ALCON,

Just to clarify, SGT [REDACTED] did NOT have [REDACTED]. They were a result of his condition.

SGT [REDACTED] transported SGT [REDACTED] to South Texas Health Systems in one of the state vehicles. After the evaluation there, staff at the hospital determined he would be transferred to the McAllen Heart Hospital. Hospital staff would not permit SGT [REDACTED] to be transported by any method other than ambulance, since it was a [REDACTED].

Respectfully,
