## FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

### Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the [www.fbi.gov/foia](http://www.fbi.gov/foia) website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

### Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems or locations where responsive records would reasonably be found. A standard search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. Unless specifically requested, a standard search does not include references, administrative records of previous FOIPA requests, or civil litigation files. For additional information about our record searches, visit [www.fbi.gov/services/information-management/foipa/requesting-fbi-records](http://www.fbi.gov/services/information-management/foipa/requesting-fbi-records).
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private Citizens cannot request a name check.

*(U//FOUO) The following list of events is being maintained per request of WFO Executive Management. The items on this list are compiled by FBI partner agencies. FBI WFO does not have any information to suggest these events will involve anything other than first amendment protected activity and is being distributed for situational awareness. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the subject individual or others in retaliation or with the goal of stopping the protected activity from occurring in the first instance. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.*

Please see attached for the final version of the Inauguration CPM that is currently going through the approval chain in Sentinel. This version incorporates requests and suggestions from [redacted] hence the small changes and I believe only 1 additional question. I will be touching base with [redacted] to see if we can disseminate this before it is serialized to get it out the door as fast as possible, but only after everyone has given the go ahead on this version.

I am told that [REDACTED] CM IA [REDACTED]

Based on this information, we do not recommend an additional CPM for the 6 January 2021 events.

[REDACTED] will be disseminating their own CPM (in coordination and collaboration with WFO). I spoke with the A/UC today. I do not have a timeline for dissemination tho. But, since they are coordinating with us, and if they are disseminating prior to 6 January 2021, we can suggest a specific 6 January 2021 question.

[REDACTED] and I are available if anything is needed.

Hey [redacted] spoke to [redacted]. She advised that she spoke to the new UC in [redacted] about the CPM and they are good with it. She will reach out to [redacted] and [redacted] to see if both want their folks on it as coauthors. If so [redacted] and [redacted] will need to sign off in Sentinel. If not, the coordination is documented in different emails and I've asked [redacted] to serialize those emails to document the coordination. You and I would then be listed as the only approvers. Hi [redacted]

I imagine with all the Nashville stuff you are pretty tied up. So here is the BLUF in case it is easier to connect over email.  
BLUF: the submission from [redacted] for incorporation is outside the focus of the WFO CPM, so we are recommending [redacted] does a separate CPM. I believe [redacted] our CM IA, has been in contact with your ColIMC already. So collaboration is ongoing, which is awesome.

I just heard from [redacted] and our IA on the piece. I will definitely reach out tomorrow. I'm fortunate enough to be on this TDY while the Nashville CP is running hot, so I may be in a little later in the day, say 1 or 2 ish.

No card yet, although it may not be entirely USPS's fault (though I have things sent out STILL not at their destination) as I am not exactly the best at checking my mailbox everyday....

LOL! I totally get it. I have three gifts for [redacted] that are somewhere on distribution facilities limbo.

Also, I am glad you are there during this Nashville situation. They need your calm demeanor because I am sure everyone is hairs on file like Skule days ♦♦.

Chat tomorrow! Can't wait to catch up too!

I just heard from [redacted] and our IA on the piece. I will definitely reach out tomorrow. I'm fortunate enough to be on this TDY while the Nashville CP is running hot, so I may be in a little later in the day, say 1 or 2 ish.

Good morning all,

Firstly, apologies for a day of cancellation but with the events happening downtown we decided the best course would be to cancel [redacted] this week. The only update from [redacted] is the attached Collection Priorities Message. The CPM is a national collection priority [redacted] [redacted] US Presidential Inauguration being held on 20 January. [redacted] While the questions in the CPM are approved for dissemination, please keep in mind the document itself is NOT approved for dissemination to partner agencies.

If anyone has additional requests or updates please send them along the Red Side [redacted] distro.

We will resume [redacted] on 1/20. Thank you and talk with everyone soon!

=====

Folks,

*As 2020 comes to a close, I wanted to take just a few moments to connect with you.*

*This year has been anything but easy. The easy stuff was hard, and the hard stuff was near-impossible. Not only have we endured the ongoing COVID-19 global pandemic, we were in the epicenter for issues devolving to criminal violence under lawful protests; along with continued, intense public scrutiny and special inquiries impacting the FBI brand and very important work we do in CI Division.*

*We found ourselves in unusual positions, whether it be finding new and innovative solutions to accomplish our vital national security mission in an unclassified, telework environment; or juggling virtual learning, childcare, and the ever-shuttering of the economy leading to job loss, restrictions for travel, and limitations to social gatherings with friends and loved ones. We encountered personal impact at home and in the communities we serve.*

*Throughout it all, you demonstrated grit, resilience, and a tenacity to overcome adversity no matter the obstacle or sacrifice. I am so proud of everyone in the CI Division. I know we are all human and this effort did not come without toll. Many of us gave from empty tanks so I urge you to continue to look after our most vital asset, our people: each other and yourselves. Please don't suffer in silence – it's OK, not to be OK. We will find you the help you need and get through it together. As such, while the Division is 100% back through a staggered, in-office and telework presence to ensure a healthy, full mission-capable workforce, we will continue with our current posture of maximum flexibility in the New Year.*

*While we didn't have frequent opportunities to learn from each other by regular interactions, meetings, and town halls, we will continue to find other means to identify, understand and improve upon our processes to do the right thing, and in the right way. As such, we will be issuing a modified climate survey in the New Year so we may become better, and better serve you.*

*There have been many great things to reflect upon. Even amongst the challenges in 2020, we attacked the enemy and continued many highly impactful actions to push them on their heels. Whether it be through sophisticated recruitment operations, espionage arrests and sentencings, covert entries, and installations, or safeguarding of the elections, you have made a tremendous difference in upholding the FBI mission. You also earned well deserved recognition as recipients for the AG, Director's, and Intel/law enforcement community awards along with many other accolades including career promotions to increased leadership positions. We also celebrated extraordinary bookend milestones in the retirements of some of the finest counterintelligence professionals along with additions of new children (two and four-legged) to our FBI family.*

*It has been a great year because of all of you – thank you with all my heart!*

*Wishing all of you a safe and wonderful Holiday Season. Merry Christmas and Happy New Year!*

-Stacey

The far-right, male-only group, the Proud Boys, will descend onto Washington, D.C., in protest the same day [Congress](#) plans to certify Electoral College votes, officially confirming President-elect [Joe Biden's](#) win.

Though the group will not wear its usual black and yellow colors Jan. 6, the Washington Times first reported that the leader of the group, Enrique Tarrío, said members would dress "incognito," in Antifa's traditional all-black apparel.

#### GOP LAWMAKERS REJECT GOP PUSH TO OBJECT TO ELECTORAL COLLEGE RESULTS

"We will spread across downtown DC in smaller teams," Tarrío wrote on the social media platform, Parler.

"And who knows....we might dress in all BLACK for the occasion," he added.

Congress is expected to certify the election's results, despite several GOP lawmakers saying they will object to certain state's votes if an emergency 10-day audit is not first completed.

The calls to object have been spearheaded by Sens. Ted Cruz, R-Texas, and Josh Hawley, R-Mo., and are based on allegations of voter fraud and changes states made to mail-in voting rules during the coronavirus pandemic.

President Trump has continued to allege voter fraud related to mail-in voting, but the Supreme Court has refused two cases from the Trump campaign, and more than 50 lawsuits have been dismissed in lower courts across the nation.

Polls still show, however, that many Republican voters believe the election was "rigged."

Trump in turn has urged supporters to protest the Jan. 6 Senate vote. He has tweeted out rally details and prompted numerous groups to meet in D.C. to pressure Republicans to object to the Electoral College vote.

"The BIG Protest Rally in Washington, D.C., will take place at 11.00 A.M. on January 6th," Trump said Friday. "Locational details to follow. StopTheSteal!"

The Proud Boys made headlines last summer, clashing with Antifa and Black Lives Matter protesters in the aftermath of George Floyd's death while in police custody in Minneapolis.

Some protests across the country turned violent and demonstrations continued for months. Following the election, pro-Trump supporters launched Stop the Steal protests fueled by the president's continued claims that the election was "stolen" from him.

#### MAYHEM IN WASHINGTON, DC, AS TRUMP SUPPORTERS, ANTIFA CLASH; AT LEAST 4 STABBED, 23 ARRESTED

Last month, four people were stabbed and 33 arrested after pro-Trump supporters clashed with counterprotesters in the nation's capital as people gathered in front of the Supreme Court and at Freedom Plaza.

Videos surfaced showing D.C. police attempting to control Proud Boys and Antifa fights across the city, resulting in the hospitalization of at least two police officers.

At least four protests are planned on Jan. 6 by different pro-Trump groups, including by Women for America First, and the Eighty Percent Coalition – a new group formed following reports that the majority of Republicans think the election was "rigged."

Threats of violence, and plans to bring firearms into the District and set up an "armed encampment" on the Mall have surfaced in online forums, reported [The Washington Post](#).

The Metropolitan Police Department announced road closures from Jan. 5-7 in anticipation of the protests and said vehicles will be restricted for "public safety."

The department also reminded the public Thursday that carrying a firearm "within 1,000 feet of any First Amendment activity," including "members of the public who have been issued a Concealed Carry Permit in the District of Columbia," is strictly prohibited.
