Re: OPR FOIA No. F25-00210

Dear Ms. Elsharif:

This letter is in response to your May 21, 2024, Freedom of Information Act (FOIA)/Privacy Act (PA) request seeking records sufficient to identify the name, title, and position of all DOJ officials with delegated authority to initiate or implement terminations, suspensions, reductions in force, demotions, transfers, adverse actions, or any other similar personnel actions. Your request was referred to the Office of Professional Responsibility (OPR) by the Justice Management Division (JMD) for processing and direct response to you.

OPR received your request on March 4, 2025, and has assigned to it request number **F25-00210**. Please refer to that number in any correspondence pertaining to this matter.

JMD referred one page it found to be responsive to your request. After a careful review, OPR has determined that this page is appropriate for release without excisions, a copy of which is enclosed.*

If you have a question, you may contact OPR's FOIA Public Liaison at the telephone number and address listed above. Additionally, you may contact the Office of Government

* For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:
