Subject: 4th of July weekend CBP Law Enforcement Support 07/17/2020

Good morning,

Please see the attached 4th of July weekend CBP Law Enforcement Support report for 07/17/2020. Changes since the last update have been highlighted below in RED.

BLUF: Several hundred demonstrators are gathered at the Multnomah County Sheriff's Office and Portland Police Bureau (PPB) 4 miles east of Hatfield Courthouse and approximately 50 demonstrators are in front of Hatfield Courthouse. Demonstrators uplifted the fence located at Lownsdale park and used it as a barricade to block the street. PPB responded and repaired/secured the fence. A warning was issued to demonstrators by PPB that they would be subject to arrest if they tried to relocate or remove the fence. FPS Officers, located in Terry Schunk Plaza (TPS), responded to an assaultive subject(s) who reportedly struck PPB officers with hard objects and glass bottles, and FPS deployed less lethal munitions to protect PPB. BORTAC agents supported FPS Officers in the removal of demonstrators trespassing on federal property at Edith Green Federal Building. Less lethal munitions were deployed due to violent demonstrators throwing various hard and a flaming objects. At the Multnomah County Sheriff's Office/PPB South Precinct a vehicle approached at a high rate of speed and PPB T-boned the subject vehicle to prevent it from hitting officers. The Northwest perimeter fence at Lownsdale Square was removed by demonstrators and is being used as a barricade. Demonstrators breached the TSP security fence across from the Edith Green Building. BORTAC and FPS responded and pushed back the demonstrators. No injuries or arrest were reported.

CBP Portland Team Sit Rep 7/16/20 to 7/17/20:

Portland Police Bureau (PPB) and the City of Portland cleared Lownsdale Square and Chapman Square of all tents and temporary structures that had been occupying the space during the morning of July 16, 2020. Temporary fencing was installed around both squares, both are city property. General Services Administration installed temporary fencing around Terry Schrunk Plaza (TSP), which is Federal property. PPB advised they intend to have officers present in both squares in order to prevent any destruction or unauthorized removal of the fencing. FPS will also have officers present in TSP to prevent the destruction of or removal of fencing and to prevent trespassing onto Federal property.

DHS Acting Secretary Wolf (AS1) visited the Hatfield Courthouse and met with leadership from FPS, US Marshals Office, FBI, HSI, CBP, and ICE. AS1 met with Federal personnel that have been conducting operations in Portland in order to protect Federal facilities and property. AS1 held a press conference with select media. AS1 departed the Hatfield Courthouse at approximately 1800 hours (PDT)

At 1700 PDT, July 16, 2020, USBP SDC SOD, SOG US Marshals, ERO SRT, and FPS Team leaders were briefed by FPS Region 10 Director that the Law Enforcement Posture from the previous nights, at the Hatfield Courthouse, would remain the same. The posture will be reactive only by teams at the Hatfield Federal Courthouse. The courthouse will be sealed and all minor violations against the Federal property will be allowed. Federal enforcement action from the Federal Courthouse will only occur in response to major felonies occurring, including attempts to breach the courthouse, setting fire to the structure, or attempts to barricade the egress points. The posture will be more proactive in TSP in order to prevent destruction or removal of fencing.

Agitators are continuing to attempt to initiate hostile actions from the protestors through social media. Certain actors are targeting Federal agents and officers and are attempting to initiate hostile actions against Federal agents.

(b)(7)(E) SDC/SOD and Intel personnel conducted an operations brief and were deployed as mobile units at the (b)(7)(E) and to the (b)(7)(E) Federal Protective Service (FPS) Officers are deployed between the three Federal buildings. (b)(7)(E) U.S. Marshal's Special Operations Group (MSOG) personnel are staged at the (b)(7)(E) and (b)(7)(E) Enforcement and Removal (ERO) Special Response Team (SRT) personnel are staged at the (b)(7)(E) (b)(7)(E) SDC/SOD will conduct quick reaction force (QRF) duties in support of FPS operations providing security and safety to Federal property and personnel.

Burnside Street, Portland, OR. (Approximately 4 miles east from the Hatfield Courthouse). Approximately 50 protestors are gathered in front of the Hatfield Courthouse at the intersection of 3rd Avenue and Main Street.

07/16/2020 at 2245 hours PST: Open source reporting indicates that protestors have taken the fence from the area of Lownsdale park, near the intersection of 4th Avenue and Salmon Street and used it as

a barricade to block the street. PPB responded with a rapid response/crowd control unit and has repaired/secured the fence. PPB issued a warning to protesters that if they attempt to relocate or damage the fence, they will be subject to arrest. PPB has returned to their previous positions.

07/16/2020 at 2302 hours PST: Portland Police reported being struck with hard objects and glass bottles near the intersection of 4th Avenue and Madison Street. FPS Officers, located in TPS, identified one of the assaulting subjects and deployed less lethal munitions against the assaulters to protect PPB..

07/16/2020 at 2325 hours PST: BORTAC supported FPS Officers to removed protesters trespassing on federal property at the Edith Green Federal Building. While attempting to remove protesters, agents were assaulted with frozen water bottles, hard objects and a flaming object. Less lethal munitions were deployed.

07/17/2020 at 0000 hours PST: PPB reported that a vehicle rushed their line at the Multnomah County Sheriff's Office/ Portland Police Bureau South Precinct at a high rate of speed. PPB was forced to T-bone the suspect vehicle in order to stop the vehicle from colliding into officers.

**RFA REQUEST FOR CONTINGENCY PLANNING IN ST. LOUIS, MISSOURI**

From DHS OPS:

**BLUF:** At this time for St. Louis, the FBI continues to plan on having adequate resources in the city and do not have plans on utilizing DHS contingency forces at this . Therefore, DHS will only execute our contingency if something totally unexpected were to o . At this point, there is a low probability that any DHS forces will be needed in St. Louis.

FBI and DOJ forces along with other State/local agencies have the situation well in hand. That said, DHS OPS is offering contingencies.

1. **Air surveillance:** CBP/AMO can offer up (b)(7)(E) and (b)(7)(E) with (b)(7)(E) capability. It will take these aircraft approximately (b)(7)(E) hours to get on scene from initial request (about (b)(7)(E) hours for pre-flight preps and about (b)(7)(E) hours flight time to St. Louis).

2. **Ground Forces:** In addition to funding limitations noted last evening and authorities issues

1. **FPS:**

1. Inside St. Louis, FPS will have (b)(7)(E) District Commander, (b)(7)(E) Area Commanders and (b)(7)(E) officers (total (b)(7)(E)). Within a (b)(7)(E) hour radius of St. Louis, FPS could call in an additional (b)(7)(E) officers for a maximum of (b)(7)(E)
2. FPS will also provide LNOs to the various command posts and EOC inside St. Louis for coordination.

3. FPS was going to inquire with SAC on how to get local authorities/powers cross-designated to DHS LEOs if DHS LEOs were requested for support **off** of Federal property. If used for security around federal facilities, we are all set with our own organic authorities to include other DHS components who could be brought in to augment FPS. Currently though, no DHS component has LE powers off of federal property unless the locals convey such authority. If your SAC ever sought about using DHS LEOs in that role, we would seek assistance in coordinating with the locals to get the appropriate legal authorities cross-designated to DHS.
4. Funding for DHS support on non-federal property is the other issue requiring a funding solution to avoid an Anti-Deficiency Act (ADA) violation. Funding is a non-issue if DHS is kept to securing federal property.
2. **ICE:**
  1. ICE has a standby Rapid Deployment Team of [REDACTED] on a [REDACTED] (b)(7)(E) at Benning, GA. If additional DHS ground forces were requested, we would launch this team first. USCG would be the transport provider. Once this team arrived in St. Louis, the aircraft could gas up and relaunch to Detroit to pick up the ICE team and return to St. Louis.
  2. Both teams in GA and MI are proactively working to get USMS deputization completed today. If this ICE contingency were utilized and the team(s) were employed off federal property, they would both need local authorities transferred as well. And there's the funding piece noted above for off federal property support.
3. **USCG**
  1. USCG can transport the ICE team(s) as noted above.

**BLUF:** OPSDEPs unanimously concurred on launching the strategic RDT from El Paso, TX to Portland, OR. USBP team with AMO air transport actively preparing to launch to have reinforcements in Portland by tonight.

**Goal:** Allow Federal LEOs to take a more aggressive, proactive posture to protect the federal courthouse from further acts of aggression and hold perpetrators accountable by making federal arrests.

**Specifics:**

Given the violence and stalemate over the last several nights, the FPS Regional Director requested additional reinforcements for tonight.

Reps from the following components were on the call: FPS, CBP, ICE, TSA, USSS, USCG, I&A, OGC and OPS.

DHS still has 2 remain strategic RDTs: an ICE team in GA and another ICE team in CA.

The OPSDEPs reviewed current national intelligence and nothing else is currently on the horizon as a possible mission for this team.

- o Non-violent first amendment protests in DC
- o Protests in Aurora, CO associated with Aurora PD
- o Ongoing protests in Portland, OR (subject of our call)
- o Protests in Richmond, VA
- o Protests with the possibility of escalating violence at Gettysburg

Opposing groups are at the cemetery in a shouting match

Armed milita groups

Rumored Antifa

Rumored religious group en route to kick the other groups out of the cemetery

On scene LE presence feels they have enough resources to deal with the present situation

All reps polled and concurred with launching the strategic RDT

**Additional Facts:**

FBI Dep Director is exploring providing arrest teams out tonight to take custody and interview arrested individuals.

**Actions Taken:**

CBP received concurrence from the OPDEPs and were requested to launch their team. An ETA to Portland will be provided when known.

Subject: 4th of July weekend CBP Law Enforcement Support 07/17/2020

Good morning,

Please see the attached 4th of July weekend CBP Law Enforcement Support report for 07/17/2020. Changes since the last update have been highlighted below in RED.

BLUF: Several hundred demonstrators are gathered at the Multnomah County Sheriff's Office and Portland Police Bureau (PPB) 4 miles east of Hatfield Courthouse and approximately 50 demonstrators are in front of Hatfield Courthouse. Demonstrators uplifted the fence located at Lownsdale park and used it as a barricade to block the street. PPB responded and repaired/secured the fence. A warning was issued to demonstrators by PPB that they would be subject to arrest if they tried to relocate or remove the fence. FPS Officers, located in Terry Schunk Plaza (TPS), responded to an assaultive

subject(s) who reportedly struck PPB officers with hard objects and glass bottles, and FPS deployed less lethal munitions to protect PPB. BORTAC agents supported FPS Officers in the removal of demonstrators trespassing on federal property at Edith Green Federal Building. Less lethal munitions were deployed due to violent demonstrators throwing various hard and a flaming objects. At the Multnomah County Sheriff's Office/PPB South Precinct a vehicle approached at a high rate of speed and PPB T-boned the subject vehicle to prevent it from hitting officers. The Northwest perimeter fence at Lownsdale Square was removed by demonstrators and is being used as a barricade. Demonstrators breached the TSP security fence across from the Edith Green Building. BORTAC and FPS responded and pushed back the demonstrators. No injuries or arrest were reported.

CBP Portland Team Sit Rep 7/16/20 to 7/17/20:

Portland Police Bureau (PPB) and the City of Portland cleared Lownsdale Square and Chapman Square of all tents and temporary structures that had been occupying the space during the morning of July 16, 2020. Temporary fencing was installed around both squares, both are city property. General Services Administration installed temporary fencing around Terry Schrunk Plaza (TSP), which is Federal property. PPB advised they intend to have officers present in both squares in order to prevent any destruction or unauthorized removal of the fencing. FPS will also have officers present in TSP to prevent the destruction of or removal of fencing and to prevent trespassing onto Federal property.

DHS Acting Secretary Wolf (AS1) visited the Hatfield Courthouse and met with leadership from FPS, US Marshals Office, FBI, HSI, CBP, and ICE. AS1 met with Federal personnel that have been conducting operations in Portland in order to protect Federal facilities and property. AS1 held a press conference with select media. AS1 departed the Hatfield Courthouse at approximately 1800 hours (PDT)

At 1700 PDT, July 16, 2020, USBP SDC SOD, SOG US Marshals, ERO SRT, and FPS Team leaders were briefed by FPS Region 10 Director that the Law Enforcement Posture from the previous nights, at the Hatfield Courthouse, would remain the same. The posture will be reactive only by teams at the Hatfield Federal Courthouse. The courthouse will be sealed and all minor violations against the Federal property will be allowed. Federal enforcement action from the Federal Courthouse will only occur in response to major felonies occurring, including attempts to breach the courthouse, setting fire to the structure, or attempts to barricade the egress points. The posture will be more proactive in TSP in order to prevent destruction or removal of fencing.

Agitators are continuing to attempt to initiate hostile actions from the protestors through social media. Certain actors are targeting Federal agents and officers and are attempting to initiate hostile actions against Federal agents.

(b)(7)(E) SDC/SOD and Intel personnel conducted an operations brief and were deployed as mobile units at the (b)(7)(E) and to the (b)(7)(E) (b)(7)(E) Federal Protective Service (FPS) Officers are deployed between the three Federal buildings. **RFA REQUEST FOR CONTINGENCY PLANNING IN ST. LOUIS, MISSOURI**

From DHS OPS

**BLUF:** At this time for St. Louis, the FBI continues to plan on having adequate resources in the city and do not have plans on utilizing DHS contingency forces at this . Therefore, DHS will only execute our contingency if something totally unexpected were to o . At this point, there is a low probability that any DHS forces will be needed in St. Louis

FBI and DOJ forces along with other State/local agencies have the situation well in hand. That said, DHS OPS is offering contingencies.

1. **Air surveillance** CBP/AMO can offer up (b)(7)(E) and (b)(7)(E) with (b)(7)(E) capability. It will take these aircraft approximately (b)(7)(E) hours to get on scene from initial request (about (b)(7)(E) hours for pre-flight preps and about (b)(7)(E) hours flight time to St. Louis).
2. **Ground Forces:** In addition to funding limitations noted last evening and authorities issues

1. Inside St. Louis, FPS will have [ ] District Commander, [ ] Area Commanders and [ ] officers (total [ ]). Within a [ ] hour radius of St. Louis, FPS could call in an additional [ ] officers for a maximum of [ ].
  2. FPS will also provide LNOs to the various command posts and EOC inside St. Louis for coordination.
  3. FPS was going to inquire with SAC on how to get local authorities/powers cross-designated to DHS LEOs if DHS LEOs were requested for support off of Federal property. If used for security around federal facilities, we are all set with our own organic authorities to include other DHS components who could be brought in to augment FPS. Currently though, no DHS component has LE powers off of federal property unless the locals convey such authority. If your SAC ever sought about using DHS LEOs in that role, we would seek assistance in coordinating with the locals to get the appropriate legal authorities cross-designated to DHS.
  4. Funding for DHS support on non-federal property is the other issue requiring a funding solution to avoid an Anti-Deficiency Act (ADA) violation. Funding is a non-issue if DHS is kept to securing federal property.
2. **ICE:**
1. ICE has a standby Rapid Deployment Team of [ ] on a [ ] (b)(7)(E) at Benning, GA. If additional DHS ground forces were requested, we would launch this team first. USCG would be the transport provider. Once this team arrived in St. Louis, the aircraft could gas up and relaunch to Detroit to pick up the ICE team and return to St. Louis.
  2. Both teams in GA and MI are proactively working to get USMS deputization completed today. If this ICE contingency were utilized and the team(s) were employed off federal property, they would both need local authorities transferred as well. And there's the funding piece noted above for off federal property support.
3. **USCG**
1. USCG can transport the ICE team(s) as noted above.

**BLUF:** OPSDEPs unanimously concurred on launching the strategic RDT from El Paso, TX to Portland, OR. USBP team with AMO air transport actively preparing to launch to have reinforcements in Portland by tonight.

**Goal:** Allow Federal LEOs to take a more aggressive, proactive posture to protect the federal courthouse from further acts of aggression and hold perpetrators accountable by making federal arrests.

**Specifics:**

Given the violence and stalemate over the last several nights, the FPS Regional Director requested additional reinforcements for tonight.

Reps from the following components were on the call: FPS, CBP, ICE, TSA, USSS, USCG, I&A, OGC and OPS.

DHS still has 2 remain strategic RDTs: an ICE team in GA and another ICE team in CA.

The OPSDEPs reviewed current national intelligence and nothing else is currently on the horizon as a possible mission for this team.

- Non-violent first amendment protests in DC
- Protests in Aurora, CO associated with Aurora PD
- Ongoing protests in Portland, OR (subject of our call)
- Protests in Richmond, VA
- Protests with the possibility of escalating violence at Gettysburg
  - Opposing groups are at the cemetery in a shouting match
  - Armed milita groups
  - Rumored Antifa
  - Rumored religious group en route to kick the other groups out of the cemetery
  - On scene LE presence feels they have enough resources to deal with the present situation

All reps polled and concurred with launching the strategic RDT

**Additional Facts:**

FBI Dep Director is exploring providing arrest teams out tonight to take custody and interview arrested individuals.

**Actions Taken:**

CBP received concurrence from the OPDEPs and were requested to launch their team. An ETA to Portland will be provided when known.
