Good afternoon!

One of the Chiefs pulled the delegation of authority, and it appears the FOD can sign, however today is his last day, and his office is cleared out.

I'm going to run down one of the DADs for signature instead.

Thanks – and have a great weekend!

Dear Acting Commissioner Morgan and Acting Director Albence:

We are writing to you today regarding recent reports that U.S. Customs and Border Protection (CBP) and U.S. Immigration and Customs Enforcement (ICE) are deploying resources in connection with demonstrations nationwide. As both CBP and ICE have acknowledged, the right to peaceful protest is a bedrock principle of our democracy. We write to you today to request information regarding ICE and CBP operations in connection with demonstrations, particularly in light of public reports that law enforcement have used force—including tear gas, spray chemical irritants, non-lethal bullets, and other forms of force.

I hope everyone is doing very well. An important question for this venerable group. This is in relation to AS1's response to Mayor Wheeler that the Front Office targeting to transmit **today**. I am given to understand that time is of the essence.

Statement: The Attorney General has been informed that you are declining federal law enforcement assistance for Portland's residents and police.

DOJ: We understand that the Portland Police is now working with the FBI. Is the "federal law enforcement assistance" referring to additional federal resources we would provide and/or the National Guard?

SUSPENSE: 0900 ET, 1 June 2020

This is Update 2 to the AS1 RFI (see the additional information highlighted below).

CBP, ICE, TSA,

The DHS Office of Operations Coordination National Operations Center requests your assistance in obtaining **additional** information for this **AS1 RFI (Update 2).**

BACKGROUND:
As preparations are being drafted to potentially use DHS law enforcement assets to support DOJ and other law enforcement agencies, there is some additional information and refinement needed. At this time, DOJ is focused on seeking possible support from CBP, ICE and TSA. In order to apply available forces to geographic areas of need, we need to refine and/or gather additional information for DOJ. **DOJ would like to know if CBP, ICE, and TSA resources have the requisite skills, training, and authorities to perform the functions of 1) Crown/Riot Control, 2) Protection of Property, 3) Arrest, 4) Investigation, and 5) Intelligence.**

ACTION: Please provide the following additional information on the attached table:

1. Location: Provide the specific location (city and state) of available law enforcement personnel (ICE did not provide locations and USBP only provided sectors) (no need to do this for the assets/equipment).
2. Responsiveness: Provide an assessment of how much time it would take to mobilize and begin deploying your personnel (For example, USBP stated that their personnel could begin moving within 4 hours of an order - this same information is needed from ICE and TSA (i.e., how long after receiving an order to move, would your personnel be able to begin movement to a needed location?).

3. <u>Legal Authorities</u>: Describe any issues or concerns regarding legal authorities regarding provision of law enforcement support. (DOJ and DHS lawyers are tasked to identify any authority and legal issues, so any known authority issues from your component will facilitate this analysis).

4. **Capabilities: For each personnel type, provide a "Yes" or "No" in the last five columns with respect to the five capabilities (Crowd/Riot Control, Protection of Property, Arrest, Investigation, and Intelligence)**

Please reference the above NOC number and send responses to
[(b)(6); (b)(7)(C)]   @hq.dhs.gov.

If you require further clarification, or cannot meet the requested suspense, please contact the OPS-NOC Senior Watch Officer at 202-282-[(b)(6); (b)(7)(C)] or by responding to this email.

Subject: (U//FOUO) AS1 RFI (Update 2): DHS Support to Department of Justice - Public Disturbances - Multiple Cities, U.S. (NOC 0378-20-003)

SUSPENSE: 0900 ET, 1 June 2020

This is Update 2 to the AS1 RFI (see the additional information highlighted below).

CBP, ICE, TSA,

The DHS Office of Operations Coordination National Operations Center requests your assistance in obtaining **additional** information for this **AS1 RFI (Update 2).**

BACKGROUND:
As preparations are being drafted to potentially use DHS law enforcement assets to support DOJ and other law enforcement agencies, there is some additional information and refinement needed. At this time, DOJ is focused on seeking possible support from CBP, ICE and TSA. In order to apply available forces to geographic areas of need, we need to refine and/or gather additional information for DOJ. **DOJ would like to know if CBP, ICE, and TSA resources have the requisite skills, training, and authorities to perform the functions of 1) Crown/Riot Control, 2) Protection of Property, 3) Arrest, 4) Investigation, and 5) Intelligence.**

ACTION: Please provide the following additional information on the attached table:

1. Location: Provide the specific location (city and state) of available law enforcement personnel (ICE did not provide locations and USBP only provided sectors) (no need to do this for the assets/equipment).
2. Responsiveness: Provide an assessment of how much time it would take to mobilize and begin deploying your personnel (For example, USBP stated that their personnel could begin moving within 4 hours of an order - this same information is needed from ICE and TSA (i.e., how long after receiving an order to move, would your personnel be able to begin movement to a needed location?).
3. Legal Authorities: Describe any issues or concerns regarding legal authorities regarding provision of law enforcement support. (DOJ and DHS lawyers are tasked to identify any authority and legal issues, so any known authority issues from your component will facilitate this analysis).
4. **Capabilities: For each personnel type, provide a "Yes" or "No" in the last five columns with respect to the five capabilities (Crowd/Riot Control, Protection of Property, Arrest, Investigation, and Intelligence)**

Please reference the above NOC number and send responses to (b)(6); (b)(7)(C) @hq.dhs.gov.

If you require further clarification, or cannot meet the requested suspense, please contact the OPS-NOC Senior Watch Officer at 202-28 (b)(6); (b)(7)(C) or by responding to this email.
