To whom it may concern,
Pursuant to the South Dakota Sunshine law, §1-27-1 et seq. and/or the federal Freedom of Information Act, I am requesting copies of any and all communications – including, but not limited to, emails, letters, memoranda or other communications – to or from Gen. Jeffrey Marlette, the adjutant general of the South Dakota National Guard, and to or from senior enlisted leader Command Sgt. Maj, regarding the South Dakota National Guard mission to the border announced June 29, 2021, that was funded in part by an approximately \$1 million private donation. I would like communications regarding the mission, its purpose, and the private donation that is funding it, as well as any other communications related to this deployment.
If any portion of these documents cannot be released due to privacy, security or other concerns, I ask that redactions be kept to a minimum and all segregable portions be released.
As I am a reporter with the news website Military.com and am seeking this information about a matter of public concern for public dissemination, I ask for this request to be expedited. I also ask that the response be delivered to me in electronic form, and that any and all fees be waived. If fees cannot be waived, I ask that you contact me before levying any fees greater than \$25.
I look forward to your response,

Please describe each record withheld, including its date and size (e.g., amount of electronic memory or number of paper pages).

Request for fee reduction as a representative of the news media

The Center for Public Integrity is a news media organization, and therefore this request should be exempt from all fees for search and review. This request is being made in connection with the Center's newsgathering functions and not for any other commercial purpose. The Center intends to produce one or more original investigative reports based on analysis of the requested information. The Center's work has won the 2014 Pulitzer Prize for Investigative Reporting and numerous other journalism awards (see Caution-http://www.publicintegrity.org/about/our-work/awards < Caution-http://www.publicintegrity.org/about/our-work/awards >).

The only federal court to consider the issue has held that the Center "is entitled to treatment as a representative of the news media for purposes of FOIA." Center for Public Integrity v. HHS, Civil Case No. 06-1818, 2007 U.S. Dist. LEXIS 56172 (D.D.C. In addition, our reporters covering Congress and congressional committees are credentialed by the Standing Committee of Correspondents of the Congressional Daily Press Gallery.

Request for fee waiver

In addition, the Center requests a waiver of all duplication fees for this request as permitted under the Act. Disclosure of the requested information to the Center is likely to contribute significantly to public understanding of the operations or activities of the government. The disclosures we request under the Freedom of Information Act primarily serve the public interest and not any commercial interest.

As a media organization (see above), the Center has the means to disseminate the requested information to the general public. We intend to publish the resulting investigative report(s) on our website, Caution-www.publicintegrity.org < Caution-http://www.publicintegrity.org > , which is visited by more than 160,000 persons monthly. We also intend to distribute the report(s) through other media outlets (print, broadcast and/or online), as is our practice. Past partnerships have included TIME magazine, Politico, the Washington Post, NBC News, NPR, and a long list of other media organizations.

Request for expedition

We request expedited processing for this request because the Center for Public Integrity and I are "primarily engaged in disseminating information," and there is "urgency to inform the public concerning actual or alleged Federal Government activity." Specifically, there is pressing ongoing public concern into the role played by a private donor in this deployment of the South Dakota National Guard (see, for example,Caution-https://apnews.com/article/joe-biden-sd-state-wire-south-dakota-texas-c9461c65234434f91f749a92608d2287 < Caution-https://apnews.com/article/joe-biden-sd-state-wire-south-dakota-texas-c9461c65234434f91f749a92608d2287 >) and the chairman of the House Oversight Committee is seeking additional information regarding the matter (seeCaution-https://www.politico.com/news/2021/06/30/adam-

South Dakota National Guard Attn: Freedom of Information Act Office 2823 West Main Street Rapid City, SD 57702-8170

Re: Freedom of Information Act Request

Dear FOIA Officer:

Citizens for Responsibility and Ethics in Washington ("CREW") submits this request for records pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and U.S. Department of Defense ("DOD") regulations.

Specifically, CREW requests all records from May 1, 2021 to the date this request is processed relating to the deployment of the South Dakota National Guard to the southern U.S. border, as announced by Governor Kristi Noem on June 29, 2021 (the "Deployment"), including without limitation the following records:

- 1. All records relating to the "private donation" to support the Deployment provided by Willis and Reba Johnson's Foundation and billionaire Willis Johnson, including records sufficient to identify the amount of the private donation and any communications with Willis Johnson or any representative of his foundation.
- 2. All records reflecting any complaint, inquiry, analysis, consideration, or determination by the DOD, the National Guard, or any other federal or state entity regarding the propriety of using a private donation to fund the Deployment.
- 3. All records reflecting any complaint, inquiry, analysis, consideration, or determination by the DOD, the National Guard, or any other federal or state entity regarding any legal restrictions applicable to the Deployment.
- 4. All communications with Governor Noem's office regarding the Deployment.
- 5. All records reflecting the parameters of the Deployment, including any instructions or other communications to South Dakota National Guard

¹ See Press Release, <u>Governor Noem Deploys South Dakota National Guard to Texas for Border Security</u>, South Dakota State News, June 29, 2021, https://news.sd.gov/newsitem.aspx?id=28226.

members about the nature of the Deployment, whether participation is mandatory or voluntary, and the source of funding for the Deployment.

The above request <u>excludes</u> agency records consisting <u>solely</u> of news articles, press clippings, and other publicly-available material, so long as the records include no accompanying discussion by agency officials

If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. *See* 5 U.S.C. § 552(b). If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. *See Mead Data Central v. U.S. Dep't of the Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

Please be advised that CREW intends to pursue all legal remedies to enforce its right under the FOIA to access these documents. Accordingly, because litigation reasonably is foreseeable, the agency should institute an agency-wide preservation hold on documents potentially responsive to this request.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A) and agency regulations, CREW requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures likely will contribute to a better understanding of relevant government procedures by CREW and the general public in a significant way. See 5 U.S.C. § 552(a)(4)(A)(iii). Moreover, the request primarily and fundamentally is for non-commercial purposes. See, e.g., McClellan Ecological v. Carlucci, 835 F.2d 1282, 1285 (9th Cir. 1987).

In a press release issued on June 29, 2021, Governor Kristi Noem announced that "up to fifty South Dakota National Guard troops are being deployed to Texas to help the secure the border between the United States and Mexico." The release added that the "deployment will be paid for by a private donation." The donation was reportedly provided by Willis Johnson, a billionaire Republican donor. Noem's "acceptance of the donation from Johnson, who doesn't even live in Noem's state but rather in Tennessee, has drawn intense scrutiny," with experts saying "it sets a troubling precedent in which a wealthy patron is effectively commandeering U.S. military might to address private

² See Press Release, <u>Governor Noem Deploys South Dakota National Guard to Texas for Border Security</u>, South Dakota State News, June 29, 2021, <u>https://news.sd.gov/newsitem.aspx?id=28226</u>.

political motivations." The requested records will shed light on this issue of substantial public interest.

CREW is a non-profit corporation, organized under section 501(c)(3) of the Internal Revenue Code. CREW is committed to protecting the public's right to be aware of the activities of government officials, to ensuring the integrity of those officials, and to highlighting and working to reduce the influence of money on politics. CREW uses a combination of research, litigation, and advocacy to advance its mission. CREW intends to analyze the information responsive to this request and to share its analysis with the public through reports, press releases, or other means. In addition, CREW will disseminate any documents it acquires from this request to the public through its website, www.citizensforethics.org. The release of information obtained through this request is not in CREW's financial interest.

CREW further requests that it not be charged search or review fees for this request pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II) because CREW qualifies as a member of the news media. See Nat'l Sec. Archive v. U.S. Dep't of Defense, 880 F.2d 1381, 1386 (D.C. Cir. 1989) (holding non-profit a "representative of the news media" and broadly interpreting the term to include "any person or organization which regularly publishes or disseminates information to the public").

CREW routinely and systematically disseminates information to the public in several ways. CREW's website receives tens of thousands of page views every month. The website includes blogposts that report on and analyze newsworthy developments regarding government ethics, corruption, and money in politics, as well as numerous reports CREW has published to educate the public about these issues. In addition, CREW posts the documents it receives under the FOIA on its website.

Under these circumstances, CREW satisfies fully the criteria for a fee waiver.

Conclusion

Where possible, please produce records in electronic format. Please send the requested records to me at either <u>@citizensforethics.org</u> or Nikhel Sus, Citizens for Responsibility and Ethics in Washington, 1331 F St. NW, Suite 900, Washington, D.C. 20004.

Sincerely,

Senior Counsel
