Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Citizens for Responsibility and Ethics in Washington (“CREW”) makes this request for records pursuant to the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552, and U.S. Department of Labor (“DOL”) regulations.

Specifically, CREW requests:

- (1) Copies of all prepared remarks used by Secretary Alexander Acosta at the National Mining Association meeting at the Trump International Hotel – Washington, D.C. on October 3, 2017; and
- (2) Copies of all documents received by Secretary Acosta and/or his staff during the October 3, 2017 National Mining Association meeting at the Trump International Hotel – Washington, D.C.; and
- (3) Copies of all documents describing the attendees at the October 3, 2017 National Mining Association meeting at the Trump International Hotel – Washington, D.C., the agenda of the meeting, and/or any planned follow up actions by DOL; and
- (4) Copies of all photos and/or video from the October 3, 2017 National Mining Association meeting at the Trump International Hotel – Washington, D.C.; and
- (5) Copies of all records documenting payments made by DOL to the Trump International Hotel – Washington, D.C., in relation to Secretary Acosta’s October 3, 2017 address to the National Mining Association at the Trump hotel as well as all records seeking reimbursement for expenses incurred at the Trump International Hotel – Washington, D.C.; and
- (6) Copies of all communications to or from Secretary Acosta that mention or relate to his October 3, 2017 appearance at the National Mining Association meeting held at the Trump International Hotel – Washington, D.C.

Please search for responsive records regardless of format, medium, or physical characteristics. We seek records of any kind, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical material. Our request includes without limitation all correspondence, letters, emails, text messages, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request also includes any attachments to emails and other records.

If it is your position any portion of the requested records is exempt from disclosure, CREW requests that you provide it with an index of those documents as required under *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). If some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. See 5 U.S.C. § 552(b). If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. See *Mead Data Central v. U.S. Dep't of the Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

#### **Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A) and DOL regulations, CREW requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures likely will contribute to a better understanding of relevant government procedures by CREW and the general public in a significant way. See 5 U.S.C. § 552(a)(4)(A)(iii). Moreover, the request primarily and fundamentally is for non-commercial purposes. See, e.g., *McClellan Ecological v. Carlucci*, 835 F.2d 1282, 1285 (9th Cir. 1987).

On the afternoon of October 3, 2017, Secretary Acosta spoke at a lunch with members of the National Mining Association during a meeting of the trade association's board of directors at the Trump International Hotel – Washington, D.C., which is still majority owned by President Trump through a revocable trust.<sup>1</sup> According to the *Washington Post*, the lunch was “sponsored by Jenmar Corp. and Royal Gold, a mining-equipment maker and precious metals company, respectively.”<sup>2</sup> The National Mining Association is a trade association representing the coal and mineral industries.<sup>3</sup> In 2017 so far, the National Mining Association has reported spending more than \$950,000 on federal lobbying.<sup>4</sup> In the past, National Mining Association lobbying has included a focus on DOL, and the trade association has shown a continued interest in DOL.

policy.<sup>5</sup> As the *Washington Post* noted, “In September, for example, the Mine Safety and Health Administration, an agency in the Labor Department, proposed relaxing rules for inspections at mines for salt and other materials. At the time, NMA praised the decision as ‘a step in the right direction.’”<sup>6</sup>

The requested records would shed light on what Secretary Acosta discussed with the mining executives at the National Mining Association and increase public knowledge about how DOL communicates with industry stakeholders in private about public policy. In addition, since President Trump has refused to divest from his private business interests, ethics experts and lawmakers have raised concerns about taxpayer funds being used at his private businesses, particularly in light of President Trump’s frequent trips to his for-profit properties.<sup>7</sup> The requested records would shed light on whether DOL funds were used to pay for any part of Secretary Acosta’s visit to the Trump International Hotel in Washington, DC and whether any taxpayer funds ended up in the coffers of the president’s private business.

Under these circumstances, CREW satisfies fully the criteria for a fee waiver.
