Good afternoon,

The Metropolitan Police Department’s Joint Operations Command Center (JOCC) will be operational for two (2) upcoming events:

1. **Thursday, December 31, 2020 at 1800 hours** for New Year's Eve activities throughout the District. It will remain activated until all events clear.

2. **Wednesday, January 6, 2021 at 0700 hours** for First Amendment demonstrations throughout the District. It will remain activated until all events clear.

If you would like to have a representative for either (or both) of these JOCC activations, please reply directly to me providing the name and contact information for the representative, as well as the hours we should expect the representative to be in the JOCC. I will try my best to ensure that he or she has seating during the event. Please keep in mind that we are extremely limited in spacing due to the current health pandemic and the need to practice social distancing.

Therefore, we are only allowing for one representative from an agency in the JOCC at a time. If you are no longer the point of contact for your agency, please reply and let me know who the point of contact should be.
Health/temperature screenings will be required upon entry into the JOCC. Additionally, face masks are required while inside of MPD facilities. While MPD will have some spare personal protective equipment (PPE) and cleaning materials on site, it is highly recommended that representatives bring their own.

There will not be meals provided during the activation, so please ensure you bring all the personal food and beverage you require for your tour of duty. There are some vending machines in the building as well. Unfortunately, there will be no available refrigerators, so if needed please bring a small cooler if needed. There are some local restaurants that deliver to headquarters as well.

There is wireless connectivity in the JOCC and it is an UNCLASSIFIED/FOUO/LES operating environment, so laptops, cell phones, and agency radios are authorized. If you do not have a laptop with a wireless connection, there are a limited number of DC government computers at some of the work stations that we can facilitate access through. Please let us know if this is the case ahead of time.

As always, thank you for your continued support.

Respectfully,

Good evening,

No new open source information has been discovered related to POTUS’ visit to Mar-a-Lago on December 23, 2020 to January 1, 2021.

- The visit was mentioned briefly on local news again this evening however motorcade routes were not mentioned. The local newspaper has reported that President Trump will arrive tomorrow evening “sometime after 6:30pm on Wednesday and will stay through Jan. 1.” Additionally it has been reported that POTUS will stay at Mar-a-Lago but “it’s unclear who will be staying with him during his 10 day stay or what his plans are.” WPBF, the local news station confirmed that invitations for the NYE party have been sent out. They advise of road closures on South Ocean Blvd and also reported that the church “Bethesda By the Sea” where the Trumps were married and have attended services in the past would only be holding virtual services this year.

- According to PBSO, we can expect mostly pro-Trump demonstrators to line the street from the airport to the bridge leading into MAL. The other area historically known as a gathering point for demonstrators is St. Catherine’s Greek Orthodox Church which is located just before the bridge leading to MAL. To date, PBSO states they have never had anyone attempt to disrupt the M/C movements.

- An update to our “sonic attack” tip. According to Region 3, “this case was discussed during the R3 morning meeting the file was updated. No further investigation or documents are requested at this time.”

- News and social media focused on President Trump reportedly signing an executive order to standardize new federal buildings to a classical look. There was also chatter requesting President Trump to veto the latest COVID relief bill. A Twitter post by President Trump stated there will be a “big protest in D.C. on January 6,” which continues to gain significant social media attention.
• In case you didn’t read through the 60+ slides sent out the other night, be advised that open carry in FL is illegal except in some instances such as actively hunting, at the gun range, or while fishing. PBSO advised that it is not unusual for some demonstrators to have a fishing pole and line in the water near the bridge leading to MAL open carrying assault style rifles. In the past, they were demonstrating for 2A rights. No incidents have arised from those demonstrations.

• If you’re new to Florida, be advised that guns will be found at the main checkpoint in vehicles. Usually, they are legal. Please keep this in mind if you hear that a weapon was found during vehicle screening. Additionally, you can expect people to attempt to drop off Christmas cards, COVID vaccines, etc. to the main vehicle check point.

If you have any questions or concerns, please call or email.

Very Respectfully,

Good evening,

No new information has been discovered related to POTUS’ visit to Mar-a-Lago on December 23, 2020 to January 1, 2021.

The visit was mentioned briefly on local news however motorcade routes and sensitive information were not mentioned.

The “sonic attack” tipster was interviewed by USSS/MIA/JTTF today and the information was passed to PID. Again, this tip was not specific to our visit. Additionally, at this time, this tip has not been deemed credible.

Again, if you read the slides provided to the post standers you will see mention of a rally supporting POTUS. That was an error on my part, as that rally occurred during the October visit to Mar-a-Lago.

If you hear from your local law enforcement contacts anything of protective intelligence importance, please do not hesitate to pass that information along.

At this time there have been no exclusions from any of the planned sites.

If you have any questions or concerns, please call or email.

Very Respectfully,

Good evening,

In preparation for the President of the United States’ visit to Palm Beach, Florida on December 23, 2020, Open Source Unit (OSU) conducted open source research for protective intelligence information related to the visit. Social media and general internet searches did not reveal any awareness or attention for the visit, nor was any information of protective intelligence value discovered.

At this time, the open source unit has not identified any planned demonstrations for the upcoming visit. The visit has received little to no local media coverage. Details regarding the method of travel and motorcade route have not been revealed.

As mentioned at the countdown meeting, USSS/MIA forwarded information to the PIOC regarding a sonic attack on POTUS on January 6, 2021. That information was received, evaluated, and researched. It was determined that there would be no PIOC alert and the report would be forwarded to Region 3 for a decision on how to proceed with this information in the near future.

There was no mention of Mar-a-Lago but because of the geographical proximity of the subject (about 45 minutes to an hour south of Palm Beach), USSS/MIA forwarded the information to me for situational
awareness. FYI, the subject specifically said the “sound weapon” could be smuggled into electronic devices, specifically a camera.

If you hear from your local law enforcement contacts anything of protective intelligence importance, please do not hesitate to pass that information along.

If you have any questions or concerns, please call or email.

Very Respectfully,

Nice job. Attached is our collective feedback. My edits were minor.

Thanks. Nice work. I cleaned up some formatting and posed a few questions, but overall, it was very well done. Will provide our collective feedback in a bit.

Please see the attached Wild Protest briefing for Jan 6, 2021. It has been saved in the I drive. If you need me to come in early tomorrow, I could probably do it again, it takes me about 45 mins to drive in, so I just need a heads up.
Wild Protest

Background

Since the 2020 election, demonstrations have been organized nationwide advocating for President Trump and speaking out against the election results. On November 14, 2020, a consortium of private citizens and pro-Trump groups hosted a demonstration gathering in Washington, DC, which resulted in an estimated 11,000 gathered participants at Freedom Plaza, who marched to the Capitol and Supreme Court, and in December 2020, another pro-Trump gathering in Washington, DC, resulted in approximately 20,000 participants. During each event, counter protests occurred, resulting in altercations and arrests. In both events combined, ten MPD police officers were assaulted, sustaining non-life threatening injuries. Groups of counter-protesters also gathered to protest the march, and there were reported altercations between the Pro-Trump and Anti-Trump demonstrators. MPD reported 21 arrests and four officers who received non-life-threatening injuries during the day’s events. For additional information, please refer to the PID After Action Talking Points the Million MAGA March After Action Nov 16 2020.pdf (dhs.gov).

On December 12, 2020, a March for President Trump was organized in Washington, DC. Official numbers for this event have been conflicting in news media. According to the Million MAGA March website, 23,000 people were in attendance. Social media numbers prior to the event indicated 19,897 participants planned on attending and an additional 1,470 were interested. News media alleged altercations between the Pro-Trump protesters and counter-protesters resulted in 23 arrests, including six assaults on police officers, and eight individuals, including two officers, were taken to the hospital with non-life-threatening injuries.
Following the December 12, 2020 demonstrations, individuals have continued to speak out against the 2020 Presidential election results. Various President-pro-Trump supporters have begun organizing another large scale demonstration to occur on January 6, 2021, the day Congress is scheduled to certify the Electoral College vote for President-elect Joe Biden. As momentum for the demonstrations increased, President Trump tweeted on December 19, 2020 to encourage his supporters to come to DC and protest, claiming, “Be there, will be wild!” Individuals chose this tagline for the upcoming protest, naming it the “Wild Protest.” The hashtag #WildProtest has been widely used to discuss and promote the event. President Trump tweeted again on December 27, 2020, promoting the protest. As of December 29, 2020, social media indicated 3,271 participants planning on attending, and an additional 10,707 are interested.

Organizers

Stop The Steal (NRID), Million MAGA March (NRID), Women for America First (NRID), March for Trump (NRID), and other pro-Trump groups, along with private citizens, have promoted event pages for the event.

Proud Boys is a right-wing group founded in 2016 by Gavin McInnes as a “pro-Western fraternal organization.” They are of record with USSS for demonstration activity since 2017; no civil disobedience or arrests were recorded. For more information on the Proud Boys, please see the Protective Intelligence Brief Proud Boys Talking Points.

Hotel Harrington, an alleged hangout/hotel for the Proud Boys, made a statement on December 28, 2020, announcing their closing from January 4-6, 2021, during the protests for “safety of visitors and employees.” According to news media, four individuals were stabbed outside the Hotel during the protests on December 12, 2020, when Proud Boys members clashed with counter protesters. Proud Boys...
self-proclaimed Chairman, Enrique Tarrio (NRID), made a statement on Parler regarding the closing of Hotel Harrington, claiming the Proud Boys outgrew the hotel and were planning on protesting during that time and staying at various locations.

Call to Protest

On January 6, 2021, a consortium of private citizens and pro-Trump groups reportedly will host the Wild Protest in Washington, DC. The groups intend to demonstrate in support of President Trump and speak out against the pending 2020 election results. Numerous groups have claimed to be protesting at the US Capitol, with fewer others staying protesting at the White House.

#WeAreTheStorm, #1776Rebel, #OccupyCapitols have gained attention as the protest on January 6, 2021, approaches. With the argument that individuals were able to occupy other areas, including Black Lives Matter Plaza, and the Capitol Hill Organized Protest/Capitol Hill Autonomous Zone, President Trump supporters have proposed a movement to Occupy Capitol Hill. This movement is supported by Ali Alexander’s post regarding bringing tents, food, sleeping bags, and water. Individuals who cannot come to Washington, DC, are encouraged to occupy their local Capitol. The quote featured on the flyer is from Abraham Lincoln, “We the people are the rightful masters of both Congress and the courts, not to overthrow the Constitution, but to overthrow the men who prevent the Constitution.”

Commented [SH4]: How many likes or re-posts did this post get? i.e., can we gauge the likelihood of this by the response to Alexander’s post?

Counter Demonstrations

There are several counter-demonstrations planned for January 6, 2021. OSB has observed fewer social media activity and chatter for these counter-demonstrations than during previous pro-Trump demonstrations. The themes emerging from social media chatter amongst the counter protestors is similar to the rhetoric espoused during prior protests; the groups are attempting to keep Proud Boys and other Pro-Trump groups out of Washington, DC.

Several local groups have shared the news regarding Hotel Harrington closing from January 4-6, 2021, in preparation for the protest and have encouraged followers to contact other local hotels and to encourage them to shut down as well. Although ShutDownDC (RID), All Out DC (RID), and Black Lives Matter DC (RID), have shared the news regarding the Hotel Harrington on social media, they have not publicly announced any details regarding plans to protest.

The themes emerging from the social media chatter from the counter-protests appear to be similar to those discovered for December 12, 2020 protests. The groups are attempting to keep Proud Boys and other Pro-Trump groups out of Washington, DC.

On January 6, 2021, at an unknown time, the group Refuse Fascism (RID) will host a demonstration in Washington, DC, called “Opposing Trump’s Moves to Overturn the Election.” The purpose of this demonstration is to speak out during the pro-Trump demonstrations. There was no indication of civil disobedience. Current numbers of planned participants are not indicated unknown at this time.
On January 6, 2021, at an unknown time, the groups They Them Collective (RID), Total Liberation Collective (NRID), DC Protests (NRID), Good TroubleCo.op (NRID), Smash the Fash NOVA (NRID), and DC Youth Liberation Front/DCYLF (RID) will host a demonstration in Washington, DC, called “Alert: Terrorists in Town Jan 3-6, 17-23.” The purpose of this demonstration is to speak counter demonstrate during the Proud Boys (RID) and Stop the Steal demonstrations. There was/is no indication of civil disobedience. Current numbers of planned participants was not indicated are unknown at this time.

On January 6, 2021, at 1:00 PM, the groups Insurgence USA (NRID) and Protest Live (NRID) will host a demonstration in Washington, DC, called “No Fascist in DC – March Against Fascism.” The group intends to meet at the Washington Monument. The purpose of this demonstration is to speak out against fascism. There was/is no indication of civil disobedience. According to Facebook, currently indicates 6 people are going, and 53 are interested.

On January 6, 2021, from 12:00 PM to 3:00 PM, the group I Approve This Message (NRID) will host a demonstration at the US Capitol Building called “Donald, You’re Fired! March on DC.” The purpose of the demonstration is to “witness this momentous occasion. Upon the declaration of the results of the 2020 elections, held on November 3rd, 2020, We the People will proceed, peacefully and safely, from the Capitol Building to the White House to deliver the message to Mr. Trump, Donald Trump, You’re Fired!” There is no indication of civil disobedience. According to Facebook, currently indicates 6 people are planning to attend going, and 19 are interested.

Refuse Fascism has demonstrated on numerous occasions at the White House and temporarily protected sites. One demonstration in 2017, held near Trump Tower in New York City, in 2017 ended with arrests for disorderly conduct and failure to obey.

TheyThem Collective is of record for a demonstration at the White House in November 2020. The demonstration concluded without incident or arrest.

DC Youth Liberation Front is of record with the USSS, for a demonstration in August 2020 near Meridian Park. The group utilized sound equipment and MPD made several arrests for damaging 30 vehicles, destroying two police cruisers, defacing government property, setting fires, and breaking windows.

ShutDownDC has demonstrated on numerous occasions in relation to social justice in Washington, DC, as well as outside Acting DHS Secretary Chad Wolf’s home. A ShutDownDC demonstration on June 2, 2020, resulted in one arrest for possession of an imitation pistol and a BB gun.

All Out DC is of record with the USSS; for numerous demonstrations at the White House. During an All Out DC demonstration in June 2020, protestors were observed using fireworks, obstructing roads, and throwing debris at officers. MPDC used smoke to clear the area and the demonstration concluded with one arrest for threats.

Black Lives Matter has demonstrated on numerous occasions at the White House and temporarily protected sites. The group has previously used sound equipment. One demonstration on June 4, 2020, concluded with one arrest after gas cans and fireworks were observed inside a subject’s vehicle. Two arrests were made during a demonstration on June 2, 2020, for possession of an imitation pistol and possession of a BB gun.
Dark Web

No organization efforts for events on January 6, 2021, have been identified on the dark web at this time.

Road Closures

Metropolitan Police DC (MPDC) has not made an official announcement regarding any road closures at this time.

Assessment

Many of the groups planning to engage in demonstration activities on January 6, 2021, are the same which participated in demonstration activities on November 14, 2020, and December 12, 2020, where clashes ensued between pro-Trump and anti-Trump supporters. As a result of the indicated participants, as well as an observed increase in social media chatter from protestors, PID assesses while the majority of individuals will remain peaceful, clashes between demonstrating groups are likely.
We’re looking at more demos on January 6th.

Let’s plan on staffing the MPDC JOC and having another augment for PPD/UDW.
Thank you, and sorry...

Subject: Metropolitan Police Department's Joint Operations Command Center (JOCC) - Upcoming Activations - December 31, 2020 and January 6, 2021

Good afternoon,

The Metropolitan Police Department's Joint Operations Command Center (JOCC) will be operational for two (2) upcoming events:

1. **Thursday, December 31, 2020 at 1800 hours** for New Year's Eve activities throughout the District. It will remain activated until all events clear.

2. **Wednesday, January 6, 2021 at 0700 hours** for First Amendment demonstrations throughout the District. It will remain activated until all events clear.

If you would like to have a representative for either (or both) of these JOCC activations, please reply directly to me providing the name and contact information for the representative, as well as the hours we should expect the representative to be in the JOCC. I will try my best to ensure that he or she has seating during the event. Please keep in mind that we are extremely limited in spacing due to the current health pandemic and the need to practice social distancing.

Therefore, we are only allowing for one representative from an agency in the JOCC at a time. If you are no longer the point of contact for your agency, please reply and let me know who the point of contact should be.

Health/temperature screenings will be required upon entry into the JOCC. Additionally, face masks are required while inside of MPD facilities. While MPD will have some spare personal protective equipment (PPE) and cleaning materials on site, it is highly recommended that representatives bring their own.
There will not be meals provided during the activation, so please ensure you bring all the personal food and beverage you require for your tour of duty. There are some vending machines in the building as well. Unfortunately, there will be no available refrigerators, so if needed please bring a small cooler if needed. There are some local restaurants that deliver to headquarters as well.

There is wireless connectivity in the JOCC and it is an UNCLASSIFIED/FOUO/LES operating environment, so laptops, cell phones, and agency radios are authorized. If you do not have a laptop with a wireless connection, there are a limited number of DC government computers at some of the work stations that we can facilitate access through. Please let us know if this is the case ahead of time.

As always, thank you for your continued support.

Everyone,

On 1/06/21, there is another planned Million MAGA March. Additionally, there are numerous other groups intending to host demonstrations in Washington, DC. PID is currently tracking 20 groups hosting various demonstrations, predominately election related. Demonstrations are currently expected in Freedom Plaza, Capitol Hill, and the National Mall. At this time, there are no indications of civil disobedience. Participation numbers for several groups are currently low, while others are unknown at this time. The PDLs and OSB personnel will continue to update information on the groups planning to attend, as well as the anticipated attendance numbers.

PID will take a similar posture to our response to the previous Million MAGA Marches. All sections should identify personnel to man the Director’s Crisis Center during both the dayshift and evening shift.

Each section should provide PID Ops with the names of the personnel assigned and their scheduled hours for the DCC coverage.

Please contact OPS with any questions or concerns.

Thanks,

Wild Protest

Background

Since the 2020 election, demonstrations have been organized nationwide advocating for President Trump and speaking out against the election results. On November 14, 2020, a consortium of private citizens and pro-Trump groups hosted a demonstration gathering in Washington, DC, which resulted in an estimated 11,000 gathered participants at Freedom Plaza, who marched to the Capitol and Supreme Court, and in December 2020, another pro-Trump gathering in Washington, DC, resulted in approximately 20,000 participants. During each event, counter-protests occurred, resulting in altercations and arrests. In both events combined, ten MPD police officers were assaulted, sustaining non-life threatening injuries. Groups of counter-protesters also gathered to protest the march, and there were reported altercations between the Pro-Trump and Anti-Trump demonstrators. MPD reported 21 arrests and four officers who received non-life-threatening injuries during the day’s events. For additional information, please refer to the PID After Action Talking Points the Million MAGA March After Action Nov 16 2020.pdf (dhs.gov)

On December 12, 2020, a March for President Trump was organized in Washington, DC. Official numbers for this event have been conflicting in social media. According to the Million MAGA March website, 23,000 people were in attendance. Social media numbers prior to the event indicated 19,807 participants planned on attending and an additional 1,470 were interested. News media alleged altercations between the Pro-Trump protesters and counter-protesters resulted in 23 arrests, including six assaults on police officers, and eight individuals, including two officers, were taken to the hospital with non-life threatening injuries.
Following the December 12, 2020 demonstrations, individuals have continued to speak out against the 2020 Presidential Election results. Numerous President pro-Trump supporters have begun to organize another large scale demonstration to occur on January 6, 2021, the day Congress is scheduled to certify the Electoral College vote for President-elect Joe Biden. As momentum for the demonstrations increased, President Trump tweeted on December 19, 2020 to encourage his supporters to come to DC and protest, claiming, “Be there, will be wild!” Individuals chose this tagline for the upcoming protest, naming it the “Wild Protest.” The hashtag #WildProtest has been widely used to discuss and promote the event. President Trump tweeted again on December 27, 2020, promoting the protest. As of December 29, 2020, social media indicated 3,271 participants planning on attending, and an additional 10,707 are interested.

Organizers

Stop The Steal (NRID), Million MAGA March (NRID), Women for America First (NRID), March for Trump (NRID), and other pro-Trump groups, along with private citizens, have promoted event pages for the event.

Proud Boys is a right-wing group founded in 2016 by Gavin McInnes as a “pro-Western fraternal organization.” They are of record with USSS for demonstration activity since 2017; no civil disobedience or arrests were recorded. For more information on the Proud Boys, please see the Protective Intelligence Brief Proud Boys Talking Points.

Hotel Harrington, an alleged hangout/hotel for the Proud Boys, made a statement on December 28, 2020, announcing their closing from January 4-6, 2021, during the protests for “safety of visitors and employees.” According to news media, four individuals were stabbed outside the Hotel during the protests on December 12, 2020, when Proud Boys members clashed with counter protesters. Proud Boys’
Call to Protest

On January 6, 2021, a consortium of private citizens and pro-Trump groups reportedly will host the Wild Protest in Washington, DC. The groups intend to demonstrate in support of President Trump and speak out against the pending 2020 election results. Numerous groups have claimed to be protesting at the US Capitol, with few other groups staying protesting at the White House.

#WeAreTheStorm, #1776Rebel, #OccupyCapitol have gained attention as the protest on January 6, 2021, approaches. With the argument that individuals were able to occupy other areas, including Black Lives Matter Plaza; and the Capitol Hill Organized Protest/Capitol Hill Autonomous Zone, President Trump supporters have proposed a movement to Occupy Capitol Hill. This movement is supported by Ali Alexander’s post regarding bringing tents, food, sleeping bags, and water. Individuals who cannot come to Washington, DC, are encouraged to occupy their local Capitol. The quote featured on the flyer is from Abraham Lincoln, “We the people are the rightful masters of both Congress and the courts, not to overthrow the Constitution, but to overthrow the men who prevent the Constitution.”

From January 5, 2021, at 6:00 AM, to January 7, 2021, at 4:30 PM, the individual (b)(6); (NRID) will host a demonstration called “BTT heads to Washington DC for Trump Victory Rally” at the White House. The purpose of this event is to “rally for a Trump Victory.” There is no indication of civil disobedience. According to Facebook, 7 people are going, and 25 are interested.

From January 5, 2021, at 10:00 AM, to January 6, 2021, at 08:00 PM, the individual (b)(6); (NRID) will host a demonstration called “March on Congress Caravan” at 1st St SE, Washington, DC. The purpose of the event is to caravan to Washington, DC, from Florida, and support the United States and free and fair elections. There is no indication of civil disobedience. According to Facebook, 4 people are going, and 2 are interested.

On January 5, 2021, at 10:00 PM, the individual (b)(6); (NRID) and the group New Jersey Patriot Events (NRID) will host a demonstration called “Washington DC 5th - 6th Trip” at the National Mall. The purpose of the event is to support President Trump. There is no indication of civil disobedience. According to Facebook, 66 people are going, and 196 are interested.
On January 6, 2021, at an unknown time, Proud Boys (RID) will host an unnamed demonstration in Washington, DC. The purpose of this demonstration is to join the other pro-Trump demonstrations. There was no indication of civil disobedience. The group advised they will not wear their traditional black and yellow attire, and will dress “incognito.” The group self-reported plans to demonstrate in smaller groups throughout DC. Current numbers of planned participants were not indicated, but the group stated they will “turn out in record numbers.”

On January 6, 2021, at an unknown time, the group The First Heavy Metal Church of Christ (NRID) will host an event called, “Patriots Part 2020 in D.C.” in Washington, DC.
