Re: Case 1:21-cv-00572-RC Freedom of Information Act Request 2021-IAFO-00164

Dear Requester Sus:

This letter is a response to the above FOIA Request and litigation regarding your electronic Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Office of Intelligence and Analysis (I&A), dated January 10, 2021 and received in this office on January 20, 2021.

DHS I&A's Production

I&A processed two hundred forty-five (245) pages that were found to be potentially responsive to your request. For the production, fifty-six pages (56) pages were found to be non-responsive or duplicates. One hundred eighty-nine (189) pages were found to be responsive. After a review, one hundred forty-six (146) pages will either be referred to another component or agency or I&A will consult with those agencies on their information contained in the records. Forty-three (43) pages will be released in part and withheld in part.

Redactions have been made to protect information exempted as follows:

Freedom of Information Act, 5 U.S.C. § 552			Privacy Act, 5 U.S.C. § 552a
<input type="checkbox"/> 552(b)(1)	<input checked="" type="checkbox"/> 552(b)(5)	<input type="checkbox"/> 552(b)(7)(C)	<input type="checkbox"/> 552a(j)(2)

Exemption 3 protects “information specifically exempted from disclosure by [another] statute.” See 5 U.S.C. § 552 (b)(3). In this instance 50 U.S.C. § 3024(i) and 6 U.S.C. § 121(d)(11) exempts information regarding intelligence sources and methods from unauthorized disclosure.

Exemption 5 enables an agency to withhold “inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency.” *See* 5 U.S.C. § 552(b)(5). Exemption 5 therefore incorporates the privileges that protect materials from discovery in litigation, including the deliberative process, attorney work-product, attorney-client, and commercial information privileges. I&A is withholding this information that if released, would reveal the deliberative processes of the Agency.

Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

Exemption 7(E) protects all law enforcement information that “would disclose techniques and procedures for law enforcement investigation or prosecution, or would disclose guidelines for law enforcement investigations or prosecution if such disclosure could reasonably be expected to risk circumvention of the law.” *See* 5 U.S.C. § 552(b)(7)(E). I&A is invoking Exemption 7(E) to protect law enforcement techniques or procedures.

Exemption 7(F) protects all law enforcement information that “could reasonably be expected to endanger the life or physical safety of any individual.” *See* 5 U.S.C. § 552(b)(7)(F). I&A is invoking Exemption 7(F) to protect law enforcement security measures, the revelation of which could reasonably be expected to endanger the life or physical safety of any individual.

If you have any questions regarding this release, please contact Bradley T. Craigmyle. His email is Bradley.T.Craigmyle@usdoj.gov.

Sincerely,
Priscilla Waters

UNCLASSIFIED //LAW ENFORCEMENT SENSITIVE

Please find below this morning's summary of civil unrest. Washington, DC and Portland OR were the only locations that experienced unrest. Kenosha, WI remained peaceful despite the Kenosha District Attorney announcing on Tuesday there will be no charges made against the police officer involved in an August 2020 domestic incident response shooting.

BLUF: There were **NO** incidents of criminal or illegal activity directed at federal facilities or personnel and **NO** events where DHS law enforcement were deployed.

Washington, DC: In DC, approximately 3,000 gathered in Freedom Plaza during the day and into the night. Speakers addressed the crowd and protests remained peaceful until dark. The crowd began to dissipate after dark, but there were numerous altercations near BLM plaza. MPD deployed pepper spray while keeping opposing groups separated during the march / demonstration.

- • MPD made at least six arrests during the unrest. Two were for firearm charges, two for possession of carrying unregistered ammunition / magazines, one for simple assault, and one for possession of a prohibited weapon (taser).
- • There were no reported injuries.

Roughly 26 demonstration permits were approved by the US Park Police for 5 to 7 January including Freedom Plaza, Washington Monument, the National Mall Area and the Capitol. Permit application estimates indicate there could be approximately 30,000 people in attendance. At least 55 additional demonstrations have been mentioned on social media for 6 January, but it is unclear whether any are permitted, or if they are subgroups associated with larger demonstrations. Committed attendees for these smaller events appears to be minimal.

POTUS is scheduled to speak at 1100 EST 6 January at a permitted Women for America First event to be held on the White House Ellipse. Per National Park Service, expected attendance is around 5,000 participants. The event is scheduled from 0900 to 1200 EST; USPP is the lead federal agency for the event and USSS is in support.

Portland, OR: About 50 people marched to the Portland Police Bureau (PPB) North Precinct. Violent Opportunists threw glass bottles, paint and other objects toward police, blocked traffic with two dumpsters lit on fire, spray-painted graffiti on multiple store fronts, damaged police vehicle tires using spikes, and repeatedly moved temporary fencing in place outside the precinct.

- • PPB deployed several times to clear roads, restore the fencing, and keep agitators back from the precinct entrance.
- • PPB gave several warnings and made five arrests but did not declare an unlawful assembly or use non-lethal munitions.
- • There were no reported injuries.

The FPS force laydown in Portland for Tuesday evening was 42 (n/c).

Kenosha, WI: The Kenosha District Attorney announced there will be no charges made against the police officer involved in a 23 Aug 2020 domestic incident response shooting. Ensuing demonstrations remained peaceful, peaking at around 60 protesters.

There are (b) (7)(E) National Guard Personnel in GA, WI and DC who remain activated or on standby for civil unrest. The DC National Guard has activated (b) of the planned (b) personnel, with additional activations possible today.

As of today, DHS OPS and National Operations Center coordinated with Federal departments and agencies to identify any additional precautionary actions for enhanced security postures and stood up the DHS Virtual Situation Room effective 0600 EST, 5 Jan to facilitate department and interagency communication and coordination. There are currently no unmet needs.

Hi (b) (6)

Here is a quick rundown of current events/actions occurring in DC. Information is disparate and changing by the minute:

At approximately 2:15 pm, protesters breached the Capital Building and are walking around in rotunda.

At 1:44, the Cannon Office Building and the Madison building were evacuated (b) (7)(F)

Some private residents are being evacuated from Capital Hill. Unsure specifically which areas are being affected.

Senate reportedly being evacuated

At 2:46, shots fired on the second floor of the capital

Across DC, multiple suspicious devices have been reported/located. Several were confirmed as not suspicious; USCP conducted a controlled detonation of the suspicious package at 310 1st St SE/RNC.

Actions:

All federal buildings in capital region have been put on lockdown as a precautionary measure.

Mayor Bowser has set a curfew for 6 pm tonight

MD State police is being called for backup and the national guard is being deployed.

FOD is in contact/ sharing tips/leads with CETC, OSCO, and CTMC

[@DHSgov](#) is fully supporting our Capitol Police partners to restore order to the U.S. Capitol.

Violence in any form is unacceptable. NO one has the right to attack ANY federal institution regardless of motivation. Violent opportunists at the US Capitol grounds must be held accountable. We have a proud history of resolving our differences through peaceful means.

Honored to speak with our Coast Guard Patrol Forces Southwest Asia (PATFORSWA) in Bahrain today. These brave men and women partner with NAVCENT everyday to ensure the Arabian Gulf is as safe and secure as possible in order to protect our national and regional interests.

For months over the summer we rightly condemned Antifa for storming federal buildings in Portland. If you are entering the Capitol Building against police orders, you must leave. There is a proper venue to resolve grievances. This is not it.

Good Evening (b) (6)

We are working very diligently to find reportable information, field the tips coming in, and keep the Watch informed on things that are happening as they occur. So far we have not had anything that has met our threshold for reporting for these incidents, but we can work to keep you informed when/if we find something. This is a very busy day for us to say the least, please have patience with us, we are all doing the best that we can. Would it be acceptable to update you at the end of my shift at 2300 with any updates on possible reporting? Our drafts are subject to change, pending leadership approval, but we can give you an idea of the general subject or number.

Good afternoon CETC/OSCO,

Do we have OSCO reporting in train on these activities at the Capitol and surrounding areas, and if so is there a potential timeframe on when we can expect that material to begin publishing?

Thanks,

Yes – provided the watch what I have for the guidance. Sitrep based on info we receive at 0800 is our next mark. (b) (6) will be in early to ensure we get it together based on what we have overnight. We will push CETC notes on anything meeting thresholds, i.e. if they were to find pipe bombs on the Capitol grounds or if the protestors storm the Capitol again tonight etc.
