Mr. Nikhel Sus  
Counsel Counsel  
Citizens for Responsibility and Ethics in Washington  
(CREW)  
455 Massachusetts Avenue, NW, 6<sup>th</sup> Floor  
Washington, DC 20001-2208

Dear Mr. Sus:

This responds to your Freedom of Information Act (FOIA)/Privacy Act request dated July 23, 2020 and received by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) on the same day, in which you requested records regarding documents and communications from June 2, 2020 to the present that explain or pertain to:

1. The decision to deploy federal law enforcement agents, officers, or other personnel in response to the ongoing protests over racial justice in Portland, Oregon and Chicago, Illinois;
2. Any decisions or plans to deploy federal law enforcement agents, officers, or other personnel in response to the ongoing protests over racial justice in Albuquerque, New Mexico; Baltimore, Maryland; Detroit, Michigan; Kansas City, Missouri; New York City; Oakland, California; and Philadelphia, Pennsylvania;
3. Any policies to which law enforcement officers under the auspices of ATF are bound governing the treatment of protesters in the above-mentioned cities.

Ms. Anne L. Weismann

This is a rolling production and this is **Release SEVEN**. In response to your request, we have reviewed a total of 2,417 pages for responsiveness, of those 2,417 pages, 211 pages were found to be responsive. After reviewing those 211 pages, six pages were duplicative, 35 pages have been referred in full, and 170 pages are either being released to you in full, in part, or withheld in full. Of those 170 pages, we are releasing four pages in full, 166 pages in part, and withholding zero pages in full. Each page of this production indicates whether it is being released in full (RIF), released in part (RIP), or withheld in full (WIF). Individual redactions identify the exemption pursuant to which the redacted material has been withheld.

We are withholding third party information, including the names of ATF employees, under FOIA Exemption (b)(6). To disclose personal information about a living individual to a member of the public, we need the written consent from the persons whose information you requested. Without written consent, proof of death, or an overriding public interest, personal information is exempt from disclosure under the FOIA. The FOIA does not require agencies to disclose information that would be a clearly unwarranted invasion of personal privacy (5 U.S.C. § 552(b)(6)).

At this time, we are withholding information regarding open and ongoing investigative matters under Exemption (b)(7)(A). Exemption (b)(7)(A) authorizes us to withhold investigatory records or information compiled for law enforcement purposes, the release of which could reasonably be expected to interfere with enforcement proceedings.

We are withholding third party information, for whom you did not provide a waiver, under Exemption (b)(7)(C). Exemption (b)(7)(C) permits the withholding of information compiled for law enforcement purposes that “could reasonably be expected to constitute an unwarranted invasion of personal privacy.” The public interest in disclosure is limited to the FOIA’s core purpose of shedding light on an agency’s performance of its statutory duties. The public interest under Exemption (b)(7)(C) must be both significant and compelling in order to overcome the legitimate personal privacy interests of a third party. In this matter, the disclosure would not serve the core purpose of the FOIA, but rather, would serve as an unwarranted invasion of personal privacy (5 U.S.C. § 552(b)(7)(C)).

We are withholding the specific law enforcement codes, techniques, and procedures used in our investigation pursuant to Exemption (b)(7)(E) of the FOIA. Exemption (b)(7)(E) exempts from mandatory disclosure records or information compiled for law enforcement purposes when production of such records or information “would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law” (5 U.S.C. § 552(b)(7)(E)). The information withheld reveals various law enforcement file numbers and codes, which are primarily used to store and retrieve law enforcement information. Disclosure of such numbers and codes could allow individuals outside the agency to circumvent agency functions and gain access to sensitive investigative information. The information withheld also reveals specific law enforcement procedures and techniques used in this investigation. Disclosure of such information could enable individuals outside of the agency to circumvent agency functions and gain access to sensitive investigative information.

Ms. Anne L. Weismann

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaisons, Darryl Webb or Zina Kornegay, at (202) 648-7390, for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://www.foiaonline.gov/foiaonline/action/public/home>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Subject: CC Leadership team call notes 6/2

We had our weekly Skype session today with the CC Leadership team today. AD Marvin Richardson joined us for some of the call.

(b)(6), (b)(7)(C) [REDACTED] told us that he and (b)(6), (b)(7)(C) [REDACTED] will be setting up a new round of calls with the field regions to check in with us in light of everything going on. He said that the message yesterday regarding cell phones came directly from a comment from Acting Director Lombardo that her expectation is that we should be on standby and available 24/7 right now. As far as the civil unrest, (b)(6), (b)(7)(C) [REDACTED] said that Tom Chittum and (b)(6), (b)(7)(C) [REDACTED] were emphatic that we (the agents) stay in our lane regarding investigative authorities despite pressure we might be getting to go out and make arrests for things outside of our jurisdiction and authority. Stay vigilant if you see us getting outside of our lane...

As it relates to returning to the office, AD Richardson referenced the return to workplace plan that was sent out last night. Under the plan, still have to meet gating criteria, etc., regardless of what local officials are doing. Our plan is to keep teleworking as much as possible. Notes that OPM is bringing back its employees in DC which may be causing confusion there and will probably up the pressure for us to come back too. Has been 12 weeks of "exile" for us and we need to coordinate the logistics of coming back. He noted issues some offices may have about sitting at cubicles, etc. We will go from "maximum telework" to "telework flexible," particularly for people who have immunity issues (or live with someone who does). The return strategy is supposed to give us flexibility to take care of the workforce and support mission needs. He also noted that USMS is floating a plan where people would work in office M/W or T/Th, and that the office would be closed on Friday for deep clean. Not sure if we would go to a similar plan. I asked whether we are SAC dependent for when Counsel will return to the office in the field – (b)(6), (b)(7)(C) [REDACTED] said it is Counsel chain of command so the decision rests with field ACCs, at which point AD Richardson said he will push for flexibility from the top, particularly for Phase 1. We also had a brief discussion of "virtual hearings" with AD Richardson (b)(6), (b)(7)(C) [REDACTED] said DAD Megan Bennett has signed the memo we prepared and she is drafting the email for AD Richardson to send to the DAGs office before we have first hearing). Finally, AD said he hopes to be on calls with us a few times a year.

(b)(6), (b)(7) advised us that pursuant to the AG's order, a large number of agents were deployed in DC on Monday night.

(b)(6), (b)(7) also advised that a new Professional Misconduct Review Unit has been set up by DOJ to look at attorney misconduct – not only in the practice of law but in other government related actions. Used to be reviewed by OPR. Not sure if this will change things much as to the issues, but a new group looking at issues.

(b)(6), (b)(7)(C) said the FELD received a lot of questions over the weekend, particularly relating to Molotov cocktails. They will be sending out Rowald guidance to the field shortly. Also updated us on the Kalashnikov Komrad firearm – the cease and desist letter has gone out as these are SBRs. (b)(6), (b)(7)(C) met (virtually) with (b)(6), (b)(7)(C) owner of Kalashnikov, Miami SAC Rob Cekeda and others. (b)(6), (b)(7)(C), (b)(5)

(b)(6), (b)(7)(C), (b)(5)

(b)(6), (b)(7)(C) said all's well in Asset Forfeiture – no new updates on blanket orders..

(b)(6), (b)(7)(C), (b)(5)

(b)(6), (b)(7)(C) gave an update on the contracts attorney position – vacancy announcement went out last Friday. (b)(6), (b)(7)(C) is handling all contract issues right now and is going to give some training to (b)(6), (b)(7)(C) so they (and (b)(6), (b)(7)(C)) can help out with all of the end of FY contract issues that come up.

(b)(6), (b)(7)(C) said a Giglio training guide for managers has been completed and they will get training out to the field shortly.

(b)(6), (b)(7)(C) advised that the next webinar will be on June 18. (b)(6), (b)(7)(C) will be presenting on the EROD process and explosives disabilities in general.

(b)(6), (b)(7)(C) said everyone is fine in the east. Lots of issues this week due to civil unrest, what our agents can work on, Molotov cocktail determinations. All of us in the field mentioned what appears to be pressure on agents to assist more in street policing even though that is not our jurisdiction. (b)(6), (b)(7)(C) asked if there could be an ESF 13 activation – (b)(6), (b)(7)(C) said yes, but then talked about the analysis that has to be done to allow our agents to work since they have to work on mission related items and generally speaking street policing does not fit within that authority. The words "stay in our lane" were mentioned several times, along with things like making arrests on federal charges is one thing, doing riot control is something different altogether.

I mentioned a Skype call that (b)(6), (b)(7)(C) and I had with (b)(6), (b)(7)(C)

(b)(6), (b)(7)(C) last week on the use of "vault letters" to clear out evidence. The HQ attorneys volunteered to come up with a new version of this letter for the field to use. We'll keep bugging them on this.

(b)(6), (b)(7)(C) expressed some frustration with the way an agent shooting in KC Field Division was characterized by the JSOC as the agents were responding to an FFL burglary, not responding to a riot as previously reported. We all agreed this was a problem. Between Molotov cocktails, arson and FFL burglaries we have plenty of justification to be out there. They were supposed to do first round phone interviews for the KC/St. Louis vacancy on Monday, but were delayed due to obvious reasons. She also told us there are good candidates for the Louisville opening (some repeat candidates from KC/StL.

Finally, (b)(6), (b)(7)(C) gave us an update on job announcements and other administrative matters.

Stay safe.
