Dear Requester:

This is the eleventh interim response to your Freedom of Information Act (FOIA) request, originally received by the United States Secret Service (Secret Service) on January 21, 2021, for information pertaining to:

1. All records from December 1, 2020 to January 6, 2021 reflecting any plans for demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021 that were identified by any DHS component—including without limitation the Office of Intelligence & Analysis (“I&A”) and the Federal Protective Service (“FPS”)—or other agencies through social media monitoring, threat assessments, or other means.
2. All records from December 1, 2020 to January 6, 2021 reflecting any tips, complaints, referrals, allegations, or reports submitted to any DHS component—including without limitation I&A and FPS—regarding planned demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021.
3. All records from December 1, 2020 to January 6, 2021 reflecting DHS’s communication to other agencies—including without limitation the U.S. Capitol Police, the D.C. Metropolitan Police Department, the Federal Bureau of Investigation, the Department of Justice, or the Department of Defense—of the risks or threats posed by planned demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021.
4. All records from December 1, 2020 to January 6, 2021 relating to any DHS component—including without limitation I&A and FPS—providing assistance or support to the U.S. Capitol Police, the D.C. Metropolitan Police Department, or any other agency in connection with the January 6, 2021 congressional session to count electoral votes.

After a detailed review of all potentially responsive records, 76 page(s) were released. Exemptions under the FOIA Statute, Title 5 U.S.C. § 552, and/or the PA Statute, Title 5 U.S.C. § 552a, have been applied where deemed appropriate after considering the foreseeable harm standard outlined in the 2016 amendment to 5 U.S.C 552(a)(8)(A)(i) and DOJ guidance.

Enclosed are the documents responsive to your request, as well as a document that explains the exemptions in more detail. Withheld information is pursuant to the exemptions marked below.

Subject: Cellular Industry Notification of First Amendment Activities for January 6, 2021

Cellular Industry

I am sharing the following information with you to prepare for the upcoming first amendment activities scheduled for Wednesday, January 6, 2021

Anticipated attendance and impacted locations (White House Zone, Pennsylvania Ave Corridor, National Mall and U.S. Capitol Complex) are expected to be similar to the November 14, 2020 and December 12, 2020 (MAGA Million Marches and counter protest groups).

Many of you are in the process of setting up deployable assets and conducting network enhancements for the Inauguration which will take place in two weeks from this event. If you plan to use any of these deployables, please ensure you properly notify the Office of Unified Communications and follow the appropriate testing/certification process.

You should begin to see a buildup of network activity as early as January 4, 2021. Inauguration set up maybe impacted from January 4-8 due to the influx of attendees coming to the District, so please plan accordingly.

I am requesting you collect network performance data during this time period for After Action discussions.

I hope any lessons learned from the November 14, 2020 and December 12, 2020 events will be applied in supporting all components of the emergency communications ecosystem.

Should you have any questions, please feel free to ask.

Thank you

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (24 December 2020–7 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (24 December 2020–7 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

National Capital Region Threat Intelligence Consortium (NTIC) Special Events Calendar (24 December 2020–7 January 2021)

The District of Columbia initiated Phase Two of its city-wide ReOpening plan on 22 June 2020. While there continue to be limitations on in-person gatherings, and in-venue capacities remain restricted, business is resuming. In an effort to highlight significant first amendment protected activities, and notable business and venue reopenings, the NTIC Special Events Calendar will be adapting its production to reflect these changes to our city. Until otherwise noted, please anticipate that the Special Events Calendar will be featuring events with much smaller estimated attendances at public and private venues, as well as indicating the reopening of businesses that may have an impact on infrastructure or public safety response, even where estimated attendance is unknown. If at any time the District returns to Phase One of its ReOpening Plan, the NTIC may pause production of this calendar again without notice.

Subject: NEO-NAZI calls on DC Pro-Trump Protesters to Occupy Federal Building
Attachments: Neo-Nazi Calls on D.C. Pro-Trump Protesters to Occupy Federal Building.pdf, smime.p7s

On December 28, 2020, Telegram user "GFB" posted a series of messages in the neo-Nazi chat group "MWG" calling on attendees of an upcoming pro-Trump protest scheduled for January 6, 2021, in Washington D.C.

"We need boots on the ground and voices loud enough to be heard for miles. That's the only way things are going to change," began "GFB," a member of the neo-Nazi group Vorherrschaft Division. In chat groups for members of the group "GFB" has admitted to feeling that Trump's exit from office is a foregone conclusion, and thus that their goal should be to "push for more nationalist policies and attitudes."

However, "GFB" went on to say in "MWG" that Trump supporters in D.C. on January 6 should "march into the capital building and make them quake in their shoes by our mere presence."

"The overclass needs to be shown that the people are not to be trifled with," said "GFB."

"We need boots on the ground and voices loud enough to be heard for miles. That's the only way things are going to change," began "GFB," a member of the neo-Nazi group Vorherrschaft Division. In chat groups for members of the group "GFB" has admitted to feeling that Trump's exit from office is a foregone conclusion, and thus that their goal should be to "push for more nationalist policies and attitudes."

However, "GFB" went on to say in "MWG" that Trump supporters in D.C. on January 6 should "march into the capital building and make them quake in their shoes by our mere presence."

"The overclass needs to be shown that the people are not to be trifled with," said "GFB."

Subject: NEO-NAZI calls on DC Pro-Trump Protesters to Occupy Federal Building

On December 28, 2020, Telegram user "GFB" posted a series of messages in the neo-Nazi chat group "MWG" calling on attendees of an upcoming pro-Trump protest scheduled for January 6, 2021, in Washington D.C.

"We need boots on the ground and voices loud enough to be heard for miles. That's the only way things are going to change," began "GFB," a member of the neo-Nazi group Vorherrschaft Division. In chat groups for members of the group "GFB" has admitted to feeling that Trump's exit from office is a foregone conclusion, and thus that their goal should be to "push for more nationalist policies and attitudes."

However, "GFB" went on to say in "MWG" that Trump supporters in D.C. on January 6 should "march into the capital building and make them quake in their shoes by our mere presence."

"The overclass needs to be shown that the people are not to be trifled with," said "GFB."

Per our conversation, see below regarding possible officer safety issue for tomorrow, 1/6/21 and possible threats to President-Elect Biden. USSS/UDW has been notified via the JOC and a request has been made (b)(7)(E) Please make appropriate notifications to MPDC. Let me know if you have any questions.

Per USSS/DEN, a concerned citizen reported that (b)(6); (b)(7)(C) and (b)(6); (b)(7)(C) were flying into BWI today to attend tomorrow's rally and "incite violence." In addition, the source reports that (b)(6); (b)(7)(C) previously made threats against President-Elect Biden. The source also reported that (b)(6); (b)(7)(C) was driving to DC with gear and weapons, to include ballistic helmets, armored gloves and vests, rifles, and suppressors. The items are reported to be loaded in "black plastic tubs with master locks." (b)(6); (b)(7)(C) has two vehicles registered. It is not clear at this time which vehicle he is driving (descriptions of both are attached).

USSS/BAL interviewed the (b)(6); (b)(7)(C) and (b)(6); (b)(7)(C) upon arrival at BWI. The subjects claimed that they are in the area to protest election fraud, support President Trump, and acknowledged the possibility of violence if approached by counter-protestors. The subjects denied making any threats towards USSS protectees. The subjects refused to provide any information about where they were staying or any information regarding (b)(6); (b)(7)(C). They did confirm that they will be departing the area on 1/7/21 via flight from IAD.

USSS/PID/OSB research located (b)(6); (b)(7)(C) Facebook page which confirms his intent to travel and includes the following comment: "I'm flying but (b)(6); (b)(7)(C) will be there with plenty of kits for everyone in his truck." (OSINT attached)
