Sir,

I have been going back and forth with the RSO down in Montevideo and, as has noted, hotel rooms already may be a significant challenge down there for us.

The longer we go without any hotel information from staff, the greater the likelihood that we will run into potentially significant logistical issues down there. I know you have been hitting staff up for this information for a while. Have they come back with anything at all?

Respectfully,

(b)(6)

The attached document is a working document, please feel free to update it as reservations are made. I have set up the flights for the working shift, but have not set up the advance team member flights. I will leave that to your discretion. If you make updates please add the date to the document and send it out. This way we can have a one stop shop for info.

All manpower on this spreadsheet are currently in the Visa application process. Liaison is only waiting on one passport to get overnighted from Houston. We should have all in hand by the 21st or 22nd. We may send down the Miami passports with you.
