Attached for Assistant Director-level and Leg Affairs review is the annual report to Congress on GloMag. This has been checked by me, OGT, and Counsel. TFFC, OIA, and FinCEN (b)(5)

(b)(5)

(b)(5). If you are able to provide edits/clearance today, that would be appreciated. I will then move this to Associate Director review. After that, I plan to FYI to OFAC FO and send to TFI FO for Sigal's review.

On timing, State wanted this from us last Friday (b)(5)

(b)(5) and now they are hoping to receive the our edits ASAP so they can move the report up to Pompeo. The ultimate deadline to the Hill is December 10.

In terms of when this will go back, my understanding was that State intended to send this up to Pompeo as soon as they got our input. Given that this will go to the top, we can't send back until we

have sign-off from Sigal. Once the dates are in, I will clear at the Assistant Director level, then the Associate Director level, then I'll see if we can just FYI to OFAC FO and send along toe TFI FO. (b)(5)

Hi (b)(6)

Thanks. (b)(6) also mentioned the delisting yesterday evening, and I was just looking at that. I didn't see info on the delistings in the report, so I've inserted a new subsection about that. (b)(5)

(b)(5)

(b)(5) Also, would OGT be able to put in the dates of the various designations (Sec. 1264(a)(4) requires dates) – maybe just insert as a parenthetical next to each target name (e.g., *designated on July XX, 2018*).

SEC. 1264. REPORTS TO CONGRESS.

(a) IN GENERAL.—The President shall submit to the appropriate congressional committees, in accordance with subsection (b), a report that includes—

- (1) a list of each foreign person with respect to which the President imposed sanctions pursuant to section 1263 during the year preceding the submission of the report;
- (2) a description of the type of sanctions imposed with respect to each such person;
- (3) the number of foreign persons with respect to which the President—
 - (A) imposed sanctions under section 1263(a) during that year; and
 - (B) terminated sanctions under section 1263(g) during that year;
- (4) the dates on which such sanctions were imposed or terminated, as the case may be;
- (5) the reasons for imposing or terminating such sanctions;

TFFC/FinCEN/OIA colleagues,

Now that I'm back (b)(6), I'm catching up on various items, one of which is clearance of the attached Global Magnitsky report to Congress that State submits annually on December 10. They've requested clearance as soon as we can this week, hence the deadline later today. It's a pretty OFAC-heavy document, so hopefully we've covered the necessary details already, but please

provide any further TFI component edits today if possible. I will then take it up the chain through Sigal. Thanks!

Lisa and Greg/Todd,

If possible, please clear by COB today on the attached annual GloMag report to Congress. This is drafted and submitted by State but includes lots of OFAC content, largely details of designations and delistings this year under the GloMag program. This has gone through Counsel, OGT, Policy, and other TFI components. Once you clear, I will FYI to OFAC FO (cc'ing (b)(6) for awareness) and will send to TFI FO for Sigal's signoff.

Note on timing: This report is due to Congress December 10. State had asked for our edits by November 9, (b)(5), so we have been a bit delayed in getting our content updated and checked. Once we send this back, State will take it to Pompeo.
