Mr. Matthew Wendel,

General Manager of Blair House, The President's Guest House

Washington, D.C.

Budapest, 11th November 2025

Dear Mr. Wendel,

I would like to express my gratitude for your kind hospitality extended to me and my delegation during our recent stay at Blair House.

We Hungarians truly appreciate and value history and the historical significance of antique buildings, and The President's Guest House is indeed an important symbol of American political life. It was heartening to be in a place where so many life-changing events had taken place over the building's 200-year history. Therefore, it was an honor for me to join the ranks of the many dignitaries who have stayed in the Blair House.

In this spirit, along with expressing my appreciation, please accept a wonderful piece from Herend Porcelain Manufactory, a famous, long-established Hungarian ceramics factory. I am convinced that it will enrich the splendor of Blair House, leaving a small Hungarian mark of our stay there.

Mr. Wendel, I wish you good health and further success in your duties.

Yours sincerely,
