Good morning, I spoke to DC-USPFO and she knows to call if any assistance needed. She is confirming if they are using the previously created TDC for Civil Unrest or using some other tracking mechanism. We got a number of questions last time. Let's hope no major issues.

**Importance:** High

Good Morning,

Below is an Army Notification – we will also send to your O&M and MILPERs PSMs.

-----

**\*\*\*For Committee Use Only\*\*\***

On 31 December 2020, Mayor Muriel Bowser and Dr. Christopher Rodriguez, Director, District of Columbia Homeland Security and Emergency Management Agency (HSEMA), on behalf of the District of Columbia Metropolitan Police Department (MPD) and District of Columbia Fire and Emergency Service (DCFEMS) requested support from the District of Columbia National Guard (DCNG). Mayor Bowser requests DCNG support from 0700 to 2400 on 5 and 6 January 2021, to support the MPD and DCFEMS response to planned First Amendment demonstrations. The HSEMA request for DCNG support includes crowd management at Metropolitan Transit Stations and establishment of traffic control points manned by DCNG Soldiers and vehicles in support of MPD. The DCFEMS requests support from the 33rd Civil Support Team (CST) to conduct their core tasks of detection, technical decontamination, analytical laboratory suite support, and CST operations and communications support from 0700 on 5 January until mission complete on 7 January 2021.

A copy of the request is attached.

The DCNG will support MPD with 340 total personnel. The DCNG disposition will be:

- a. Traffic Control Points: 90 personnel (180 total/2 shifts) operating in non-tactical vehicles
- b. Metro station support: 24 personnel (48 total/2 shifts)
- c. CST Support: 20 personnel
- d. Quick Reaction Support: 40 personnel staged at Joint Base Andrews
- e. Internal C2 and Support: 52 personnel

The Secretary of the Army has recommended to the Secretary of Defense that the DCNG support this mission if the following conditions are met:

- a. The establishment of a lead federal agency, other than DoD, to enable enhanced coordination of all entities.
- b. The estimated numbers for the demonstrations exceed the local and federal agencies' ability to address the risk.
- c. All other federal agencies have exhausted their assets to support these events.

The DCNG personnel are in the process of being recalled to support this event; however, will not commit until the Secretary approves the request for support is approved. DCNG will be limited to the specific tasks and duties authorized in the

approval memorandum.

Army senior leaders are available to discuss specifics with members as required and we will keep you updated as significant developments occur.

Secretary of the Army  
The Pentagon, Washington, D.C.

Mr. Secretary,

Sir, reference is made to our conversation today. The attached slides are the result of additional mission analysis and your request for the number of Guardsmen at each supported location to be depicted. Sir, I also added additional background on CST capabilities and support to District and Federal agencies.

Sir, I have also increased the number of Guardsmen recommended to support MPD to 340, which is closer to my original estimate of 350. Sir, the recommended 340 Guardsmen now includes a 40 person QRF from the DCNG 113th Air Security Forces Squadron, additional medical support, and more C2.

Mr. Secretary, I will be standing by this weekend for any questions you may have between now and Monday morning at 0730.

Most respectfully,

MG Walker

The Honorable Ryan D. McCarthy  
Secretary of the Army  
101 Army Pentagon, Room 3E560  
Washington, D.C. 20310-0101

Dear Secretary McCarthy:

Enclosed are letters from Mayor Muriel Bowser, and Dr. Christopher Rodriguez, Director, District of Columbia Homeland Security and Emergency Management Agency (HSEMA), on behalf of the District of Columbia Metropolitan Police Department (MPD) and District of Columbia Fire and Emergency Service (DCFEMS), (see enclosures 1 and 2). The Mayor requests the District of Columbia National Guard (DCNG) provide support from 0700 until 2400, 5-6 January 2021 to respond to planned First Amendment demonstrations. The details of the HSEMA request includes crowd management at Metropolitan Transit Stations, to stage vehicles at designated traffic control points for MPD; and for DCFEMS that the 33rd Civil Support Team (CST) conduct their core tasks for detection, technical decontamination, analytical laboratory suite support, and CST operations and communications capability from 0700 until release 5-7 January 2021 (see enclosure 2).

The DCNG analyzed the request for support (see enclosure 3) and determined the support constitutes valid training and operational practices; is within our current capabilities and funding; is an appropriate use of DCNG forces, and will not detract from our readiness. The DCNG will not conduct domestic surveillance or law enforcement activities. The DCNG will not be armed for this event however, MPD requests that DCNG members be equipped with safety vests and lighted traffic wands to assist with this mission (see enclosures 1 thru 3). Further, MPD requests DCNG personnel supporting the mission be appointed as "Special Police" pursuant to D.C. Code § 5-129.03. MPD officers will accompany and be in the vicinity of DCNG personnel. DCNG members will provide support in a Title 32 U.S.C § 502(f) status.

I have concluded that providing this support benefits our training, readiness and retention. Dr. Rodriguez indicates that the aforementioned agencies have exhausted their organic capabilities and require DCNG assistance. Therefore, I would like to honor Mayor Bower's request for support. Accordingly, I respectfully seek your approval for the DCNG to support this mission in accordance with all applicable laws, Department of Defense policies and regulations.

Major General William J. Walker  
Commanding General  
District of Columbia National Guard

Dear Major General Walker:

As you know, First Amendment demonstrations permitted by the National Park Service are scheduled to occur in the District of Columbia on Tuesday, January 5, 2021 and Wednesday, January 6, 2021. As a result, District Government requests DC National Guard (DCNG) support, as these demonstrations will follow similar events on November 14, 2020 and December 12, 2020, which resulted in a large influx of participants, violence and criminal activity.

The District of Columbia is requesting personnel from the DCNG. Further, DCNG will support operations for both the Metropolitan Police Department and the DC Fire and Emergency Medical Services. Finally, no DCNG personnel shall be armed during this mission, and at no time, will DCNG personnel or assets be engaged in domestic surveillance, searches, or seizures of US persons.

Director Christopher Rodriguez of the District's Homeland Security and Emergency Management Agency will provide the requirements of and more details related to the mission. I request that you immediately connect with Director Rodriguez to discuss this critical request. Thank you for your immediate assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Muriel Bowser".
