## FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

### Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the [www.fbi.gov/foia](http://www.fbi.gov/foia) website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

### Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. §§ 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.
  - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
  - b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.

Update: I am adding SC Matt Feinberg and Special Advisor [REDACTED] to this week's conversation so that they may continue to gain insights on BWC procurement.

-----

Hello [REDACTED]

Due to the Front Office's high level of interest in BWC procurement, I thought I might set aside a time for us to meet weekly on Fridays to prepare a status update for FFD's Monday leadership meetings.

We can absolutely cancel these meetings as required, move them to biweekly meetings, or have them last from 5-15 minutes. Perhaps we can discuss the frequency and method of these tag-ups on Friday 7/30.

Thank you.

Hello [REDACTED]

SC Barnes recommended that I reach out to you. My name is [REDACTED] and I am working with SC Matt Feinberg on the Body Worn Camera project, which is slowly being transitioned to STB.

We briefed the DD and ADD last week, and they requested a "placemat" one pager, a visualized overview of the body worn camera project. I've compiled some of the components that should be included, but could use a graphic-design oriented person to help organize it and put a data viz touch on it.

I've linked the content in this Word doc here: << OLE Object: Picture (Device Independent Bitmap) >>

Would you be able to assist? I'd be happy to discuss further. Please let me know. Thank you!

Hi Matt,

Both [REDACTED] and I looked at the draft and it seems consistent with what was discussed on Tuesdays call. Before we  
respond, I wanted to check with you to make sure we're consistent.

Hi there,

The Director's Special Assistant reached out a few min ago and asked if we have talking points for the Director regarding BWC. We do not have TP for this in the ESU archives that I can locate. I am hoping maybe one or all of you have a copy of these that were previously sent to the DO?

Thank you for your help!

Sorry for late notice. Adam asked that we pull together a quick phone call so he can give us the latest updates on DOJ's review of our respective BWC policies. Hopefully at least one or two representatives from each agency can join. Thanks.
