(b) (6), (b) (7)(C) (and copying (b) (6), (b) (7)(C) –

The attached document that I got from ENF lays out in the most detail I've seen the extent of CBP's support to the ongoing "civil unrest." It doesn't require any action on our part, but is good to know and I don't think it's been circulated widely.

Thanks,

Subject: RE: Crisis Cell subgroup teleconference; protests

Crisis Cell Subgroup—Our discussion will focus on LE support to DOJ. The intent is to deputize DHS law component enforce personnel under the US Marshal Service Authority. Please come prepared to discuss any component-specific issues or limitations associated with the deputation. We also note that this is a FAST moving operation. DOJ has asked for available forces to muster by 5:00 PM today.

Thanks
