Subject: Demonstration Activity - 1/06/21

Everyone,

On 1/06/21, there is another planned Million MAGA March. Additionally, there are numerous other groups intending to host demonstrations in Washington, DC. PID is currently tracking 20 groups hosting various demonstrations, predominately election related. Demonstrations are currently expected in Freedom Plaza, Capitol Hill, and the National Mall. At this time, there are no indications of civil disobedience. Participation numbers for several groups are currently low, while others are unknown at this time. The PDLs and OSB personnel will continue to update information on the groups planning to attend, as well as the anticipated attendance numbers.

PID will take a similar posture to our response to the previous Million MAGA Marches. All sections should identify personnel to man the Director's Crisis Center during both the dayshift and evening shift.

Each section should provide PID Ops with the names of the personnel assigned and their scheduled hours for the DCC coverage.

Please contact OPS with any questions or concerns.

Thanks,

(b)(6); (b)(7)(C)

(b)(6); (b)(7)(C) (DC Water): Hi All, our DCW PIO has been monitoring social media- they said that this was posted 5 hours ago and was found and sent to our security and OEM directors at 10:19. The tweet reads "@(b)(6); (b)(7)(C) #ProudBoys is planning to shut down the #DC water system. This would disable the fire suppression systems in most govermennt buildings including the #USCapitol. Apologies, I thought the concerned citizen provided this info through FBI but it seems it's devoid of that. I know source reporting doesn't involve purely concerned citizens.

I'll talk with the team about a 672 other incident on (b)(6); (b)(7)(C) as the victim.

thanks

I know you're busy but when convenient, can you give me your preference on this incident for PTMS?

If we have other incidents for today's protests, we could roll this one into the 672 WDC demo (but I know you were burned by this before!)

Alternatively, we could do a 672 source reporting since the information is unlikely to be corroborated. In short, the concerned citizen (and ex of one of the subjects) says her young children told her (b)(6); (b)(7)(C) had weapons and threatened protectees. Based on that and her own interactions, she speculated they would incite violence in WDC.

thanks

Subject: Demonstration Activity - 1/06/21

Everyone,

On 1/06/21, there is another planned Million MAGA March. Additionally, there are numerous other groups intending to host demonstrations in Washington, DC. PID is currently tracking 20 groups hosting various demonstrations, predominately election related. Demonstrations are currently expected in Freedom Plaza, Capitol Hill, and the National Mall. At this time, there are no indications of civil disobedience. Participation numbers for several groups are currently low, while others are unknown at this time. The PDLs and OSB personnel will continue to update information on the groups planning to attend, as well as the anticipated attendance numbers.

PID will take a similar posture to our response to the previous Million MAGA Marches. All sections should identify personnel to man the Director's Crisis Center during both the dayshift and evening shift.

Each section should provide PID Ops with the names of the personnel assigned and their scheduled hours for the DCC coverage.

Please contact OPS with any questions or concerns.

Thanks,

(b)(6); (b)(7)(C)

Subject: Demonstration Activity - 1/06/21

Everyone,

On 1/06/21, there is another planned Million MAGA March. Additionally, there are numerous other groups intending to host demonstrations in Washington, DC. PID is currently tracking 20 groups hosting various demonstrations, predominately election related. Demonstrations are currently expected in Freedom Plaza, Capitol Hill, and the National Mall. At this time, there are no indications of civil disobedience. Participation numbers for several groups are currently low, while others are unknown at this time. The PDLs and OSB personnel will continue to update information on the groups planning to attend, as well as the anticipated attendance numbers.

PID will take a similar posture to our response to the previous Million MAGA Marches. All sections should identify personnel to man the Director's Crisis Center during both the dayshift and evening shift.

Each section should provide PID Ops with the names of the personnel assigned and their scheduled hours for the DCC coverage.

Please contact OPS with any questions or concerns.

Thanks,

(b)(6); (b)(7)(C)

Subject: notification and request: Potential Threat to water reservoir near DC

Importance: High

Good Evening National Capital Region Threat Intelligence Consortium (NTIC), FBI, DHS CISA PSA, EPA Region 3, and Response Partners,

You are receiving this information as vetted intelligence and response partners.

At this time, the information below should stay protected and only for those that need to know.

Please see potential threat notification which DC Water received from our partners at Washington Aqueduct and Region 3 EPA. Appears, at this time, not much is known outside the initial notification from Fort Leonard Wood, Missouri which stated "hunch that on January 6, 2021 that there would be a chemical or biological attack in a water reservoir in Washington D.C. and that there should be extra security at the inauguration".

REQUEST: DC Water would like to know who the point of contact is that will be leading the analysis to determine if this is a **credible threat and when that determination would be available**. DC Water is also requesting to be include on all communications of this potential threat.

Initial response by DC Water is to increase security patrols immediately and analyze operational needs and capacities.

Sincerely,

EXTERNAL EMAIL, PLEASE USE CAUTION BEFORE CLICKING A LINK OR OPENING AN ATTACHMENT

All,

This is a heads up of a possible threat to a water reservoir in D.C. or possible NCR.

The noted caller contacted a Military Police station in Fort Leonard Wood, Missouri as noted below.

Description: Hello my name is Sergeant (b)(6); (b)(7)(C) and I am a DACP Desk Sergeant with the Ft. Leonard Wood Military Police. And during my shift I received a phone call at the Military Police Desk from a (b)(6); (b)(7)(C). He was wanting to report that he had a hunch that on January 6, 2021 that there would be a chemical or biological attack in a water reservoir in Washington D.C. and that there should be extra security at the inauguration. I would like to make sure that this gets reported/known.

The "how" and "why" are not known at this time. Intelligence community and EPA Region 3 are aware of the threat. Should further investigation suggest that the threat is credible, regional coordination may be warranted.

I will keep you all informed as information is updated. Please let me know if others should be looped into this conversation moving forward.

Good afternoon,

We received the below information on first amendment assemblies for **Wednesday January 6th** and street closures **Tuesday, January 5th through Thursday, January 7th**, from our security contractor. Apparently there are requests for the unusually high number of over 25 different permits for the one day. Noted below are the “major” protests; MPD does not have any current threat alerts.

Although the activities are not in our immediate area; as a precaution we will be securing the building Tuesday through Thursday – you will need to use your key card for entry.

Information regarding First Amendment assemblies is often fluid and subject to change; for up to the minute locations of various groups around the city follow: <https://twitter.com/DCPoliceTraffic>.

Just landed in DC from HNL. Safe and sound. No issues on the flights.

I know all about the major protests . . . About half of my flight from Dallas was filled with Trump supporters heading into town for the protests!

Anyway . . . I'm back in DC.

Good afternoon,

We received the below information on first amendment assemblies for **Wednesday January 6th** and street closures **Tuesday, January 5th through Thursday, January 7th**, from our security contractor. Apparently there are requests for the unusually high number of over 25 different permits for the one day. Noted below are the “major” protests; MPD does not have any current threat alerts.

Although the activities are not in our immediate area; as a precaution we will be securing the building Tuesday through Thursday – you will need to use you key card for entry.

Information regarding First Amendment assemblies is often fluid and subject to change; for up to the minute locations of various groups around the city follow: <https://twitter.com/DCPoliceTraffic> .

- In case you didn't read through the 60+ slides sent out the other night, be advised that open carry in FL is illegal except in some instances such as actively hunting, at the gun range, or while fishing. PBSO advised that it is not unusual for some demonstrators to have a fishing pole and line in the water near the bridge leading to MAL open carrying assault style rifles. In the past, they were demonstrating for 2A rights. No incidents have arisen from those demonstrations.
- If you're new to Florida, be advised that guns will be found at the main checkpoint in vehicles. Usually, they are legal. Please keep this in mind if you hear that a weapon was found during vehicle screening. Additionally, you can expect people to attempt to drop off Christmas cards, COVID vaccines, etc. to the main vehicle check point.

Subject: RE: Protective Intelligence update

Good evening,

No new information has been discovered related to POTUS' visit to Mar-a-Lago on December 23, 2020 to January 1, 2021.

The visit was mentioned briefly on local news however motorcade routes and sensitive information were not mentioned.

The "sonic attack" tipster was interviewed by USSS/MIA/JTTF today and the information was passed to PID. Again, this tip was not specific to our visit. Additionally, at this time, this tip has not been deemed credible.

Again, if you read the slides provided to the post standers you will see mention of a rally supporting POTUS. That was an error on my part, as that rally occurred during the October visit to Mar-a-Lago.

If you hear from your local law enforcement contacts anything of protective intelligence importance, please do not hesitate to pass that information along.

At this time there have been no exclusions from any of the planned sites.

If you have any questions or concerns, please call or email.

Very Respectfully,

(b)(6); (b)(7)(C)

Subject: Protective Intelligence update

In preparation for the President of the United States' visit to Palm Beach, Florida on December 23, 2020, Open Source Unit (OSU) conducted open source research for protective intelligence information related to the visit. Social media and general internet searches did not reveal any awareness or attention for the visit, nor was any information of protective intelligence value discovered.

At this time, the open source unit has not identified any planned demonstrations for the upcoming visit. The visit has received little to no local media coverage. Details regarding the method of travel and motorcade route have not been revealed.

As mentioned at the countdown meeting, USSS/MIA forwarded information to the PIOC regarding a sonic attack on POTUS on January 6, 2021. That information was received, evaluated, and researched. It was determined that there would be no PIOC alert and the report would be forwarded to Region 3 for a decision on how to proceed with this information in the near future.

There was no mention of Mar-a-Lago but because of the geographical proximity of the subject (about 45 minutes to an hour south of Palm Beach), USSS/MIA forwarded the information to me for situational awareness. FYI, the subject specifically said the "sound weapon" could be smuggled into electronic devices, specifically a camera.

If you hear from your local law enforcement contacts anything of protective intelligence importance, please do not hesitate to pass that information along.

If you have any questions or concerns, please call or email.

Very Respectfully,
