RE: FPS Case Number 2021-FPFO-00060

Dear Mr. Sus:

This is the final response to your January 10, 2021, Freedom of Information Act (FOIA) request to the U.S. Department of Homeland Security (DHS). You are seeking:

1. All records from December 1, 2020 to January 6, 2021, reflecting any plans for demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021, that were identified by any DHS component—including without limitation the Office of Intelligence & Analysis (“I&A”) and the Federal Protective Service (“FPS”)—or other agencies through social media monitoring, threat assessments, or other means.
2. All records from December 1, 2020 to January 6, 2021, reflecting any tips, complaints, referrals, allegations, or reports submitted to any DHS component—including without limitation I&A and FPS—regarding planned demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021.
3. All records from December 1, 2020 to January 6, 2021, reflecting DHS’s communication to other agencies—including without limitation the U.S. Capitol Police, the D.C. Metropolitan Police Department, the Federal Bureau of Investigation, the Department of Justice, or the Department of Defense—of the risks or threats posed by planned demonstrations, gatherings, disruptions, attacks, or riots in Washington, D.C. on January 6, 2021.
4. All records from December 1, 2020 to January 6, 2021, relating to any DHS component—including without limitation I&A and FPS—providing assistance or support to the U.S. Capitol Police, the D.C. Metropolitan Police Department, or any other agency in connection with the January 6, 2021, congressional session to count electoral votes.

Your request was referred to DHS’s Federal Protective Service (FPS) for processing and direct response to you. FPS received your request on January 21, 2021. On March 3, 2021, FPS provided 81 pages to you in response to your FOIA request. Pursuant to litigation case number 21-cv-00572 D.D.C. (CREW v DHS et al), an additional search of FPS for documents responsive to your request produced a total of 245 pages.

To provide you with the greatest degree of access authorized by law, DHS has considered your request under both the FOIA, 5 U.S.C. § 552, and the Privacy Act, 5 U.S.C. § 552a.

Following review, DHS has determined that 245 pages are partially releasable pursuant to 5 U.S.C. § 552 (b)(6), (b)(7)(C), and (b)(7)(E), FOIA Exemptions 6, 7C, and 7E.

Enclosed are 245 pages with certain information withheld as described below:

FOIA Exemption 6 exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a balancing of the public's right to disclosure against the individual's right to privacy. The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

FOIA Exemption 7(C) protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate. As such, I have determined that the privacy interest in the identities of individuals in the records you have requested clearly outweigh any minimal public interest in disclosure of the information. Please note that any private interest you may have in that information does not factor into this determination.

FOIA Exemption 7(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

While an adequate search was conducted, you have the right to appeal the above withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 90 days of the date of this letter, to: Privacy Office, Attn: FOIA Appeals, U.S. Department of Homeland Security, 2707 Martin Luther King Avenue SE, Mail Stop 0655, Washington, D.C. 20528-0655, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. Part 5 § 5.8. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS FOIA regulations are available at www.dhs.gov/foia.

Provisions of the FOIA allow DHS to recover part of the cost of complying with your request. In this instance, because the cost is below the \$25.00 minimum, there is no charge.

You may contact the DHS FOIA Public Liaison at 202-343-1743 for any further assistance and to discuss any aspect of your request. You may also contact OGIS at the National Archives and

Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you need to contact our office again about this matter, please refer to **2021-FPFO-00060**. This office can be reached at FOIA@HQ.DHS.GOV or call 202-343-1743 or toll free 1-866-431-0486.

Sincerely,

A handwritten signature in black ink, appearing to read "Jimmy Wolfrey". The signature is fluid and cursive, with the first name "Jimmy" and last name "Wolfrey" clearly distinguishable.

Jimmy Wolfrey
Senior Director, FOIA Operations and Management

I talked to Inspector (b)(6),(b)(7)(C) about 20 minutes ago. He got a laser to his eyes and had pain and blurry vision. This occurred at about 11:30pm New Year's Eve. (b)(6),(b)(7)(C) is better now than he was 24 hours ago but still has pain and eye discomfort. He stated that he had his goggles but did not have them on when they first went out. Once he realized that they were pointing lasers at them he put them on but it was too late by then.
