## FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

### Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the [www.fbi.gov/foia](http://www.fbi.gov/foia) website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

### Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. §§ 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.
  - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
  - b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.

Adam,

We had a good conversation with the Deputy Director and Associate Deputy Director this afternoon regarding the draft BWC Policy and Implementation Plan. [REDACTED]

b5 -1

[REDACTED] We also briefed the timeline and procurement strategy we discussed with you this morning. Our Operational, Technical and Procurement Division heads reaffirmed this as an accurate and realistic timeline, but we all understand the need to move as expeditiously as possible. In order to successfully staff the document prior to resubmission to DOJ, we kindly ask to be given until next week to make the appropriate revisions and get sign off from the Deputy and ADD.

Please let me know if you have any questions or concerns and we appreciate you taking the time to hear how we came about our projected implementation timeline.

Thank you,

Matt

Since that time, DOJ has issued final policy regarding the use of BWCs by state/local partners on FBI taskforces and somewhere in the neighborhood of 60 partner agencies have already signed the necessary MOUs. There shouldn't really be much mystery around this particular issue.

Good afternoon,

On behalf of AD Beach—I'm reaching out to inquire if there are any updates to the attached White Paper given to OPE last year. For background, these White Papers serve as a resource when FBI senior leaders in the Field Offices & HQ are speaking as a keynote/presenter during the conference, and/or engaging with our state, local, and tribal law enforcement partners.

I have you listed as the POC of the attached document. Please advise if updates need to be incorporated, or there are no amendments to the current White Paper we have on file.

Thank You.

Hi [REDACTED] and thank you for the introduction. I [REDACTED] wanted to follow up and request that we have an opportunity to meet and discuss the Bureau's efforts related to the June 7, 2021 Department of Justice policy memorandum relating to the mandatory use of Body-Worn Cameras (BWC's).

Please let us know the appropriate person(s) to contact at the Bureau so that we can coordinate a meeting date and time and an agenda that meets the needs of the FBI.

Hi Matt, appreciate the message. No doubt the biggest challenges will be the technology, budget and man power requirements. As far as procedures TS will certainly help craft/train that for SWAT but we think it is wise to build the cart before we pick the saddle for the horse.

[REDACTED] We will stand by for further information.

Please find attached the USMS response to this language [REDACTED]

b5 -per USMS, -1,2 per FBI  
b7E -per USMS

Those are the sum of what USMS feels would be good additions and the modified language in the attached is our suggested language.

Additionally, as we all are getting training underway (or completed), USMS begins training in our locations Monday.

b5 -per USMS, -1,2 per FBI  
b7E -per USMS

Here are the USMS Locations (All-please return yours with dates if you would so we're all aware of the scope of our Phase 1 as DOJ partners):

District of New Hampshire-training 9/13 and 9/14 (all USMS personnel)

District of Minnesota-training 9/16 and 17 (all USMS Personnel)

Western Texas- El Paso- training 9/20 and 21; San Antonio-training 9/23 and 24 (all USMS personnel assigned to those 2 locations in W/TX)

Northern District of Georgia and SE Regional Fugitive Task Force (Atlanta office)-training 9/28 and 29 (all USMS personnel in N/GA and all SERFTF Atlanta personnel)

We will have approximately 175 BWC in use across those 5 areas by 9/30 (dependent on the final interim policy being returned). If anyone is interested in having a monthly teleconference to discuss Phase 1 and/or any issues where we might have co-located personnel wearing BWC, please advise and we'll be happy to host that virtually or in person if anyone wants to finally meet face to face at any time.

Thanks very much!
