Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. §§ 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records, administrative records of previous FOIPA requests, or civil litigation files.
 - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
 - b. *Reference Entity Records* – created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

Here are some highlights from today's coordination call regarding the 6 January events:

Overall Highlights:

[REDACTED]

- There is anticipated for large numbers at the 6th January event, especially as POTUS has discussed and promoted it.
- POTUS is expected to arrive in DC on 1 January and then a trip to Atlanta on 4 Jan; it does not appear at this time that he or the family was invited to these events or will attend.
- Anticipated WMATA stations to see increase in ridership are Metro Center, Gallery Place, and Union Station; this is based on similar events from 12 December.

Good afternoon,

The Metropolitan Police Department's Joint Operations Command Center (JOCC) will be operational for two (2) upcoming events:

1. Thursday, December 31, 2020 at 1800 hours for New Year's Eve activities throughout the District. It will remain activated until all events clear.
2. Wednesday, January 6, 2021 at 0700 hours for First Amendment demonstrations throughout the District. It will remain activated until all events clear.

If you would like to have a representative for either (or both) of these JOCC activations, please reply directly to me providing the name and contact information for the representative, as well as the hours we should expect the representative to be in the JOCC. I will try my best to ensure that he or she has seating during the event. Please keep in mind that we are extremely limited in spacing due to the current health pandemic and the need to practice social distancing. Good afternoon,

Hope everyone had a great holiday weekend. My apologies for the second email. However, due to a scheduling conflict, we will not be activating until **2000 hours on December 31, 2020.**

Thank you again for your support.

If you are no longer the point of contact for your agency, please reply and let me know who the point of contact should be.

[REDACTED]
[REDACTED] Unfortunately, we cannot provide garage parking during this event. [REDACTED]
[REDACTED] however, there are designated areas that you can park in the street or in public parking facilities nearby. [REDACTED]
[REDACTED]

Health/temperature screenings will be required upon entry into the JOCC. Additionally, face masks are required while inside of MPD facilities. While MPD will have some spare personal protective equipment (PPE) and cleaning materials on site, it is highly recommended that representatives bring their own.

There will not be meals provided during the activation, so please ensure you bring all the personal food and beverage you require for your tour of duty. There are some vending machines in the building as well.

b6 -6

Unfortunately, there will be no available refrigerators, so if needed please bring a small cooler if needed.

b7C -6

There are some local restaurants that deliver to [REDACTED] as well.

b7E -8

There is wireless connectivity in the JOCC and it is an UNCLASSIFIED//~~FOUO~~/LES operating environment, so laptops, cell phones, and agency radios are authorized. If you do not have a laptop with a wireless connection, there are a limited number of DC government computers at some of the work stations that we can facilitate access through. Please let us know if this is the case ahead of time.

As always, thank you for your continued support.

Respectfully,

Good morning Bosses,

Just wanted to give you a heads up that we and HQ OPA have received several inquiries about whether the FBI has information about planned violence at the January 6 protest, or ahead of next week's electoral college certification by Congress. We and HQ have so far declined to comment, but I wanted to put it on your radars [REDACTED] when media inquiries will likely increase.

Law enforcement and partner agencies continue to mobilize necessary resources to address the dynamic situation at the Capitol and throughout the larger DC-area. Efforts to safely evacuate all individuals at the US Capitol and clear the grounds continue to evolve rapidly precluding exact estimates pertaining to crowd size and movement.

IOC INTELLIGENCE:

(U//~~FOUO~~) Law enforcement identified a suspicious vehicle parked in the 300 block of First St SE at approximately 0915. The owner of the vehicle was identified as Alabama-resident Lonnie Coffman. USCP recovered two firearms on Coffman's person and arrested him on weapons violations. A safety search of the vehicle by USCP revealed a cooler with 11 mason jars filled with an unknown liquid; a pistol, rifle, M4, machetes, crossbow, and various types of ammunition; and rags. USCP bomb techs on the scene believed the mason jars and rags were components for Molotov cocktails. Coffman later informed FBI personnel on scene that the mason jars were filled with a mixture of melted Styrofoam and gasoline. FBI ERT and HERT remain on scene processing the truck and weapons. A cursory review of FBI reporting reveals FBI [REDACTED]

Subject: FBI WFO Update for January 6th Events

(U//FOUO) The following list of events is being maintained per request of WFO Executive Management. The items on this list are compiled by FBI partner agencies. FBI WFO does not have any information to suggest these events will involve anything other than first amendment protected activity and is being distributed for situational awareness. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and/or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the subject individual or others in retaliation or with the goal of stopping the protected activity from occurring in the first instance. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.

The following information is current as of 3 January 2021 at 0800. This is for FBI internal use only.

Hello,

I saw the following in the Washington Post and was hoping you could confirm these estimates:

"The FBI estimates that the protesters who assemble at the Ellipse and other march sites Wednesday will total 10,000 to 20,000 — well below the 50,000 to 100,000 touted on some pro-Trump websites."

I am on deadline, so a quick response would be greatly appreciated. Thank you!

Adding the other SACs for visibility.

Digital Media Tips

Overview

- Digital Media Tips (DMT) is a service you can use to collect photos and videos from the public in high-profile cases.
- Many citizens have proactively contacted law enforcement to provide information and images of possible criminal activities and suspects. The FBI can establish a tip line and web page for those who wish to voluntarily submit any photos, videos, or information for large or high-profile investigations.
- To help with the volume of information that is being shared, the system allows administrators to flag and process incoming data and coordinate covering the leads.

First Deployment

- Activated in 2013 in support of the Boston Marathon bombing investigation
- 5,694 files (16 TB) submitted

Additional High Profile Use

- 2016, Orlando FL, Pulse Night Club Shooting
- 2017, Las Vegas NV, Concert Shooting
- 2017, Charlottesville VA, Rally Violence
- 2019, El Paso TX, Walmart Shooting

The screenshot shows the FBI Digital Media Tips web form. At the top, there is a navigation bar with the FBI logo and the text "FEDERAL BUREAU OF INVESTIGATION". Below the navigation bar, there is a section titled "Breaking Information in Orlando, Florida Mass Shooting". The form includes fields for "Your First Name", "Your Middle Name", "Your Last Name", "Your Phone Number", and "Your E-Mail Address". There is also a section for "Information" with a text area for providing details. The form is set against a dark background with a subtle pattern.

Subject: [EXTERNAL EMAIL] - Re: [EXTERNAL] First Amendment Coordination Call for First Amendment Preparations for January 6, 2021
Attachments: 21-0278 Women for America First.pdf

All,

I wanted to provide all with a few updates USPP has received this afternoon.

-The PIC has verbally relinquished Freedom Plaza and the area of Sylvan Theater for Jan 6. They are still discussing whether they want to relinquish the Mall, but are hesitant to do so as they want to start setting up their event on January 7th for Inauguration. The PIC will have further conversations and get back to NPS regarding the Mall. Also, NPS does require that the PIC put all of this in writing, which they have not done yet. Until it is in writing, it is not technically relinquished.

-NPS has a meeting with [REDACTED] at 0900 tomorrow regarding the use of Sylvan Theater for her permit. Hopefully we will have a better understanding of her plans.

-Women for America First [REDACTED] filed another application this afternoon for Jan 6th thru NPS. The application is for 5,000 people on the Ellipse. I have attached that application. As the application was just received no meeting has been scheduled yet. So, as of now, NPS is tracking possible groups at Freedom Plaza, the Washington Monument Grounds, the Ellipse, the National Mall, John Marshall Park, and Columbus Circle.

Quick question for USSS for the good of the all. With the possibility of a large group being on the Ellipse, will USSS be [REDACTED]?

Good morning partners –

I would like to have the final, key Law Enforcement partners join in for a coordination call on, Monday, January 4, 2020, a 1330 hours to discuss the First Amendment permits filed for January 6, 2021. Sounds good, thank you. Also, just now [REDACTED] SA [REDACTED] created a SharePoint for [REDACTED] and added everyone on this list to it. You should have received an email from her with the link. Perhaps the SharePoint can be a place to also help with deconflicting efforts.

In the short term, we are thinking that each intel component should plan to attend a roundtable Skype call each day to talk about what efforts they are working on. This will allow us to deconflict analytic efforts. [redacted] will set up a time and a link on the low side for each day for us to share what we are doing.

All -

[redacted] are already coordinating on efforts related to today's events. SOS [redacted] reached out to me this evening to advise that the Civil Rights AUSA is also working some related matters. [redacted] is working to identify as many individuals as possible, based on requests from the attorney. He wanted to ensure we were all sharing info and not duplicating efforts. I'm pulling all the POCs onto this email to facilitate that coordination.

Go forth and do what you do best!
