Treasury February 15 Production

Dear Ms. Weismann:

This constitutes the third, and final, production of the U.S. Department of the Treasury (Treasury) in the above-referenced Freedom of Information Act litigation. Pursuant to the Court's December 18, 2017 Order, this production consists of non-exempt portions of responsive records that required consultation with the Executive Office of the President (EOP). Enclosed please find documents numbered UST 000037 – 000162. Portions of these materials have been withheld pursuant to Exemptions 5, 6, and 7E of the FOIA. Additionally, internal EOP email exchanges appearing on UST 000055-57, 000091-92, 000134, and 000141-43, and a March 13, 2009 White House memorandum attached to the email on UST 000106-107, are not being produced as they constitute non-agency records.

If you have any questions concerning this production or a related matter, please contact Mark Nebeker, Assistant United States Attorney, at (202) 252-2536.

Sincerely,

Ryan Law  
Office of Privacy, Transparency, and Records
