Washington, DC 20005
nsus@citizensforethics.org

Dear Mr. Sus:

This is in response to your Freedom of Information Act (FOIA) request dated January 10, 2021. Your request was referred to this office by the Department of the Army, FOIA Office, Records Management Division, on February 4, 2022, and was assigned control number FA22-1451. The enclosed referred documents are responsive to your request.

The names of law enforcement personnel, as well as names, social security numbers and other personal items of information pertaining to third parties have been withheld. The withholding of this information constitutes a partial denial pursuant to Title 5, USC, Section 552, Exemptions (b)(6), and (b)(7)(C) of the FOIA, because release would violate the personal privacy of other individuals mentioned in the report. Moreover, disclosing the withheld information would harm an interest protected by these exemptions.

If you have any questions regarding this response, please contact Lee Reeves, Trial Attorney, U.S. Department of Justice via e-mail at lee.reeves2@usdoj.gov.

Sincerely,

Erin Chidester for

Chester B. Longcor
Assistant Director, Crime Records Center

Description: Hello my name is Sergeant (b)(6) (b)(7)(C) and I am a DACP Desk Sergeant with the Ft. Leonard Wood Military Police. And during my shift I received a phone call at the Military Police Desk from a (b)(6) (b)(7)(C) He was wanting to report that he had a hunch that on January 6, 2021 that there would be a chemical or biological attack in a water reservoir in Washington D.C. and that there should be extra security at the inauguration. I would like to make sure that this gets reported/known.

Thank you for sending this to the group. EPA's Criminal Investigation Division has some investigative authorities related to the actual or potential contamination of Drinking Water Facilities or Supplies. I realize this information is very preliminary, but if you or anyone else needs anything from EPA please don't hesitate to reach out .
