It is not looking like there is any focus on our facilities by the more violent protestor groups at this time on social media.

Let me know if there is anything you need from me. I will be monitoring social media and the news for protest movement and targeted facilities.

Good morning (b)(6);
(b)(7)(C)

The CIO from San Fran reached out to me this morning and said their SRT was in the Portland AOR supporting FPS protecting Fed buildings and monuments. She'd like to be plugged in to any threat reporting, etc.. that may be generated locally. Do you have anyone assigned locally supporting their protection efforts?

Thank you,
