RE: FOIA Request No. 24-02158-F

Dear Lama Elsharif:

This letter is a final response to your request for information pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, dated May 24, 2024, and received in the U.S. Department of Education's (Department) FOIA Service Center on May 24, 2024.

You requested the following:

“Citizens for Responsibility and Ethics in Washington (“CREW”) submits this request for records pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, and Department of Education (“DOE”) regulations.

Specifically, CREW requests records sufficient to identify the name, title, and position of all DOE officials with delegated authority to initiate or implement terminations, suspensions, reductions in force, demotions, transfers, adverse actions, or any other similar personnel actions.”

Your request was forwarded to the Office of Finance and Operations. The Department has identified 15 pages that are being released in full.

The pages are available for download via the Public Access Link (PAL). You can access your PAL account, or register for a PAL account, at this link:

Fees

There are no fees associated with processing this request. Therefore, any fee waiver request submitted for this FOIA request is not applicable.

Additional Assistance

You have the right to seek assistance and/or dispute resolution services from the Department's FOIA Public Liaison or the Office of Government Information Services (OGIS). The FOIA Public Liaison is responsible, among other duties, for assisting in the resolution of FOIA disputes. OGIS, which is outside the Department, offers ombuds services, including dispute resolution, to assist FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Please note, OGIS's assistance does not replace the administrative appeal process described below. You may contact the FOIA Public Liaison or OGIS at:
