Look, Paxton is the nominee. Apparently, many establishment Republicans seek to torpedo him. Rove is out there dumping on him and he's not alone. There are several moderate Republicans running who don't thrill me, who I'd typically oppose, but I'm backing them this cycle because everything is on the line. Everything. This election is different. I'm all in for Paxton. The Marxist/Islamist Democrat Party must be defeated. POTUS's agenda must continue.

Just left a Rally in Nassau County in honor of Bruce Blakeman, who is running for Governor of New York. The crowd went WILD. Something very interesting is happening in New York State! He is a great person, a great politician and, if elected, will be the best Governor in the History of New York! President DONALD J. TRUMP

Senator Dan Sullivan is doing a fantastic job representing the Great State of Alaska! Prior to becoming a very distinguished and Highly Respected Senator, Dan served as State Attorney General and the Commissioner of the Alaska Department of Natural Resources.

Dan is a GREAT man, has ALWAYS delivered for Alaska (which I won three times by BIG margins in 2016, 2020, and 2024!), and will continue doing so in the U.S. Senate. No one has done more for Alaska than "TRUMP," including just securing 11 new Arctic Security Cutter Icebreakers, the first such ships bought in more than 40 years, and Dan Sullivan has been with us all the way. He is fighting hard to Grow our Economy, Lower Taxes, Cut Regulations, Help Secure our VERY Secure (Record Setting!) Border, Champion our Incredible Military/Veterans, Advance American Energy DOMINANCE by helping to keep the price of Gasoline, Oil, and all forms of Energy VERY LOW, and Defend our always under siege Second Amendment.

Because of the trickery in the Voting, the Crooked, Radical Left Democrats have put up another man named "Dan Sullivan," and they did this to take Votes away from our Great Senator of the same name. Democrats are trying to "trick" Alaskans, and treat Alaskan Voters with contempt. On Tuesday, August 18th, Alaskans, don't be fooled. The Senator you want to vote for is:

"SULLIVAN, DAN S. — REGISTERED REPUBLICAN/INCUMBENT"

"SULLIVAN, DAN S" has my Complete and Total Endorsement for Re-Election – HE WILL NOT LET YOU DOWN! President DONALD J. TRUMP

Governor Kathy Hochul is for Canada, a Country that has been ripping off New York State for years, especially under her Administration, instead of the good 'ol U.S.A. Can you imagine her saying that she won't respect or acknowledge LAKE AMERICA. That's why the Democrats are so bad for our Country. Vote for Bruce Blakeman for Governor of New York. He has my Complete and Total Endorsement, and will never let you down! President DJT

Rick Jackson, from the Great State of Georgia, very successfully campaigned for Governor, on being strong with "TRUMP," and won, against a field of very talented and popular opponents, including an incredible guy, Burt Jones, who has a truly bright future ahead of him! Rick has been a very successful Businessman and Entrepreneur, and will now be a tremendous Governor, who will work tirelessly to Grow the Economy, Cut Taxes and Regulations, Promote MADE IN THE U.S.A., Unleash American Energy DOMINANCE, Strengthen our Military/Veterans, Keep our Border SECURE, Ensure LAW AND ORDER, Safeguard our Elections, and Protect our always under siege Second Amendment. Now is the time for all Republicans to unite behind Rick to ensure he has a tremendous Victory in November! Rick will work closely with me to enact America First Policies. He is a FANTASTIC person who everyone is very proud of, as am I. Rick Jackson has my Complete and Total Endorsement to be the next Governor of Georgia – HE WILL NEVER LET YOU DOWN!

The alliance between Marxists and Islamists is taking over the Democratic Party, not just in New York, but across the country.

The best way to stop it is to vote Republican this fall.
