Dear Nikhel Sus:

This letter responds to your Freedom of Information Act (FOIA) request dated January 10, 2021. Your request is now in litigation, cited as *CREW v. DOJ, et al.*, 1:21-cv-572 (D.D.C.).

Your request is for:

1. All records from December 1, 2020, to January 6, 2021, relating to DOD, the National Guard, or the Army providing assistance or support to the D.C. Metropolitan Police Department in connection with the January 6, 2021 congressional session to count electoral votes.
2. All records reflecting the parameters for the National Guard's deployment to D.C. on January 6, 2021, including any limitations imposed on the number of personnel deployed, their movement within the District, or their use of force.
3. All communications with the D.C. Mayor's Office or the D.C. Metropolitan Police Department regarding the parameters for the National Guard's deployment to D.C. on January 6, 2021."

Our search yielded the attached responsive records. These records are part of a continuous rolling release over the course of the litigation. This release consists of 60 pages.

We have redacted material under Exemptions (b)5, (b)6, and (b)7(E).

Exemption 5 of the FOIA 5 U.S.C. § 552(b)(5)

Exemption 5 protects "inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency." 5 U.S.C. § 552(b)(5). Courts have interpreted Exemption 5 to encompass the privileges recognized by statute or case law in the civil discovery context. See *U.S. v. Weber Aircraft Corp.*, 465 U.S. 792, 800 (1984); *FTC v. Grolier Inc.*, 462 U.S. 19, 26 (1983) at 26, *NLRB v. Sears, Roebuck & Co.*, 421 U.S. 132, 149 (1975). In this case,

the applicable privileges that serve as bases for citing Exemption 5 are the Deliberative Process Privilege and Attorney-Client Privilege.

Deliberative Process Privilege

Exemption 5 of the FOIA which protects from disclosure “interagency or intra-agency memorandums or letters which would not be available by law to a party. . . in litigation with the agency”: 5 U.S.C. Section 552(b)(5)(1994). Exemption 5 includes the “Deliberative Process Privilege,” which protects from release agency records that disclose the agency’s decision-making process. *NLRB V. Sears, Roebuck & Co.*, 421 U.S. 132, 95 S.Ct. 1504, 44 LEd.2d. 29 (1975) and *Jordan v. Department of Justice*, 591 F.2d 75.3 (D.C. Cir. 1978) (en banc). In this case, the document you requested contains specific recommendations and frank opinions. As such, it forms part of the “give-and-take” between agency officials involved in the decision-making process. These recommendations and opinions do not necessarily represent the views of the Department of the Army. Release of such pre-decisional and deliberative exchanges would chill the open communication between Federal employees as they would fear that their developing thoughts and opinions would be shared with the public. Accordingly, this information is exempt from release under the deliberative process privilege of exemption (b)(5) of the FOIA.

Attorney-Client Privilege

The attorney-client privilege protects “confidential communications between an attorney and his client relating to a legal matter for which the client has sought professional advice.” *Mead Data Central, Inc. v. Dept. of the Air Force*, 566 F.2d 242, 252 (D.C. Cir. 1977). Additionally, the privilege protects communications containing purely factual information divulged by a client to the attorney and any opinions given by an attorney to his client based upon those facts.” *Electronic Privacy Info. Ctr., v. Dept. of Homeland Security*, 384 F. Supp. 2d 100, 114 (D.D.C. 2005).

Exemption 6 of the FOIA 5 U.S.C. § 552(b)(6)

Exemption (b)(6) of the FOIA protects from mandatory disclosure “personnel and medical files the disclosure of which would constitute a clearly unwarranted invasion of privacy.” 5 U.S.C. § 552(b)(6) (2011). To qualify for protection under Exemption (b)(6), records must meet two criteria: (1) they must be “personnel and medical files and similar files,” (2) the disclosure of which “would constitute a clearly unwarranted invasion of personal privacy.” *Id.*; *United States Dep’t of State v. Washington Post Co.*, 456 U.S. 595, 599-603 (1982). The first prong is met if the information “appl[ies] to a particular individual” and is “personal” in nature. *New York Times Co. v. NASA*, 852 F.2d 602, 606 (D.C. Cir. 1988). The second prong requires courts to strike a “balance between the protection of an individual’s right to privacy and the preservation of the public’s right to government information.” *United States Dep’t of State v. Washington Post Co.*, 456 U.S. 595, 599 (1982). The “public interest” in the analysis is limited to the

“core purpose” for which Congress enacted the FOIA: to “shed . . . light on an agency’s performance of its statutory duties.” *United States Dep’t of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 773 (1989).

We are withholding telephone numbers and other contact information for all Army personnel (e.g., e-mail addresses, telephone-line numbers) and third-party information under Exemption 6. 5 U.S.C. § 552(b)(6). See *Judicial Watch, Inc. v. United States*, No. 03-1160, 2004 WL 26736, at *4 (4th Cir. Jan. 6, 2004). Under the Exemption (b)(6) balancing test, the Supreme Court held in a similar case that disclosure of employee addresses “would not appreciably further the citizens’ right to be informed about what their Government is up to and, indeed, would reveal little or nothing about the employing agencies or their activities.” *United States Dep’t of Defense v. Fed. Labor Relations Auth.*, 510 U.S. 487 (1994). The same is true here regarding telephone numbers. Disclosure of the names, contact, and personal information of government employees would contribute little to the public’s understanding of government activities. By contrast, such disclosure would constitute a “non-trivial” and “not insubstantial” invasion of government employees’ privacy interests. *Id.* at 500, 501.

Exemption 7 of the FOIA 5 U.S.C. § 552(b) 7(E)

Exemption (b)7(E) of the FOIA protects from mandatory disclosure law enforcement records and affords protection to all law enforcement information that “would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.” 5 U.S.C. § 552(b)(7)(E). Information withheld under these exemptions have been appropriately marked.

The Honorable Ryan D. McCarthy,

Mr. Secretary,

Sir, this afternoon I received a call from Dr. Chris Rodriguez, Director of the District of Columbia Homeland and Security Management Agency (HSEMA) requesting DCNG support on 5 and 6 January 2021 to assist the MPD and Fire and Emergency Medical Services (FEMS). Mr. Secretary we have yet to receive a formal request for assistance, however our MPD liaison advises the request will be for the DCNG to augment 30 Traffic Control Points and six Metro Stations. Sir, FEMS is going to request the 33rd Civil Support Team assist them.

Sir, we anticipate [B5] DCNG Guardsmen will be required to assist the District on both days with two 12 hour shifts. Mr. Secretary, the attached slides outline the plan to support the two District agencies upon receipt of a formal request and your approval.

Mr. Secretary, we remain in continuous communication with Federal and District Government law enforcement authorities and as of 1700 hours this evening, no Federal requests for assistance have been made, and with the possible exception of the U.S. Secret Service, none are anticipated. Sir, the Secret Service will let us know by Monday if they will request our support.

Mr. Secretary, I am standing by to answer any questions. Sir, I will provide additional details and any updates as they become available. Happy New Year Sir.

 - o Crowd management at Metropolitan Transit Stations.
 - o Establishment of traffic control points.
 - o The 33rd Civil Support Team to conduct their core tasks of detection, technical decontamination, analytical laboratory suite support, and CST operations and communications support.
- Approval of this request is predicated on the following conditions being met:
 - o The establishment of a lead federal agency for enhanced coordination of all agencies.

- o The estimated numbers for the demonstrations exceed the local and federal agencies' ability to address the risk.
- o All other federal agencies have exhausted their assets to support these events.
- The request is under review by Department of Defense leadership.
- The DCNG will be postured to support; however, will not commit until the request for support is approved by Department of Defense leadership.

Attached is a draft letter (word document) that the SA would like to sign and send to the SEC DEF tomorrow. Request that you have your team put it in SA format and tweak as required for his style.

The SA would also like to meet with the A/SD in person tomorrow at 0900 (with the CSA). He told me it was re-scheduled as a phone call. I will engage but would like you to engage as well.

BG LaNeve,

Please add as required.

Major General William J. Walker
Commanding General
District of Columbia National Guard
2001 East Capitol Street, SE
Washington, DC 20003

Dear Major General Walker:

As you know, First Amendment demonstrations permitted by the National Park Service are scheduled to occur in the District of Columbia on Tuesday, January 5, 2021 and Wednesday, January 6, 2021. As a result, District Government requests DC National Guard (DCNG) support, as these demonstrations will follow similar events on November 14, 2020 and December 12, 2020, which resulted in a large influx of participants, violence and criminal activity.

The District of Columbia is requesting personnel from the DCNG. Further, DCNG will support operations for both the Metropolitan Police Department and the DC Fire and Emergency Medical Services. Finally, no DCNG personnel shall be armed during this mission, and at no time, will DCNG personnel or assets be engaged in domestic surveillance, searches, or seizures of US persons.

Director Christopher Rodriguez of the District's Homeland Security and Emergency Management Agency will provide the requirements of and more details related to the mission. I request that you immediately connect with Director Rodriguez to discuss this critical request. Thank you for your immediate assistance.

Sincerely,

Dear General Walker,

As you know, First Amendment demonstrations permitted by the National Park Service are scheduled to occur in the District of Columbia on Tuesday, January 5, 2021 and Wednesday, January 6, 2021. As a result, District Government requests DC National Guard (DCNG) support, as these demonstrations will follow similar events on November 14, 2020 and December 12, 2020, which resulted in a large influx of participants, violence, and criminal activity. I can confirm that the requesting DC agencies below have exhausted their organic capabilities in accordance with the Seven Step Call-Up process for DCNG support. This request is made on behalf of, and with concurrence from, The Honorable Muriel Bowser, Mayor of Washington, DC.

First, to support the Metropolitan Police Department's (MPD) security mission, it is requested that members of DCNG be activated to assist MPD. Due to the size of these events, all available MPD resources will be deployed and the assistance of DCNG will be essential in supporting the security plan. The mission of DCNG during this activation will primarily be crowd management and assistance with blocking vehicles at traffic posts. Specifically, DCNG is requested to provide:

- Six (6) crowd management teams to manage crowds at specified Metro stations and prevent overcrowding on Metro platforms;
- A team to assist at thirty (30) designated traffic posts.

DCNG should be prepared to staff these locations from 0730 hours until 2400 hours on both Tuesday, January 5, 2021 and Wednesday, January 6, 2021. In addition, it is requested that DCNG members be equipped with visibility vests and lighted traffic wands to assist with this mission. The availability of resources to assist MPD would greatly enhance our ability to successfully accomplish our mission of securing the safety of the residents and visitors of the District of Columbia.

Second, the DC Fire and Emergency Medical Services Department (FEMS) requests that members of the Civil Support Team (CST) conduct the following five (5) tasks on request: (1) Chemical, Biological, Radiation, Nuclear monitoring, and hazardous material on-site support; (2) provide liaisons at all required locations; (3) provide technical decontamination support; (4) provide Analytical Laboratory System support; and (5) provide CST Operations and Communications capability support. FEMS would like CST support to begin at 0700 hours on Tuesday, January 5, 2021 and conclude at 0700 hours on Thursday, January 7, 2021—or when released by FEMS. The CST will be partnered with FEMS throughout this mission, and DCNG will coordinate with FEMS to ensure support requirements are complete. DCNG's chain-of-command will remain intact for purposes of administrative and operational control.

No DCNG personnel will be armed during this mission. At no time will DCNG personnel or assets be engaged in domestic surveillance, searches, or seizures of US persons. If there are any questions about this request, please contact me. Thank you for your assistance in this matter.

Respectfully,

Dr. Christopher Rodriguez

MEMORANDUM FOR MG William J. Walker, Commanding General, District of Columbia National Guard (DCNG), 2001 East Capitol Street, SE, Washington, DC 20003-1719

SUBJECT: Mission analysis for District of Columbia National Guard support on 5-7 January 2021

1. The Director, District of Columbia Homeland Security and Emergency Management Agency (HSEMA), with the concurrence of the Mayor, requests District of Columbia National Guard (DCNG) support to provide crowd management, Traffic Control Points (TCPs) and the 33rd Civil Support Team (CST) from 5-7 January 2021. HSEMA requests that the DCNG provide direct support to the Metropolitan Police Department (MPD) and the Fire and Emergency Medical Services Department (FEMS) as follows:

- a. MPD – Daily support from 0730-2400 on 5-6 January 2021
 - (1) Provide six crowd management teams at specified Metro stations and prevent overcrowding on Metro platforms;
 - (2) A team to assist at 30 designated traffic posts.
- b. FEMS – Support from 0700 on 5 January to 0730 on 7 January 2021 or when released by FEMS
 - (1) Chemical, Biological, Radiological, Nuclear monitoring and hazardous material on-site support;
 - (2) Liaisons at all required locations;
 - (3) Technical decontamination support;
 - (4) Analytical Laboratory System support;
 - (5) CST operations and communications capability support.

3. The Joint Staff has analyzed these requests and determined that the DCNG requires approximately **7E** Guardsmen to execute this mission. This number includes our command, staff, liaisons, maintenance teams, food services,

administrative support, communication support and medical support requirements.

4. In order to conduct the specified tasks above, to include all implied tasks, recommend an initial **troop cap of 7E** Army and Air Guardsmen. Additional support, if required, is postured with **7E** Guardsmen on 3-hour response and **7E** Guardsmen on 6-hour response.

5. Guardsmen will partner with MPD or FEMS throughout the course of this mission and the support activities listed will benefit individual and unit training readiness. The DCNG will maintain command and control of Guardsmen and serve solely in a support role. Any DCNG engagement in law enforcement activities will require Guardsmen to be sworn in as special police by the Metropolitan Police Department or Federal Law Enforcement agency prior to conducting such activities. All Guardsmen will serve in a reserve status pursuant to Title 32 U.S.C. § 502(f). The Federal Tort Claims Act, 28 U.S.C. 2671-2680, is applicable to National Guard serving under Title 32 orders. Therefore, all Guardsmen acting within the course and scope of their duties for purposes of this mission possess civil liability protection. Guardsmen will be unarmed during the mission and at no time will the Guardsmen or assets engage in domestic surveillance, searches or seizures of U.S. persons.

6. The POC for this memorandum is the undersigned at **B6**

The Honorable Ryan D. McCarthy
Secretary of the Army
101 Army Pentagon, Room 3E560
Washington, D.C. 20310-0101

Dear Secretary McCarthy:

Enclosed are letters from Mayor Muriel Bowser, and Dr. Christopher Rodriguez, Director, District of Columbia Homeland Security and Emergency Management Agency (HSEMA), on behalf of the District of Columbia Metropolitan Police Department (MPD) and District of Columbia Fire and Emergency Service (DCFEMS), (see enclosures 1 and 2). The Mayor requests the District of Columbia National Guard (DCNG) provide support from 0700 until 2400, 5-6 January 2021 to respond to planned First Amendment demonstrations. The details of the HSEMA request includes crowd management at Metropolitan Transit Stations, to stage vehicles at designated traffic control points for MPD; and for DCFEMS that the 33rd Civil Support Team (CST) conduct their core tasks for detection, technical decontamination, analytical laboratory suite support, and CST operations and communications capability from 0700 until release 5-7 January 2021 (see enclosure 2).

The DCNG analyzed the request for support (see enclosure 3) and determined the support constitutes valid training and operational practices; is within our current capabilities and funding; is an appropriate use of DCNG forces, and will not detract from our readiness. The DCNG will not conduct domestic surveillance or law enforcement activities. The DCNG will not be armed for this event however, MPD requests that DCNG members be equipped with safety vests and lighted traffic wands to assist with this mission (see enclosures 1 thru 3). Further, MPD requests DCNG personnel supporting the mission be appointed as "Special Police" pursuant to D.C. Code § 5-129.03. MPD officers will accompany and be in the vicinity of DCNG personnel. DCNG members will provide support in a Title 32 U.S.C § 502(f) status.

I have concluded that providing this support benefits our training, readiness and retention. Dr. Rodriguez indicates that the aforementioned agencies have exhausted their organic capabilities and require DCNG assistance. Therefore, I would like to honor Mayor Bower's request for support. Accordingly, I respectfully seek your approval for the DCNG to support this mission in accordance with all applicable laws, Department of Defense policies and regulations.

Chief,

I spoke with the SA. With the updated information provided he is prepared for his 1300hr phone call.

Bottom line: [B5] Key activities that we are monitoring is 1. Lead federal agency designation 2. Full commitment of other federal agencies 3. Increase numbers of demonstrators (currently only estimated at 2 - 20K)

The SA indicated he will want to do a hot wash after his call. Time is TBD. BG LaNeve and I are prepared to take that hot wash via SVTC bridge [B6] to receive any updated guidance from the SA and incorporate in our staff planning effort and will send an update later today for the 0730 huddle tomorrow.

I will let all know on this e-mail once we have a time. But SA is not directing ASL participation he just wants to pass planning guidance back to us.

Chief,
I spoke with the SA. With the updated information provided he is prepared for his 1300hr phone call.

Bottom line: [B5] Key activities that we are monitoring is 1. Lead federal agency designation 2. Full commitment of other federal agencies 3. Increase numbers of demonstrators (currently only estimated at 2 - 20K)

The SA indicated he will want to do a hot wash after his call. Time is TBD. BG LaNeve and I are prepared to take that hot wash via SVTC bridge [B6] to receive any updated guidance from the SA and incorporate in our staff planning effort and will send an update later today for the 0730 huddle tomorrow.

I will let all know on this e-mail once we have a time. But SA is not directing ASL participation he just wants to pass planning guidance back to us.

Sec - want to make sure you are tracking the below statements that just went out. One is specific to media reporting that we denied assistance to DC. [redacted]

Statement from Miller

“Chairman Milley and I just spoke separately with the Vice President and with Speaker Pelosi, Leader McConnell, Senator Schumer and Representative Hoyer about the situation at the US Capitol. We have fully activated the DC National Guard to assist federal and local law enforcement as they work to peacefully address the situation. We are prepared to provide additional support as necessary and appropriate as requested by local authorities. Our people are sworn to defend the constitution and our democratic form of government and they will act accordingly.”

From Hoffman

Earlier this week Mayor Bowser requested approximately 340 DC national guard to assist DC police, in preparation for possible protests today. That request was approved. Today the mayor requested the full activation of the DC guard to support local and federal law enforcement as they respond to the situation at the Capitol. That request was approved. There have been no other requests from the DC government.
