**Subject:** Cost Estimate for LANG Support to TX for Operation Lone Star  
**Date:** Monday, February 5, 2024 6:06:10 PM  
**Attachments:** LANG Support to TX Costs.pdf

---

Taylor,

Attached is the LANG cost estimate as requested by Governor Landry to support the Texas National Guard on the Texas border. The attachment includes our cost estimate, our concept of the operation to include sustainment, and likely missions/tasks the our service members would conduct. I am TDY in California and Washington DC till next Wednesday but am available 24/7 on the cell number below. Please feel free to contact me or my staff for further data or assistance.

v/r

Tommy
