[Redacted]

Civil Action No.: 22-cv-149
FOIPA Request No.: 1505050-000
Subject: Body Worn Camera Policy
(Implementation, Communications,
Assessment)

Dear Mr. Sus:

The FBI has completed its thirty-first interim review of records subject to the Freedom of Information/Privacy Acts (FOIPA) that are responsive to your request. The enclosed documents were reviewed under the FOIPA, Title 5, United States Code, Section 552/552a. Below, you will find checked boxes next to applicable statutes for the exemptions asserted to protect information exempt from disclosure. The appropriate exemptions are noted on the processed pages next to redacted information. In addition, a deleted page information sheet was inserted to indicate where pages were withheld entirely pursuant to applicable exemptions. An Explanation of Exemptions is enclosed to further explain the justification for withheld information.

525 pages were reviewed, and 112 pages are being released in full or in part.

Please see the paragraphs below for relevant information specific to your request, and see the enclosed FBI FOIPA Addendum for standard responses applicable to all requests.

In response to your FOIPA request and subsequent civil action case pending in the United States District Court for the District of Columbia, the enclosed documents represent the thirty-first interim release of documents consisting of records Bates stamped FBI(22-cv-149)-15258 – FBI(22-cv-149)-15782.

You were previously advised that documents had been consulted to other government agencies [OGAs]. Some of those documents have been returned and have been included with this release. Redactions were made by the Department of Justice (DOJ), Drug Enforcement Administration (DEA), and Executive Office for United States Attorneys (EOUSA). The documents returned contain records Bates stamped FBI(22-cv-149)-11935 – FBI(22-cv-149)-11937.

This material is being provided to you at no charge.

Duplicate copies of the same document were not processed.

Documents were again located which originated with, or contained information concerning, another Government Agency (OGA). We are consulting with the other agency and are awaiting its response. The FBI will correspond with you regarding those documents when the consultation is completed.

Please refer to the enclosed FBI FOIPA Addendum for additional standard responses applicable to your request. **“Part 1”** of the Addendum includes standard responses that apply to all requests. **“Part 2”** includes additional standard responses that apply to all requests for records about yourself or any third party individuals. **“Part 3”** includes general information about FBI records that you may find useful. Also enclosed is our Explanation of Exemptions.

Although your request is in litigation, we are required by law to provide you the following information:

If you are not satisfied with the Federal Bureau of Investigation’s determination in response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP’s FOIA STAR portal by creating an account following the instructions on OIP’s website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within ninety (90) days of the date of this response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." If possible, please provide a copy of your original request and this response letter with your appeal.

You may seek dispute resolution services by emailing the FBI’s FOIA Public Liaison at foipaquestions@fbi.gov. The subject heading should clearly state “Dispute Resolution Services.” Please also cite the FOIPA Request Number assigned to your request so it may be easily identified. You may also contact the Office of Government Information Services (OGIS). The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Please direct any further inquiries about this case to the attorney representing the Government in this matter. Please use the FOIPA Request Number and/or Civil Action Number in all correspondence or inquiries concerning your request.

Sincerely,

Record/Information Dissemination Section
Information Management Division

Enclosures

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. § 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.
 - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
 - b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

EXPLANATION OF EXEMPTIONS

SUBSECTIONS OF TITLE 5, UNITED STATES CODE, SECTION 552

- (b)(1) (A) specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and (B) are in fact properly classified to such Executive order;
- (b)(2) related solely to the internal personnel rules and practices of an agency;
- (b)(3) specifically exempted from disclosure by statute (other than section 552b of this title), provided that such statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on issue, or (B) establishes particular criteria for withholding or refers to particular types of matters to be withheld;
- (b)(4) trade secrets and commercial or financial information obtained from a person and privileged or confidential;
- (b)(5) inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;
- (b)(6) personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
- (b)(7) records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or (F) could reasonably be expected to endanger the life or physical safety of any individual;
- (b)(8) contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or
- (b)(9) geological and geophysical information and data, including maps, concerning wells.

SUBSECTIONS OF TITLE 5, UNITED STATES CODE, SECTION 552a

- (d)(5) information compiled in reasonable anticipation of a civil action proceeding;
- (j)(2) material reporting investigative efforts pertaining to the enforcement of criminal law including efforts to prevent, control, or reduce crime or apprehend criminals;
- (k)(1) information which is currently and properly classified pursuant to an Executive order in the interest of the national defense or foreign policy, for example, information involving intelligence sources or methods;
- (k)(2) investigatory material compiled for law enforcement purposes, other than criminal, which did not result in loss of a right, benefit or privilege under Federal programs, or which would identify a source who furnished information pursuant to a promise that his/her identity would be held in confidence;
- (k)(3) material maintained in connection with providing protective services to the President of the United States or any other individual pursuant to the authority of Title 18, United States Code, Section 3056;
- (k)(4) required by statute to be maintained and used solely as statistical records;
- (k)(5) investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or for access to classified information, the disclosure of which would reveal the identity of the person who furnished information pursuant to a promise that his/her identity would be held in confidence;
- (k)(6) testing or examination material used to determine individual qualifications for appointment or promotion in Federal Government service the release of which would compromise the testing or examination process;
- (k)(7) material used to determine potential for promotion in the armed services, the disclosure of which would reveal the identity of the person who furnished the material pursuant to a promise that his/her identity would be held in confidence.

USE OF BODY-WORN CAMERAS (BWC) BY FEDERALLY-DEPUTIZED TASK FORCE OFFICERS DURING FBI TASK FORCE OPERATIONS

1. The parent agency of each individual Task Force Officer (TFO) assigned to the Safe Streets Task Force will ensure while the individual is participating in FBI-led task force operations the individual will comply with the requirements of the Department of Justice Policy on Use of Body Worn Cameras issued in October 2020 (hereinafter "DOJ Policy")
2. The parent agency and the TFO will each acknowledge their review of the DOJ Policy and FBI Standard Operation Procedures (SOPs). The parent agency will provide signature authority and the TFOs will initial both documents. These copies will be placed in the [redacted] file as well as in the FBI Filed Office Task Force administrative file.
3. The parent agency of each individual assigned to the Safe Streets Task Force as well as each TFO assigned to the FBI-led task force will acknowledge the parent agency's policies and procedures for use of BWC will be superseded by the DOJ Policy during FBI Task Force operations. Each agency will sign an Acknowledgement form and each TFO will initial the same form which will be placed in the [redacted] file as well as in the FBI Field Office Task Force administrative file.
4. TFO authority to utilize BWCs during FBI Task Force operations will commence on the date all signatures and approvals are obtained and will remain in effect unless discontinued by mutual agreement of the parties.
5. Pursuant to the DOJ Policy, TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be a federal record, subject to federal access to information laws, regulations, policies, and procedures.

USE OF BODY-WORN CAMERAS BY FEDERALLY DEPUTIZED TASK FORCE OFFICERS

The Department of Justice (Department or DOJ) permits the use of body worn cameras (BWCs) by task force officers (TFOs) on federal task forces. This policy provides the parameters for the use of BWCs by TFOs to the extent that a state or local law enforcement agency¹ requires their use by its officers during federal task force operations. DOJ law enforcement agencies may issue internal standard operating procedures to implement TFO use of BWCs consistent with this policy.² For purposes of this policy, the term, "TFO BWC recordings," refers to audio and video recordings and associated metadata from TFO BWCs made while the TFO is working under federal authority, including state and local warrants adopted by a federal agency.

I. BACKGROUND

The Department of Justice partners with state and local law enforcement agencies throughout the nation on joint task forces. This relationship is vitally important to the Department and its mission to protect our communities. Several of these participating state and local agencies have implemented internal policies mandating the use of BWCs and have requested that their officers wear BWCs while conducting planned arrests and

¹ This policy applies equally to tribal and territorial law enforcement agencies.

² This policy provides Department components with internal direction. It is not intended to, does not, and may not be relied upon to create any substantive or procedural rights enforceable at law by any party in any civil or criminal matter.

searches during federal task force operations. Some state and local agencies, however, do not equip their officers with BWCs. To the extent state and local law enforcement agencies mandate BWCs for TFOs while engaged in federal task force operations, the Department will permit federally deputized TFOs from those agencies to use their BWCs under the following circumstances.

ii. USE OF BODY WORN CAMERAS DURING FEDERAL TASK FORCE OPERATIONS

Unless subject to specific exceptions below, TFOs employed by a law enforcement agency that mandates the use of BWCs on federal task forces may wear and activate their recording equipment for the purpose of recording their actions during task operations³ only during: (1) a planned attempt to serve an arrest warrant or other planned arrest; or, (2) the execution of a search warrant.⁴ TFOs are authorized to activate their BWCs upon approaching a subject or premises, and must deactivate their BWCs when the scene is secured as determined by the federal supervisor on the scene as designated by the sponsoring federal agency. For purposes of this policy, the term "secured" means that the scene is safe and under law enforcement control. In the event circumstances arise requiring additional law enforcement assistance to secure the scene, the TFO will end BWC recording when relieved from the scene by another law enforcement officer. TFOs are prohibited from recording: (1) undercover personnel; (2) confidential informants or confidential sources; (3) on-scene witness interviews prior to or after the operation; (4)

³ TFOs are authorized to wear and activate their recording equipment in accordance with this policy anywhere they are authorized to act as a police or peace officer under state, local, territorial or tribal law.

⁴ For the execution of a search warrant, BWCs should not be used for searches of property lawfully in government custody or control, or a search to obtain digital or electronic records executed by a third party, such as an electronic service provider or custodian of electronic records.

personnel using specialized or sensitive investigative techniques or equipment; or (5) on-scene actions by any non-law enforcement persons who are assisting law enforcement personnel prior to or after the operation. TFOs are prohibited from activating their BWC if the TFO is using specialized or sensitive investigative techniques, operating in a sensitive area, or working in an undercover or covert status on behalf of the federal task force or federal agency as determined by the federal agency sponsoring the task force. Subject to the discretion of the federal agency sponsoring the task force, TFOs generally shall not use their BWCs to record any activities related to investigations involving public corruption, medical facilities, national security, or other sensitive investigations. The Department's policy of permitting the limited use of BWCs on task forces does not apply to highly specialized or sensitive operations or groups as determined by the federal agency sponsoring the task force.

III. STORAGE OF TASK FORCE OFFICER BODY WORN CAMERA RECORDINGS IN FEDERAL TASK FORCE OPERATIONS

The TFO activating a BWC during federal task force operations is responsible for downloading, or having his/her parent agency personnel download, the resulting TFO BWC recordings. Once the TFO BWC recording is downloaded, it shall be placed onto external media (e.g., DVD, hard drive, etc.), or another mutually agreeable delivery mechanism, and promptly provided to the federal task force. The TFO parent agency will provide to the sponsoring federal agency a recording that qualifies as a "duplicate" under Federal Rule of Evidence 1001(e).⁵ The federal agency sponsoring the task force shall

⁵ Under Fed. R. Evid. 1001(e), "[a] 'duplicate' means a counterpart produced by a mechanical, photographic, chemical, electronic, or other equivalent process or technique that accurately reproduces the original."

maintain the TFO BWC recording from the TFO as appropriate in the federal agency's files.

IV. FEDERAL RECORDS

All TFO BWC recordings made during federal task force operations, including such recordings retained by the TFO's parent agency and/or in the possession of any third party engaged by the parent agency to store or process BWC recordings, shall be deemed federal records of the Department and the federal agency sponsoring the task force pursuant to the Federal Records Act. In all circumstances, TFO BWC recordings shall be treated as law enforcement sensitive information, the premature disclosure of which could reasonably be expected to interfere with enforcement proceedings, and as potential evidence in a federal investigation subject to applicable federal laws, rules, and policy concerning any disclosure or dissemination; and therefore deemed privileged absent appropriate redaction prior to disclosure or dissemination. Nothing in this policy shall be deemed to provide a right of public access to TFO BWC recordings. TFO BWC recordings are controlled by, and the property of, the Department and will be retained and managed by the federal agency sponsoring the task force. The federal agency sponsoring the task force is responsible for considering requests to release TFO BWC recordings. These records cannot be disseminated without the written permission of the Department, subject to the following exceptions:

A. Internal Dissemination

The TFO's parent agency is authorized to use TFO BWC recordings for internal investigations of its personnel consistent with the parent agency's policies and

procedures, but may not disseminate the BWC recording outside the parent agency or for public release without the written permission of the Department. The parent agency shall provide written notification to the sponsoring federal agency prior to any internal review.

B. Expedited Public Release

If TFO BWC recording(s) depict conduct committed solely by a TFO resulting in serious bodily injury or death of another, the TFO's parent agency shall notify the sponsoring federal agency⁶ and the United States Attorney as early as possible if it desires to publicly release the TFO's BWC recording(s). The sponsoring federal agency and the United States Attorney will expeditiously review the recording(s) and provide official concurrence with public release as soon as practical, unless there are specific and compelling circumstances justifying an objection to public release that cannot be resolved by redaction or other means. Upon official concurrence, the TFO's parent agency may immediately release the recording(s) with any agreed-upon redactions, giving as much advance notice as possible to the sponsoring federal agency and United States Attorney as to the time and manner of its release.

⁶ The notification may be to the Special Agent in Charge (SAC) of the federal agency sponsoring the task force or, in the case of United States Marshals Service-led task forces, the local United States Marshal and the Assistant Director (AD) / Investigative Operations Division (IOD) of the U.S. Marshals Service, and any discussions, negotiations, and concurrence may be made by the SAC or, in the case of the US Marshals Service, the local US Marshal and AD/IOD, after appropriate consultation within their agency.

V. MEMORIALIZATION

Subject to the guidance set forth in this policy, the SAC of the sponsoring federal law enforcement agency or, in the case of United States Marshals Service-led task forces, the Assistant Director of the Investigative Operations Division, is responsible for memorializing any agreement with a state and local law enforcement agency on the use of BWCs by federally deputized TFOs during federal task force operations. Upon notification to the United States Attorney, the SAC or AD/IOD shall execute a Memorandum of Understanding (MOU), or addendum to a preexisting MOU, prior to use of BWCs by TFOs that sets forth the details for the use of BWCs by TFOs on the task force consistent with this policy. Prior to entering into any agreement, the TFO's parent agency shall provide to the federal agency sponsoring the task force the details regarding the BWC system and cameras, including the details of any system protections, to the satisfaction of the federal agency, and any state or local policies or laws applicable to the TFO's use of BWCs, including any retention policies. This MOU shall make clear that TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be federal records, subject to federal retention and information access laws, regulations, policies, and procedures. The federal agency sponsoring the task force will ensure that all participating agencies are informed of which participating agencies, if any, mandate BWC use by their respective TFOs, and provide all participating agencies with this policy.

USE OF BODY-WORN CAMERAS (BWC) BY FEDERALLY-DEPUTIZED TASK FORCE OFFICERS DURING FBI TASK FORCE OPERATIONS

1. The parent agency of each individual Task Force Officer (TFO) assigned to the Little Rock Child Exploitation and Human Trafficking Task Force will ensure while the individual is participating in FBI-led task force operations the individual will comply with the requirements of the Department of Justice Policy on Use of Body Worn Cameras issued in October 2020 (hereinafter "DOJ Policy").
2. The parent agency and the TFO will each acknowledge their review of the DOJ Policy and FBI Standard Operation Procedures (SOPs). The parent agency will provide signature authority and the TFOs will initial both documents. These copies will be placed in the [redacted] file as well as in the FBI Filed Office Task Force administrative file.
3. The parent agency of each individual assigned to the Little Rock Child Exploitation and Human Trafficking Task Force as well as each TFO assigned to the FBI-led task force will acknowledge the parent agency's policies and procedures for use of BWC will be superseded by the DOJ Policy during FBI Task Force operations. Each agency will sign an Acknowledgement form and each TFO will initial the same form which will be placed in the [redacted] file as well as in the FBI Field Office Task Force administrative file.
4. TFO authority to utilize BWCs during FBI Task Force operations will commence on the date all signatures and approvals are obtained and will remain in effect unless discontinued by mutual agreement of the parties.
5. Pursuant to the DOJ Policy, TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be a federal record, subject to federal access to information laws, regulations, policies, and procedures.

USE OF BODY-WORN CAMERAS BY FEDERALLY DEPUTIZED TASK FORCE OFFICERS

The Department of Justice (Department or DOJ) permits the use of body worn cameras (BWCs) by task force officers (TFOs) on federal task forces. This policy provides the parameters for the use of BWCs by TFOs to the extent that a state or local law enforcement agency¹ requires their use by its officers during federal task force operations. DOJ law enforcement agencies may issue internal standard operating procedures to implement TFO use of BWCs consistent with this policy.² For purposes of this policy, the term, "TFO BWC recordings," refers to audio and video recordings and associated metadata from TFO BWCs made while the TFO is working under federal authority, including state and local warrants adopted by a federal agency.

I. BACKGROUND

The Department of Justice partners with state and local law enforcement agencies throughout the nation on joint task forces. This relationship is vitally important to the Department and its mission to protect our communities. Several of these participating state and local agencies have implemented internal policies mandating the use of BWCs and have requested that their officers wear BWCs while conducting planned arrests and

¹ This policy applies equally to tribal and territorial law enforcement agencies.

² This policy provides Department components with internal direction. It is not intended to, does not, and may not be relied upon to create any substantive or procedural rights enforceable at law by any party in any civil or criminal matter.

searches during federal task force operations. Some state and local agencies, however, do not equip their officers with BWCs. To the extent state and local law enforcement agencies mandate BWCs for TFOs while engaged in federal task force operations, the Department will permit federally deputized TFOs from those agencies to use their BWCs under the following circumstances.

II. USE OF BODY WORN CAMERAS DURING FEDERAL TASK FORCE OPERATIONS

Unless subject to specific exceptions below, TFOs employed by a law enforcement agency that mandates the use of BWCs on federal task forces may wear and activate their recording equipment for the purpose of recording their actions during task operations³ only during: (1) a planned attempt to serve an arrest warrant or other planned arrest; or, (2) the execution of a search warrant.⁴ TFOs are authorized to activate their BWCs upon approaching a subject or premises, and must deactivate their BWCs when the scene is secured as determined by the federal supervisor on the scene as designated by the sponsoring federal agency. For purposes of this policy, the term “secured” means that the scene is safe and under law enforcement control. In the event circumstances arise requiring additional law enforcement assistance to secure the scene, the TFO will end BWC recording when relieved from the scene by another law enforcement officer. TFOs are prohibited from recording: (1) undercover personnel; (2) confidential informants or confidential sources; (3) on-scene witness interviews prior to or after the operation; (4)

³ TFOs are authorized to wear and activate their recording equipment in accordance with this policy anywhere they are authorized to act as a police or peace officer under state, local, territorial or tribal law.

⁴ For the execution of a search warrant, BWCs should not be used for searches of property lawfully in government custody or control, or a search to obtain digital or electronic records executed by a third party, such as an electronic service provider or custodian of electronic records.

personnel using specialized or sensitive investigative techniques or equipment; or (5) on-scene actions by any non-law enforcement persons who are assisting law enforcement personnel prior to or after the operation. TFOs are prohibited from activating their BWC if the TFO is using specialized or sensitive investigative techniques, operating in a sensitive area, or working in an undercover or covert status on behalf of the federal task force or federal agency as determined by the federal agency sponsoring the task force. Subject to the discretion of the federal agency sponsoring the task force, TFOs generally shall not use their BWCs to record any activities related to investigations involving public corruption, medical facilities, national security, or other sensitive investigations. The Department's policy of permitting the limited use of BWCs on task forces does not apply to highly specialized or sensitive operations or groups as determined by the federal agency sponsoring the task force.

III. STORAGE OF TASK FORCE OFFICER BODY WORN CAMERA RECORDINGS IN FEDERAL TASK FORCE OPERATIONS

The TFO activating a BWC during federal task force operations is responsible for downloading, or having his/her parent agency personnel download, the resulting TFO BWC recordings. Once the TFO BWC recording is downloaded, it shall be placed onto external media (e.g., DVD, hard drive, etc.), or another mutually agreeable delivery mechanism, and promptly provided to the federal task force. The TFO parent agency will provide to the sponsoring federal agency a recording that qualifies as a "duplicate" under Federal Rule of Evidence 1001(e).⁵ The federal agency sponsoring the task force shall

⁵ Under Fed. R. Evid. 1001(e), "[a] 'duplicate' means a counterpart produced by a mechanical, photographic, chemical, electronic, or other equivalent process or technique that accurately reproduces the original."

maintain the TFO BWC recording from the TFO as appropriate in the federal agency's files.

IV. FEDERAL RECORDS

All TFO BWC recordings made during federal task force operations, including such recordings retained by the TFO's parent agency and/or in the possession of any third party engaged by the parent agency to store or process BWC recordings, shall be deemed federal records of the Department and the federal agency sponsoring the task force pursuant to the Federal Records Act. In all circumstances, TFO BWC recordings shall be treated as law enforcement sensitive information, the premature disclosure of which could reasonably be expected to interfere with enforcement proceedings, and as potential evidence in a federal investigation subject to applicable federal laws, rules, and policy concerning any disclosure or dissemination; and therefore deemed privileged absent appropriate redaction prior to disclosure or dissemination. Nothing in this policy shall be deemed to provide a right of public access to TFO BWC recordings. TFO BWC recordings are controlled by, and the property of, the Department and will be retained and managed by the federal agency sponsoring the task force. The federal agency sponsoring the task force is responsible for considering requests to release TFO BWC recordings. These records cannot be disseminated without the written permission of the Department, subject to the following exceptions:

A. Internal Dissemination

The TFO's parent agency is authorized to use TFO BWC recordings for internal investigations of its personnel consistent with the parent agency's policies and

procedures, but may not disseminate the BWC recording outside the parent agency or for public release without the written permission of the Department. The parent agency shall provide written notification to the sponsoring federal agency prior to any internal review.

B. Expedited Public Release

If TFO BWC recording(s) depict conduct committed solely by a TFO resulting in serious bodily injury or death of another, the TFO's parent agency shall notify the sponsoring federal agency⁶ and the United States Attorney as early as possible if it desires to publicly release the TFO's BWC recording(s). The sponsoring federal agency and the United States Attorney will expeditiously review the recording(s) and provide official concurrence with public release as soon as practical, unless there are specific and compelling circumstances justifying an objection to public release that cannot be resolved by redaction or other means. Upon official concurrence, the TFO's parent agency may immediately release the recording(s) with any agreed-upon redactions, giving as much advance notice as possible to the sponsoring federal agency and United States Attorney as to the time and manner of its release.

⁶ The notification may be to the Special Agent in Charge (SAC) of the federal agency sponsoring the task force or, in the case of United States Marshals Service-led task forces, the local United States Marshal and the Assistant Director (AD) / Investigative Operations Division (IOD) of the U.S. Marshals Service, and any discussions, negotiations, and concurrence may be made by the SAC or, in the case of the US Marshals Service, the local US Marshal and AD/IOD, after appropriate consultation within their agency.

V. MEMORIALIZATION

Subject to the guidance set forth in this policy, the SAC of the sponsoring federal law enforcement agency or, in the case of United States Marshals Service-led task forces, the Assistant Director of the Investigative Operations Division, is responsible for memorializing any agreement with a state and local law enforcement agency on the use of BWCs by federally deputized TFOs during federal task force operations. Upon notification to the United States Attorney, the SAC or AD/IOD shall execute a Memorandum of Understanding (MOU), or addendum to a preexisting MOU, prior to use of BWCs by TFOs that sets forth the details for the use of BWCs by TFOs on the task force consistent with this policy. Prior to entering into any agreement, the TFO's parent agency shall provide to the federal agency sponsoring the task force the details regarding the BWC system and cameras, including the details of any system protections, to the satisfaction of the federal agency, and any state or local policies or laws applicable to the TFO's use of BWCs, including any retention policies. This MOU shall make clear that TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be federal records, subject to federal retention and information access laws, regulations, policies, and procedures. The federal agency sponsoring the task force will ensure that all participating agencies are informed of which participating agencies, if any, mandate BWC use by their respective TFOs, and provide all participating agencies with this policy.

USE OF BODY-WORN CAMERAS (BWC) BY FEDERALLY-DEPUTIZED TASK FORCE OFFICERS DURING FBI TASK FORCE OPERATIONS

1. The parent agency of each individual Task Force Officer (TFO) assigned to the GETROCK SAFE STREETS TASK FORCE will ensure while the individual is participating in FBI-led task force operations the individual will comply with the requirements of the Department of Justice Policy on Use of Body Worn Cameras issued in October 2020 (hereinafter "DOJ Policy").
2. The parent agency and the TFO will each acknowledge their review of the DOJ Policy and FBI Standard Operation Procedures (SOPs). The parent agency will provide signature authority and the TFOs will initial both documents. These copies will be placed in the [redacted] file as well as in the FBI Filed Office Task Force administrative file.
3. The parent agency of each individual assigned to the GETROCK SAFE STREETS TASK FORCE as well as each TFO assigned to the FBI-led task force will acknowledge the parent agency's policies and procedures for use of BWC will be superseded by the DOJ Policy during FBI Task Force operations. Each agency will sign an Acknowledgement form and each TFO will initial the same form which will be placed in the [redacted] file as well as in the FBI Field Office Task Force administrative file.
4. TFO authority to utilize BWCs during FBI Task Force operations will commence on the date all signatures and approvals are obtained and will remain in effect unless discontinued by mutual agreement of the parties.
5. Pursuant to the DOJ Policy, TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be a federal record, subject to federal access to information laws, regulations, policies, and procedures.

⁶ The notification may be to the Special Agent in Charge (SAC) of the federal agency sponsoring the task force or, in the case of United States Marshals Service-led task forces, the local United States Marshal and the Assistant Director (AD) / Investigative Operations Division (IOD) of the U.S. Marshals Service, and any discussions, negotiations, and concurrence may be made by the SAC or, in the case of the US Marshals Service, the local US Marshal and AD/IOD, after appropriate consultation within their agency.

V. MEMORIALIZATION

Subject to the guidance set forth in this policy, the SAC of the sponsoring federal law enforcement agency or, in the case of United States Marshals Service-led task forces, the Assistant Director of the Investigative Operations Division, is responsible for memorializing any agreement with a state and local law enforcement agency on the use of BWCs by federally deputized TFOs during federal task force operations. Upon notification to the United States Attorney, the SAC or AD/IOD shall execute a Memorandum of Understanding (MOU), or addendum to a preexisting MOU, prior to use of BWCs by TFOs that sets forth the details for the use of BWCs by TFOs on the task force consistent with this policy. Prior to entering into any agreement, the TFO's parent agency shall provide to the federal agency sponsoring the task force the details regarding the BWC system and cameras, including the details of any system protections, to the satisfaction of the federal agency, and any state or local policies or laws applicable to the TFO's use of BWCs, including any retention policies. This MOU shall make clear that TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be federal records, subject to federal retention and information access laws, regulations, policies, and procedures. The federal agency sponsoring the task force will ensure that all participating agencies are informed of which participating agencies, if any, mandate BWC use by their respective TFOs, and provide all participating agencies with this policy.

USE OF BODY-WORN CAMERAS (BWC) BY FEDERALLY-DEPUTIZED TASK FORCE OFFICERS DURING FBI TASK FORCE OPERATIONS

1. The parent agency of each individual Task Force Officer (TFO) assigned to the (McAllen Complex Financial Crimes Task Force) will ensure while the individual is participating in FBI-led task force operations the individual will comply with the requirements of the Department of Justice Policy on Use of Body Worn Cameras issued in October 2020 (hereinafter "DOJ Policy").
2. The parent agency and the TFO will each acknowledge their review of the DOJ Policy and FBI Standard Operation Procedures (SOPs). The parent agency will provide signature authority and the TFOs will initial both documents. These copies will be placed in the [redacted] file as well as in the FBI Filed Office task force administrative file.
3. The parent agency of each individual assigned to the (McAllen Complex Financial Crimes Task Force) as well as each TFO assigned to the FBI-led task force will acknowledge the parent agency's policies and procedures for use of BWC will be superseded by the DOJ Policy during FBI Task Force operations. Each agency will sign an Acknowledgement form and each TFO will initial the same form which will be placed in the [redacted] file as well as in the FBI Field Office task force administrative file.
4. TFO authority to utilize BWCs during FBI Task Force operations will commence on the date all signatures and approvals are obtained and will remain in effect unless discontinued by mutual agreement of the parties.
5. Pursuant to the DOJ Policy, TFO BWC recordings, including such recordings residing in the state/local agency's BWC system or other copies retained by the agency and/or in the possession of any third party engaged by the agency to store or process BWC recordings, are deemed to be a federal record, subject to federal access to information laws, regulations, policies, and procedures.

Nicole,

I think you're right that this doesn't have a clear owner from CID. In the past two weeks, I've taken up the mantle on the upcoming BWC Phase 1 pilot for FBI Special Agents, but have not had any visibility into the pre-existing TFO BWC pilot [Redacted] has been a huge help in getting me in the loop, including getting this in front of me today! I will attempt to track down who has these answer and relay what I'm discovering. Thank you!

b6 -1
b7C -1

The DOJ's Task Force Officer (TFO) Body Worn Camera (BWC) pilot program was completed with the issuance of DOJ's formal TFO BWC policy on October 29, 2020. The DOJ and FBI consider the TFO BWC pilot program a success, which led to the formalization of the program with the issuance of the policy in October 2020. However, state and local law enforcement partners continue to express concerns over DOJ's determination that BWC footage would be considered a federal record and the restrictions on the use of BWCs interjurisdictionally (i.e., TFO BWCs could not be used on operations that take place in an area outside the partner agency's locally established area of responsibility).

Following the issuance of DOJ's final policy, the FBI developed and implemented formal standard operating procedures (SOP), in accordance with the DOJ policy, which permitted FBI federal deputized officers to activate their agency-owned BWCs during certain pre-planned operations. The FBI does not use or provide any BWC technology for TFOs as the current policy and SOP only permit TFOs to wear their home agency (i.e., the state, local, or tribal agency employing the TFO) BWC and provide all footage obtained during FBI operations to the FBI via external media.

Subject: FW: FY 2021 Joint Explanatory Statement - DOJ Body Camera Pilot and Use of Force Policies

DAD Dunham and DAD Dimos,
In May we were tasked by DOJ to contribute to a Congressional Report on the DOJ Task Force Body Camera Pilot (described in the email below).

The CID team has helped us craft the below response and we wanted to get your approval (or any edits) before sending.

It is due today, but we also wanted to make sure you don't have any issue with the writeup going to DOJ before your meeting with the DD on Monday.

Please let us know whether you approve the below language and whether you are comfortable with us sending today.

Thanks and sorry for the late review request!

b6 -1
b7C -1

To: [redacted]
Cc: [redacted]

Sent: June 7, 2021 10:37 AM (UTC-04:00)

Good morning [redacted]

Thank you for taking the time to connect this morning regarding ITADD [redacted] EOY funding request for the BW [redacted] which we originally projected as an FY22 expense. My notes for your review are below.

b7E -7,30

[redacted]

b7E -7,30

Funding Timeline

- While it was originally anticipated that ITADD's [redacted] requirement for body worn camera [redacted] funding would not be required until FY 2022, an FY 2021 end-of-year funding path would minimize data storage risks for the organization [redacted]
[redacted] could be used as an interim solution if the tandem launch date is not feasible, switching the storage locations could open the FBI up to questions regarding the integrity of the storage. OCG could be asked to expand on this potential risk if necessary.

Are there any mitigating strategies for the risk detailed above that could be considered?

Thank you,
[redacted]

b7E -3

Swing by in the am for the 7:30 meeting in my office. I can tell you what I need for next steps. Basically, it will be a new timeline – in timeline format, comparing the old with the “new” timeline showing where we can shave some time and at least start working with some devices as soon as we get them – as part of our open competition. More when I see you.

Sir,

I got your message and happened to be on with DOJ when you called. Agree with the complicated landscape and hope to help navigate you through it tomorrow.

Matt

Thanks, not sure if you heard, we have a good proposal for Phase 1 that I hope to get a final answer from FBI soon. Let's talk Monday.
Have a great weekend
Adam

Adam,

We are making good progress and I hope to have a good answer on staffing the final product when I return on Monday. In the interim I see my boss has reached out to you as well.

Matt

b7E -3

Hi Matt
Certainly don't want to bother you this week while you are on leave. Just wanted to check in to see any updates on finalizing the BWC Policy language. We need to wrap up the policy as soon as possible.
Thanks
Adam

b7E -3

b6 -per DOJ

Adam,

We coordinated with the other components on the suggested BWC policy edits and I briefed our EM on the new proposed language. It is with our OGC and EM and I will let you know when it is finalized. I also briefed EM on the Phase 1 implementation options and we are exploring how to outfit training and CIRG while we undertake the full open compete contract. As an aside I am on leave this week [REDACTED] but can be reached via email.

Subject: [EXTERNAL EMAIL] - DEA BWC Policy on Agents Viewing Footage involving OPR

b7E -3
b6 -per DOJ

DEA personnel assigned to the Office of Professional Responsibility (OPR) will be given direct access to the DEA BWC system and are authorized to access and copy BWC recordings as needed to perform their duties. OPR personnel will be given administrative rights to restrict access to BWC recordings as OPR deems necessary to perform its duties.

Adam Braverman

Subject: BWC - DAC Executive Council Meeting Agenda and Topic Summaries
Importance: High

Hi Jay/Matt,

Thank you for your patience.

- The Director's Advisory Committees (DAC) Executive Council Meeting will be on **September 14-16, 2021**. It will now be a hybrid conference. **We are requesting that HQ EM attend in person with the DAC Co-Chairs**. The DAC Council members will be on a virtual platform. The room numbers for each meeting are listed on the agenda.
- I have attached the entire conference agenda for you to review. If you see a meeting that you believe you should attend, please let me know soonest.
- You are slated to discuss Body Worn Cameras. The SAAC has provided the following explanation:

[REDACTED]

Subject: BWC OMB Briefing Times

Good Afternoon,

Thanks again for all of the work and collaboration on the DOJ briefing in July. On Monday we sent the budget to OMB and the time has come to have briefings with OMB. Unfortunately the only days that OMB will be available to listen to these briefs is 9/28 and 9/29. I have included all of the people who led the DOJ briefings from before. Below is the briefing agenda. Can you all please respond with times that you are available? Once we have a time set for the briefing I will reach out to set up a quick pre-brief.

ALCON,

I wanted to extend my gratitude to all the participants who made today's first body worn camera practical a success. Today we successfully demonstrated the use of BWCs in a training environment at Hogan's Alley and we were able to [REDACTED]

[REDACTED] We have already learned valuable lessons which will help us be better prepared for action at the end of the month. It was a great team effort and special thanks to the agents [REDACTED] who selflessly stepped up to be the first to wear BWCs for the FBI. Also my sincere thanks to the support we received from Training Division and OTD who on a very short timeline put together an outstanding training module. We still have a few bugs to work out, but I am

Subject: BWC OMB Briefing Times

Good Afternoon,

Thanks again for all of the work and collaboration on the DOJ briefing in July. On Monday we sent the budget to OMB and the time has come to have briefings with OMB. Unfortunately the only days that OMB will be available to listen to these briefs is 9/28 and 9/29. I have included all of the people who led the DOJ briefings from before. Below is the briefing agenda. Can you all please respond with times that you are available? Once we have a time set for the briefing I will reach out to set up a quick pre-brief.

Body Worn Cameras Briefing Summary

FY 2023 Enhancement Briefing to OMB

Time of Brief: TBD

Introduction

- Roll Call - 2 Minutes [redacted]
- Summary of Request (CD SC Matthew Feinberg)

Stephen,
Thanks for this! I really appreciate the work over the last few days...I know it was a lot.

I read this morning and had a few initial thoughts, but will plan to push this on to whoever may need it and explain it is a working document.

[redacted] just a dropped "0" in 2020 on line 3.

[redacted] We use the term [redacted] here. Given the verbiage in [redacted]

[redacted] Do we need to [redacted] Would this be defined in [redacted]

[redacted]

[redacted] - Could we say [redacted]

[redacted]

[redacted] First sentence should probably read [redacted]

[redacted]

[redacted] Also, when talking about [redacted]
[redacted] Provides flexibility [redacted] and may be a little less confusing.

[redacted] Similarly, we describe [redacted] in some places and [redacted]
[redacted] in others. Can we just say [redacted] once
up front and then use [redacted] throughout?

[redacted] The [redacted] set of policy citations [redacted] are of the DIOG, I believe, as opposed to [redacted]
[redacted] Legal question - [redacted]

[redacted]

[redacted] We say [redacted]

[redacted] Should we change that to [redacted]

[redacted] Or something like [redacted]

take into account [redacted]

Thanks again! I know most of these issues are just a result of consolidating a couple of separate documents and trying to make it work as one set.

Tim
