Your request is being handled under the provisions of the Freedom of Information Act (5 U.S.C. § 552). It has been assigned the following control number: COW2026005878. Please cite this number in all future correspondence about your request.

We respond to requests on a first-in, first-out basis and on a multi-track system. Your request has been placed in the complex track (Track 2).

Based on the information you provided, we have determined that expedited processing of your request is not warranted. The Department of Homeland Security Freedom of Information Act regulation at 6 C.F.R. § 5.5(e)(1) requires that you demonstrate that your request warrants expedited treatment because it involves:

- (i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;
- (ii) An urgency to inform the public about an actual or alleged federal government activity, if made by a person who is primarily engaged in disseminating information;

- (iii) The loss of substantial due process rights; or
- (iv) A matter of widespread and exceptional media interest in which there exist possible questions about the government's integrity which affect public confidence.

Additionally, 6 C.F.R. § 5.5(e)(3) requires that a requester who seeks expedited processing must submit a statement, certified to be true and correct, explaining in detail the basis for making the request for expedited processing. Furthermore, requests for expedited processing that are based on paragraph (e)(1)(iv) of this section must be submitted to the Senior Director of FOIA Operations, the Privacy Office, U.S. Department of Homeland Security, 245 Murray Lane SW STOP-0655, Washington, D.C. 20598-0655. If you can demonstrate any further showing as to the nature and degree of (i), (ii), or (iii) of the above categories, please submit this additional information to this office for reconsideration.

You have the right to file an administrative appeal within 90 days of the date of this letter. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision. You may file an administrative FOIA appeal by mail to USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

If you would like to discuss our response before filing an appeal to attempt to resolve your dispute without going through the appeals process, you may contact our USCIS FOIA Public Liaison by email at FOIAPAQuestions@uscis.dhs.gov.

Although USCIS' goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10 business day extension of this time period in certain circumstances. Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Additionally, due to the scope and nature of your request, USCIS will need to locate, compile, and review responsive records from multiple offices, both at headquarters and in the field. USCIS may also need to consult with another agency or other component of the Department of Homeland Security that have a substantial interest in the responsive information. Due to these unusual circumstances, USCIS will invoke a 10 business day extension for your request pursuant to 5 U.S.C. § 552(a)(6)(B). Please contact our office if you would like to limit the scope of your request or to agree on a different timetable for the processing of your request. We will make every effort to comply with your request in a timely manner.
