communications from June 2, 2020, to the present that explain or pertain to:

1. The decision to deploy federal law enforcement agents, officers, or other personnel in response to the ongoing protests over racial justice in Portland, Oregon and Chicago, Illinois;
2. Any decisions or plans to deploy federal law enforcement agents, officers, or other personnel in response to the ongoing protests over racial justice in Albuquerque, New Mexico; Baltimore, Maryland; Detroit, Michigan; Kansas City, Missouri; New York City; Oakland, California; and Philadelphia, Pennsylvania;
3. Any policies to which law enforcement officers under the auspices of the U.S. Marshals Service are bound governing the treatment of protesters in the abovementioned cities.

On July 19, 2021, the U.S. Department of Homeland Security's (DHS) Federal Protective Service (FPS) received a referral from USMS containing 57 pages of records that contain FPS equities for processing and direct response to you. FPS has considered your request under both the FOIA, 5 U.S.C. § 552, and the Privacy Act, 5 U.S.C. § 552a.

Following review, FPS has determined that 28 pages are completely withheld in their entirety and 29 pages are partially releasable pursuant to Title 5 U.S.C. § 552 (b)(5), (b)(6), (b)(7)(C), (b)(7)(E), and (b)(7)(F), FOIA Exemptions 5, 6, 7C, 7E, and 7F.

Enclosed are 29 pages with certain information withheld as described below (**FPS brackets are in red; USMS brackets are in black**):

**FOIA Exemption 5** protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege. After carefully reviewing the responsive documents, DHS has determined that portions of the responsive documents qualify for protection under the

- **Deliberative Process Privilege**

The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter-agency or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel.

**FOIA Exemption 6:** Pursuant to DHS Instruction 262-11-004, FOIA Officers at DHS have been instructed to withhold personally identifiable information (PII) and sensitive personally identifiable information (SPII) of DHS personnel unless a determination is made that the disclosure does not raise security or privacy concerns, or if those concerns are outweighed by any public interest in that information. [This policy is available online](#). Under this policy, the names of senior leaders, spokespersons, and political appointees are generally releasable. With respect to this FOIA request, DHS applied FOIA Exemption 6 to protect PII of DHS employees, including names and contact information. To the extent that DHS has withheld employee PII within these records, it has been determined that the employee(s) has/have substantial and legitimate privacy interests and that these interests are not outweighed by any public interest in the operations of the Department.

**FOIA Exemption 7(C)** protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate. As such, I have determined that the privacy interest in the identities of individuals in the records you have requested clearly outweigh any minimal public interest in disclosure of the information. Please note that any private interest you may have in that information does not factor into this determination.

**FOIA Exemption 7(E)** protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or

prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

**FOIA Exemption 7(F)** permits the government to withhold all information about any individual when disclosure of information about him could reasonably be expected to endanger the life or physical safety of any individual. This exemption also protects physical security at critical infrastructure sites.

While an adequate search was conducted, you have the right to appeal the above withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: Privacy Office, Attn: FOIA Appeals, U.S. Department of Homeland Security, 2707 Martin Luther King Avenue SE, Mail Stop 0655, Washington, D.C. 20528-0655, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 5.8. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS FOIA regulations are available at [www.dhs.gov/foia](http://www.dhs.gov/foia).

You may contact the DHS FOIA Public Liaison at 202-343-1743 or toll free 1-866-431-0486 for any further assistance and to discuss any aspect of your request. Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you need to contact our office again about this matter, please refer to **2021-FPFO-00186**. This office can be reached at [FOIA@HQ.DHS.GOV](mailto:FOIA@HQ.DHS.GOV) or call 202-343-1743 or toll free 1-866-431-0486.

Thanks Russ,

On behalf of FPS and DHS, we will not seek reimbursement from DOJ for services rendered by Specially Deputized DHS LEOs during this operation. At this point I do not know how many personnel from DHS will be available to support Portland USCHs or when they will be available. As soon as I do we will send rosters.

If Hatfield can remain inside the exclusion zone that is helpful.

(b)(6), (b)(7)(C)

I think this is a great idea and ran it by our headquarters. If you can specifically state that DHS will not seek reimbursement from DOJ for services rendered by Specially Deputized DHS LEOs, we can begin to process special deputation applications immediately (apparently this was a problem in DC). If it's a request by FPS for DHS personnel to help you in your courthouse security mission, it shouldn't be a problem.

(b)(6), (b)(7)(C), (b)(7)(F) and I just got off the phone with (b)(6), (b)(7)(C), (b)(7)(F) at PPB and asked if Hatfield could remain in the fenced exclusion zone. They do not have the manpower to do anything but defend the justice center at this point, and can't get mutual aid. I advised him that our front porch would become the rallying point for protesters, and got them to agree to fence

at the curb in front of Hatfield from Main to Salmon. This will provide a barrier, but if it is breached they do not have the manpower to respond. I told him we will have a team in the building to repel any attempts to get inside, but they would not respond outside the building.

The other problem PPB has is they are running low on munitions so if you know of a source that would be helpful.

Regards,  
Russ

**Subject:** Request to Use Non FPS DHS LEO to Protect USCH

Dear US Attorneys and US Marshals Service Colleagues,

I am writing to request your support for using US Border Patrol and possibly ICE LEOs to assist FPS and USMS Deputy Marshals in protecting Courthouses. As you are well aware, we are experiencing a period of wrenching crisis that includes both large, peaceful, and passionate, first amendment protected protest against police misconduct, as well as elements of lawlessness, riot, and looting. I have as a goal during this crisis to prevent the takeover or destruction of a US Courthouse.

There have been several times in the last six days when crowds grew so large and volatile that we were informed local police would not be able to assist FPS. While most federal buildings and USCH in

downtown core areas have been damaged by attacks with rocks, paint, and incendiary devices, we have been able, by the courage and skill of our and partner agencies officers, to prevent the takeover or major destruction of these buildings that serve as symbols of law and justice. FPS is responding to multiple incidents of civil disturbance across the Region and the nation every night. My LEOs are working insane hours under tremendous pressure. The crowds in Portland and Seattle last night were the biggest yet and we expect more events in the coming days.

Because of this I have reached out to DHS HQ and requested augmentation by HSI and ERO to protect ICE buildings, and US Border Patrol to assist at other federal facilities including USCH. The personnel they provide are highly trained and capable. Prior to employing them we will ensure they have specific training, equipment, commissions, and are supervised for the mission they are given. DHS is deeply committed to safe, effective, constitutionally sound, and legally defensible police work.

(b)(7)(E)

I am asking for two things. 1) Assistance in getting USMS limited commissions for these LEOs, and 2) Your support in using uniformed, non-FPS LEO at USCH in emergencies.

If you concur please provide POCs to start working on commissioning. The USCH we anticipate using these officers and agents includes:

Portland – Hatfield USCH and Pioneer Historic CH  
Spokane - Foley FOB and CH  
Tacoma – Union Station CH  
Seattle – Nakamura CH and US District Court

I apologize if I left anyone off of distro. Please add them! Thanks.

Regards,

**Subject:** Close Portland Parks

Local protesters once again attempted to establish an Autonomous Zone in Portland last night in front of the Hatfield USCH and were joined by protesters from Seattle. They robbed a local

restaurant and dragged the kitchen appliances into the street and made barricades with them, plywood, and other materials. This AZ attempt lasted into the wee hours of the morning and required us to skirmish with protesters as they assaulted our officers by throwing canned food and other objects and we [REDACTED] (b)(7)(E) to safely withdraw our teams.

We have been in discussions with the City about the possibility of them ordering Chapman and Lonsdale closed. [REDACTED] (b)(5) This would be a helpful development but would likely require us to close Terry Shrunk also and would then require everyone to actually enforce the closure by making arrests for trespass/failure to comply etc.

So, more to follow once I close the loop with the city. This could be very helpful but would also

**Subject:** Request to Use Non FPS DHS LEO to Protect USCH

Dear US Attorneys and US Marshals Service Colleagues,

I am writing to request your support for using US Border Patrol and possibly ICE LEOs to assist FPS and USMS Deputy Marshals in protecting Courthouses. As you are well aware, we are experiencing a period of wrenching crisis that includes both large, peaceful, and passionate, first amendment protected protest against police misconduct, as well as elements of lawlessness, riot, and looting. I have as a goal during this crisis to prevent the takeover or destruction of a US Courthouse.

There have been several times in the last six days when crowds grew so large and volatile that we were informed local police would not be able to assist FPS. While most federal buildings and USCH in downtown core areas have been damaged by attacks with rocks, paint, and incendiary devices, we have been able, by the courage and skill of our and partner agencies officers, to prevent the takeover or major destruction of these buildings that serve as symbols of law and justice. FPS is responding to multiple incidents of civil disturbance across the Region and the nation every night. My LEOs are working insane hours under tremendous pressure. The crowds in Portland and Seattle last night were the biggest yet and we expect more events in the coming days.

Because of this I have reached out to DHS HQ and requested augmentation by HSI and ERO to protect ICE buildings, and US Border Patrol to assist at other federal facilities including USCH. The personnel they provide are highly trained and capable. Prior to employing them we will ensure they have specific training, equipment, commissions, and are supervised for the mission they are given. DHS is deeply committed to safe, effective, constitutionally sound, and legally defensible police work.

(b)(7)(E)

I am asking for two things. 1) Assistance in getting USMS limited commissions for these LEOs, and 2) Your support in using uniformed, non-FPS LEO at USCH in emergencies.

If you concur please provide POCs to start working on commissioning. The USCH we anticipate using these officers and agents includes:

Portland – Hatfield USCH and Pioneer Historic CH

Spokane - Foley FOB and CH  
Tacoma – Union Station CH  
Seattle – Nakamura CH and US District Court

I appologize if I left anyone off of distro. Please add them! Thanks.

Regards,

We saw a new tactic last night that's worth keeping an eye on. First two pushes we made targeted arrests for a felony warrant and two rock throwers and then the crowd tried to obstruct our teams from going back in the building so we ended up with a bunch of CVB cite and release for failure to comply.

Recap of last night. This marks the first night there was a protest with no property damage or attacks on Law Enforcement. Hopefully it's the beginning of a new trend.

Can we discuss tomorrow afternoon? I think my HQ wants to talk to USMS HQ and come up with something that makes sense and is sustainable across regions.

We're still experiencing protests in other locations, although they've been smaller and easier to disperse in recent days. At the moment with most federal facilities being closed for COVID

Hi (b)(6); (b)(7)(C)

As you know we have had a security team in the Hatfield Courthouse since the beginning of the protests over 3 weeks ago. The security team's assignment has been to respond to breach and arson attempts, as well as officer down situations. We took on this responsibility because FPS was spread too thin to protect all of the Federal facilities given the large crowds protesting in Portland and Seattle. (b) (5)
