Re: Freedom of Information Act Request

Dear FOIA Officer:

Citizens for Responsibility and Ethics in Washington (“CREW”) submits this request for records pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, and Office of Management and Budget (“OMB”) regulations.

Specifically, CREW requests all OMB decision memoranda, directives, guidance, or communications from **January 20, 2017 through January 20, 2021** concerning whether any proposed apportionment action required, or would have required, the President to transmit a special message under the Impoundment Control Act of 1974 (“ICA”).¹

Please search for responsive records regardless of format, medium, or physical characteristics. We seek records of any kind, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. Our request includes without limitation all correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request also includes any attachments to emails and other records, and anyone who was cc’ed or bcc’ed on any emails.

If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. See 5 U.S.C. § 552(b). If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. See *Mead Data Central v. U.S. Dep’t of the Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

¹ 2 U.S.C. §§ 681–88.

Please be advised that CREW intends to pursue all legal remedies to enforce its rights under FOIA. Accordingly, because litigation is reasonably foreseeable, the agency should institute an agencywide preservation hold on all documents potentially responsive to this request.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A) and agency regulations, CREW requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures likely will contribute to a better understanding of relevant government procedures by CREW and the general public in a significant way. *See id.* § 552(a)(4)(A)(iii). Moreover, the request primarily and fundamentally is for non-commercial purposes. *See, e.g., McClellan Ecological v. Carlucci*, 835 F.2d 1282, 1285 (9th Cir. 1987).

During his first term, President-elect Donald Trump withheld funds appropriated by Congress on several occasions. Although President-elect Trump at times used the procedure established under the ICA to propose the rescission of funds, and to temporarily withhold those funds,² in other instances he made funds unavailable without following that statutory process.³ During his 2024 campaign, President-elect Trump promised to again use the “Impoundment Power” to “squeeze the bloated federal bureaucracy for massive savings.”⁴

As the office within the executive branch whose mission is to implement executive branch-wide policy on budget execution, OMB’s guidance on the subject of impoundment carries great weight within the executive branch and publicly. The records CREW seeks would provide those views and therefore are of importance to the public, which would benefit from knowing how OMB interprets the executive branch’s authority to delay or withhold funding appropriated by Congress.

CREW is a non-profit corporation, organized under section 501(c)(3) of the Internal Revenue Code. CREW is committed to protecting the public’s right to be aware of the activities of government officials, to ensuring the integrity of those officials, and to highlighting and working to reduce the influence of money on politics. CREW uses a combination of research, litigation, and advocacy to advance its mission. CREW intends to analyze the information responsive to this request and to share its analysis with the public through reports, press releases, or other means. In addition, CREW will disseminate any

documents it acquires from this request to the public through its website, www.citizensforethics.org. The release of information obtained through this request is not in CREW's financial interest.

CREW further requests that it not be charged search or review fees for this request pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II) because CREW qualifies as a member of the news media. See *Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381, 1386 (D.C. Cir. 1989) (holding non-profit a "representative of the news media" and broadly interpreting the term to include "any person or organization which regularly publishes or disseminates information to the public").

CREW routinely disseminates information obtained through FOIA to the public in several ways. For example, CREW's website receives hundreds of thousands of page views every month. The website includes blogposts that report on and analyze newsworthy developments regarding government ethics, corruption, and money in politics, as well as numerous reports CREW has published to educate the public about these issues. These reports frequently rely on government records obtained through FOIA. CREW also posts the documents it obtains through FOIA on its website.

Under these circumstances, CREW satisfies fully the criteria for a fee waiver.

Expedited Processing Request

CREW requests expedited processing of this FOIA request both because (1) there is an "urgency to inform the public about an actual or alleged Federal Government activity," 5 C.F.R. § 1303.50(e)(1)(ii); and (2) "[t]here are possible questions, in a matter of widespread and exceptional public interest, about the government's integrity which [a]ffect public confidence," *id.* § 1303.50(e)(1)(iv).

The President-elect's campaign pledge to impound funds raises questions, in a "matter of widespread and exceptional public interest, about the government's integrity which [a]ffect public confidence," and about which there is an "urgency to inform the public." *Id.* §§ 1303.50(e)(1)(ii), (iv). Numerous articles have been published on the President-elect's and his close advisors' plans to withhold, and the President's prior actions of withholding, funds appropriated by Congress, with commentators explaining that money appropriated on a bipartisan basis in areas such as infrastructure, public schools, and foreign aid could be targeted by the next Administration.⁵ The urgency to inform the public

about this matter is heightened by the fact that the incoming administration could implement these plans as soon as the President-elect is inaugurated on January 20, 2025.

The undersigned certifies that the above statement is true and correct.
