Good morning (b)(6); (b)(7)(C) and (b)(6); (b)(7)(C).

I have received the following email from the Prince George's County Police Department Homeland Security Squad via WSSC Police Department via Army Corps of Engineers. WSSC is seeking to verify the validity of the report.

Good morning and Happy New (b)(6); (b)(7)(C) I received this information from my General Manager. Do you know or do you have any further information on this incident? Or can you verify this information? Thanks

All,

This is a heads up of a possible threat to a water reservoir in D.C. or possible NCR.

The noted caller contacted a Military Police station in Fort Leonard Wood, Missouri as noted below.

Description: Hello my name is Sergeant (b)(6); (b)(7)(C) and I am a DACP Desk Sergeant with the Ft. Leonard Wood Military Police. And during my shift I received a phone call at the Military Police Desk from a (b)(6); (b)(7)(C) (b)(6); (b)(7)(C) He was wanting to report that he had a hunch that on January 6, 2021 that there would be a chemical or biological attack in a water reservoir in Washington D.C. and that there should be extra security at the inauguration. I would like to make sure that this gets reported/known.

The "how" and "why" are not known at this time. Intelligence community and EPA Region 3 are aware of the threat. Should further investigation suggest that the threat is credible, regional coordination may be warranted.

I will keep you all informed as information is updated. Please let me know if others should be looped into this conversation moving forward.

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (24 December 2020–7 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

SETA Calendar - FOUO

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (31 December 2020–14 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

SETA Calendar - FOUO

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (31 December 2020–14 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

SETA Calendar -FOUO

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (31 December 2020–14 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.
