I hate to be the Christmas Grinch but please see below information on a potential large demo on January 6, 2021. Credit goes to (b)(6); (b)(7)(C) for finding the initial post. We've found some corroborating information on open source. I have also sent to USPP, USSS, and USCP for their awareness. At this time no one is tracking any permit applications but it looks like this just materialized early this morning so they may start showing up this week.

At this time no one is tracking any permit applications but it looks like this just materialized early this morning so they may start showing up this week.

Good Morning All,

I hate to be the Christmas Grinch but please see below information on a potential large demo on January 6, 2021. Credit goes to (b)(6); (b)(7)(C) for finding the initial post. We've found some corroborating information on open source. I have also sent to USPP, USSS, and USCP for their awareness. At this time no one is tracking any permit applications but it looks like this just materialized early this morning so they may start showing up this week.

Good Morning All,

I hate to be the Christmas Grinch but please see below information on a potential large demo on January 6, 2021. Credit goes to (b)(6); (b)(7)(C) for finding the initial post. We've found some corroborating information on open source. I have also sent to USPP, USSS, and USCP for their

awareness. At this time no one is tracking any permit applications but it looks like this just materialized early this morning so they may start showing up this week.

Metropolitan Police Department's Joint Operations Command Center (JOCC) -  
Upcoming Activations - December 31, 2020 and January 6, 2021

Good afternoon,

The Metropolitan Police Department's Joint Operations Command Center (JOCC) will be operational for two (2) upcoming events:

1. **Thursday, December 31, 2020 at 1800 hours** for New Year's Eve activities throughout the District. It will remain activated until all events clear.
2. **Wednesday, January 6, 2021 at 0700 hours** for First Amendment demonstrations throughout the District. It will remain activated until all events clear.

If you would like to have a representative for either (or both) of these JOCC activations, please reply directly to me providing the name and contact information for the representative, as well as the hours we should expect the representative to be in the JOCC. I will try my best to ensure that he or she has seating during the event. Please keep in mind that we are extremely limited in spacing due to the current health pandemic and the need to practice social distancing.

Therefore, we are only allowing for one representative from an agency in the JOCC at a time. If

you are no longer the point of contact for your agency, please reply and let me know who the point of contact should be.

(b)(7)(E)

Health/temperature screenings will be required upon entry into the JOCC. Additionally, face masks are required while inside of MPD facilities. While MPD will have some spare personal protective equipment (PPE) and cleaning materials on site, it is highly recommended that representatives bring their own.

There will not be meals provided during the activation, so please ensure you bring all the personal food and beverage you require for your tour of duty. There are some vending machines in the building as well. Unfortunately, there will be no available refrigerators, so if needed please bring a small cooler if needed. There are some local restaurants that deliver to headquarters as well.

There is wireless connectivity in the JOCC and it is an UNCLASSIFIED/FOUO/LES operating environment, so laptops, cell phones, and agency radios are authorized. If you do not have a laptop with a wireless connection, there are a limited number of DC government computers at some of the work stations that we can facilitate access through. Please let us know if this is the case ahead of time.

As always, thank you for your continued support.

Respectfully,

**Subject:** January 6th Event / Happy Holidays!

Good Morning All,

Many of you are probably aware of this by now but there will be another Women For America First (AKA Million MAGA March) First Amendment event to occur in Washington, DC on January 6, 2021. This event was first mentioned by POTUS early Saturday morning when he tweeted about a report concerning election fraud and said that there will be a big protest in D.C. on January 6<sup>th</sup> and that it "will be wild". Since then, the tweet has gained significant traction and many of the same groups from the November 14<sup>th</sup> and December 12<sup>th</sup> events are planning on attending.

Details are still limited at this time but the main organizer is requesting to hold the event at Freedom Plaza, the same location as the previous two events. However, this location has not been approved by NPS at this time. Additionally, the organizer has submitted a parade permit application to MPD from Freedom Plaza to the U.S. Capitol. Expected attendance according to the permit application is the same as before. We are seeing the same upticks in hotel reservations as we did for the previous two events. Some of the counter groups are also aware of this event and have posted messages on social media about countering this event.

The following website provides some information on the event, invited speakers, and hotels with room blocks. The counter groups are already sending out messages to their followers asking them to call the hotels and urge them to cancel reservations so you may start receiving calls from hotels in your AOR regarding harassing phone calls. If this occurs, please let us know.

<https://wildprotest.com/#hotels>

This information is being provided for everyone's situational awareness. The MWCOG Police Intelligence Subcommittee will keep the group updated on any new information leading up to the event. Please let me know if anyone has any questions regarding this event.

On a separate note, I'd like to thank each and every one of you for your support and continued participation in the MWCOG Police Intelligence Subcommittee! This has definitely been a year of unique challenges between the COVID-19 pandemic, the ongoing civil unrest occurring across the nation, and the general uptick in anti-police sentiment. I feel that this subcommittee has played a pivotal role in getting timely and accurate information out to all the agencies in the NCR and this could not have been accomplished without each and every one of you. Thank you again for all that you do and I wish everyone happy holiday!

*The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.*

**Subject:** Metropolitan Police Department's Joint Operations Command Center (JOCC) - Upcoming Activations - December 31, 2020 and January 6, 2021

Good afternoon,

The Metropolitan Police Department's Joint Operations Command Center (JOCC) will be operational for two (2) upcoming events:

1. **Thursday, December 31, 2020 at 2000 hours** for New Year's Eve activities throughout the District. It will remain activated until all events clear.
2. **Wednesday, January 6, 2021 at 0700 hours** for First Amendment demonstrations throughout the District. It will remain activated until all events clear.

If you would like to have a representative for either (or both) of these JOCC activations, please reply directly to me providing the name and contact information for the representative, as well as the hours we should expect the representative to be in the JOCC. I will try my best to ensure that he or she has seating during the event. Please keep in mind that we are extremely limited in spacing due to the current health pandemic and the need to practice social distancing.

Therefore, we are only allowing for one representative from an agency in the JOCC at a time. If you are no longer the point of contact for your agency, please reply and let me know who the point of contact should be.

(b)(7)(E)

(b)(7)(E)

Health/temperature screenings will be required upon entry into the JOCC. Additionally, face masks are required while inside of MPD facilities. While MPD will have some spare personal protective equipment (PPE) and cleaning materials on site, it is highly recommended that representatives bring their own.

There will not be meals provided during the activation, so please ensure you bring all the personal food and beverage you require for your tour of duty. There are some vending machines in the building as well. Unfortunately, there will be no available refrigerators, so if needed please bring a small cooler if needed. There are some local restaurants that deliver to headquarters as well.

There is wireless connectivity in the JOCC and it is an UNCLASSIFIED/FOUO/LES operating environment, so laptops, cell phones, and agency radios are authorized. If you do not have a laptop with a wireless connection, there are a limited number of DC government computers at some of the work stations that we can facilitate access through. Please let us know if this is the case ahead of time.

As always, thank you for your continued support.

Respectfully,

(b)(6); (b)(7)(C)

*The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.*
