Washington, DC 20024-2169

Re: Freedom of Information Act Request

Dear FOIA Officer:

Citizens for Responsibility and Ethics in Washington ("CREW") submits this request for records pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, and United States Internal Revenue Service's Office of the Investigator General ("IRS OIG") regulations. Specifically, CREW requests the following records from November 5, 2024, to the date this request is processed:

1) **Any and all communications between employees of IRS OIG and Elon Musk, Vivek Ramaswamy, Antonio Gracias, William (Bill) McGinley, or Steve Davis.**
2) **Any and all communications between employees of IRS OIG and any other individual purporting to represent, work for, or communicate on behalf of Elon Musk, Vivek Ramaswamy, Antonio Gracias, William (Bill) McGinley, or Steve Davis.**
3) **Any and all communications between employees of IRS OIG and any other individual purporting to have an association with, represent, work for, or communicate on behalf of the Department of Government Efficiency ("DOGE").**
4) **Any and all communications between employees of IRS OIG and any other individual purporting that they will in the future have an association with, represent, work for, or communicate on behalf of the Department of Government Efficiency ("DOGE").**
5) **Any and all communications between employees of IRS OIG and any other individual purporting to have an association with, represent, work for, or communicate on behalf of "Delivering Outstanding Government Efficiency Caucus," "DOGE Caucus," and related terms.**
6) **Any and all communications between employees of IRS OIG and Senator Joni Ernst, Congresswoman Marjorie Taylor Greene, or their offices between November 5, 2024 and the present regarding DOGE, IRS OIG's organizational structure, staffing, or expenditures or the efficiency of any of its programs, functions, or operations.**
7) **Any and all communications between employees of IRS OIG and any other individual purporting that they will in the future have an association with, represent, work for, or communicate on behalf of "Delivering Outstanding Government Efficiency Caucus," "DOGE Caucus," and related terms.**

8) **Any and all records within IRS OIG regarding "Department of Government Efficiency," "DOGE," "Government Efficiency Commission," "Delivering Outstanding Government Efficiency Caucus," or "DOGE Caucus."**

Please search for responsive records regardless of format, medium, or physical characteristics. We seek records of any kind, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. Our request includes without limitation all correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request also includes any attachments to emails and other records, and anyone who was cc'ed or bcc'ed on any emails.

If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. *See* 5 U.S.C. § 552(b). If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. *See Mead Data Central v. U.S. Dep't of the Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

Please be advised that CREW intends to pursue all legal remedies to enforce its rights under FOIA. Accordingly, because litigation is reasonably foreseeable, the agency should institute an agency wide preservation hold on all documents potentially responsive to this request.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A) and agency regulations, CREW requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures likely will contribute to a better understanding of relevant government procedures by CREW and the general public in a significant way. *See id.* § 552(a)(4)(A)(iii). Moreover, the request primarily and fundamentally is for non-commercial purposes. *See, e.g.*, *McClellan Ecological v. Carlucci*, 835 F.2d 1282, 1285 (9th Cir. 1987).

On November 13, 2024, in a statement posted on X (formerly Twitter), President-elect Donald Trump announced the formation of the "Department of Government Efficiency."[1] The announcement stated that Elon Musk and Vivek Ramaswamy would lead the Department and that its mission would be to "pave the way for [Trump's] administration to dismantle Government Bureaucracy, slash excess regulations, cut wasteful expenditures, and restructure Federal Agencies."[2] In a Wall Street Journal opinion piece, Musk and

[2] *Id.*

Ramaswamy explained their vision for the Department.[3] It remains unclear where DOGE will get its funding, whether it will be an official governmental body, whether in the executive or legislative branch, and how it plans to pay its employees.[4]

CREW is a non-profit corporation, organized under section 501(c)(3) of the Internal Revenue Code. CREW is committed to protecting the public's right to be aware of the activities of government officials, to ensuring the integrity of those officials, and to highlighting and working to reduce the influence of money on politics. CREW uses a combination of research, litigation, and advocacy to advance its mission. CREW intends to analyze the information responsive to this request and to share its analysis with the public through reports, press releases, or other means. In addition, CREW will disseminate any documents it acquires from this request to the public through its website, www.citizensforethics.org. The release of information obtained through this request is not in CREW's financial interest.

CREW further requests that it not be charged search or review fees for this request pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II) because CREW qualifies as a member of the news media. *See Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381, 1386 (D.C. Cir. 1989) (holding non-profit a "representative of the news media" and broadly interpreting the term to include "any person or organization which regularly publishes or disseminates information to the public").

CREW routinely disseminates information obtained through FOIA to the public in several ways. For example, CREW's website receives hundreds of thousands of page views every month. The website includes blogposts that report on and analyze newsworthy developments regarding government ethics, corruption, and money in politics, as well as numerous reports CREW has published to educate the public about these issues. These reports frequently rely on government records obtained through FOIA. CREW also posts the documents it obtains through FOIA on its website.

Under these circumstances, CREW satisfies fully the criteria for a fee waiver.

Conclusion

If you have any questions about this request or foresee any problems in fully releasing the requested records, please email foia@citizensforethics.org or call (202) 408-5565. Also, if CREW's request for a fee waiver is denied, please contact our office immediately upon making such a determination.

---
