Re: F-2017-01727 Civil Action 1:18-cv-00569

Dear Mr. Gutman,

This is the final response to the May 16, 2017 Freedom of Information Act (FOIA) request submitted by your client, Anne Weismann of Citizens for Responsibility and Ethics in Washington (CREW).

In accordance with Section 3.6(a) of Executive Order 13526, as amended, the CIA can neither confirm nor deny the existence or nonexistence of records responsive to your request. The fact of the existence or nonexistence of such records is itself currently and properly classified and relates to intelligence sources and methods information protected from disclosure by Section 6 of the CIA Act of 1949, as amended, and Section 102A(i)(1) of the National Security Act of 1947, as amended.

This completes our response to the above referenced case.

Sincerely,

A handwritten signature in black ink, appearing to read "Alison Fong", with a long horizontal flourish extending to the right.
