Good Morning (b) (6), (b) (7)(C) as you may recall I am the unofficial liaison to the Oath Keepers (inching towards official). They are primarily retired law enforcement/former military members who are very pro-LEO and Pro Trump. Their stated purpose is to provide protection and medical attention to Trump supporters if they come under attack by leftist groups. Today I received a call from their founder, Stewart Rhodes, stating that they plan to have security details in Fayetteville for POTUS supporters. He had specific questions and wanted to liaison with our personnel. His cell phone is (b) (6).

(b) (6), (b) (7)(C) and Mr. (b) (6), (b) (7)(C)

Please see below. I spoke to each of you regarding this group already. Wanted to give an update... while there is no direct impact on our official site, it will have an impact on the area where the attendees park and get on buses.

When I spoke to the PD today, they were aware of them and advised that when they show up at events, there is often a showing of the New Black Panther Party (aka Huey P Newton Gun Club). Both groups know each other and will show up exercising their 2nd Amendment Rights...NC is an Open Carry state. They go off each other's social media and when one shows up, the other usually does. Both groups are present all over the country.

To date, there have been no significant incidents between the two.

I spoke to the individual mentioned below who was looking for guidance on where his people could be to "help make sure event attendees got to and from their cars safely." I advised I couldn't give him specifics about where they but he could find that information when it becomes published on Open Source. I told him they shouldn't be close to the site as it will be covered by our Zones of Protection and Open Carry becomes null and void.

I also advised they should coordinate with FPD who would have a presence at the parking area.

The below email went to a few 14s in PID this morning. I haven't gotten too many questions ab it, as of yet...but I'm preparing for them.

Hit me up w/any additional questions or thoughts.

ards to any specific chatter or event in Fayetteville, NC pertaining to the Oath Keepers, OSINT research was negative for POTUS' upcoming visit. General searches revealed news articles that touched on the background of the founder Stewart Rhodes and the group. Rhodes has denounced White Nationalists ideals while sharing his dislike for ANTIFA. Attempts to locate social media profiles for Stewart Rhodes were negative, a possible Twitter account had been suspended. Searches also advised they conducted a "security mobilization" for POTUS' visit to Berkeley, CA in April. A Facebook article claimed the group is actively recruiting current or former law enforcement and military. The group claims it is a local community response team for natural or civil disorders.

Subject: OSINT Request - Fayetteville, NC
Date: Wednesday, September 16, 2020 8:49:36 PM

OSB,

Please see below request for OSINT related to the visit in Fayetteville on Saturday.

On 9/15/20, the organizer for the group "Oath Keepers" contacted SA (b) (6), (b) (7)(C) as he often does, regarding the visit to Fayetteville. They are primarily retired law enforcement/former military members who are very pro-LEO and Pro Trump. Their stated purpose is to provide protection and medical attention to Trump supporters if they come under attack by leftist groups.

The leader's name is Stewart Rhodes (NRID) and he often contacts SA (b) (6), (b) (7)(C) when their group plans to attend one of our events. SA (b) (6), (b) (7)(C) reached out to me and advised Mr. Rhodes had a couple of questions regarding the visit.

On 9/15/20, I spoke to representatives from the Fayetteville Police Department (FPD) regarding the group. They advised they were aware of the group and that they regularly attended events in the area. FPD further advised that when the Oath Keepers show up at events, quite often members of the local Huey P. Newton Gun Club/New Black Panther Party will also show up. Both groups will show up exercising their 2nd Amendment rights. There have been no significant incidents at any of these events.

FPD provided the below information regarding the Huey P. Newton Gun Club:

Founder – (b) (6) (NRID) – DOB (b) (6)

<https://www.facebook.com/HPNGCFayettevilleNC>

[\(b\) \(6\)](https://www.facebook.com/(b) (6))

On 9/16/20, I contacted Mr. Rhodes who does not reside in North Carolina. He "conferenced in" some of his North Carolina team members. They wanted to ensure they were not impeding our operational posture during the event and wanted to know where they would be allowed to "operate." I told them I couldn't provide any information regarding the specifics of the site or the location and they should utilize open source to determine where they could be. Their desire is to assist those attending the event make it to and from their cars safely. They are NOT there to demonstrate or push a political agenda. I also advised they should also coordinate w/the FPD. Could you please conduct social media analysis on the groups and provide any information regarding their plans to attend the event? If you need any additional information from me, please let me know.

Thank you.
