Tim,

Johnny Collette has identified possible dates for his visit to Rep. Grothman's district to visit WorkCenters: September 26th, 27th, or 28th of this month. The 28th would be preferable out of those, but any would be fine. However, Congress will probably still be in session so this month may not work for you. In October, 24th or 26th. He could possibly make the 10th work, as well.

From what we understand, Opportunities Inc. is not located in Rep. Grothman's district, so we can skip that visit at this time.

Please let me know if any of these dates work.

Thanks, Doris

Hey Doris,

Thanks again for the offer for Assistant Secretary Collette to visit a WorkCenter in Wisconsin! The Congressman would love to host the Assistant Secretary in the coming weeks. Below are the locations he has prioritized:

- These are his top priorities: RCS Sheboygan, Lakeside Packaging Oshkosh
- Secondary priorities: Green Valley Enterprises Beaver Dam, Northwoods Portage

As for the center that the Lt. Governor would like the Assistant Secretary, do you know if it's Opportunities, Inc.? I believe it is in the district, from what I know.

Thanks again and we look forward to making this work out!

Tim,

I will get back to you early next week with proposed dates for Assistant Secretary Johnny Collette to visit Wisconsin employment centers for individuals with disabilities. Do you have a sense of what sites Rep. Grothman has in mind? We'd like to have the opportunity to collaborate on sites for the visit. If you know the name(s) of centers he would like to visit, please let me know.

In addition, Johnny has met with Wisconsin Lt Governor Rebecca Kleefish and she brought to his attention a center she has a high regard for in Wisconsin. She has asked Johnny to come to the state to visit the Opportunities Center. We don't know if this center is in the Congressman's district or not. We'd like to combine the visits if possible.

Have a good weekend. I'll get back to you early next week.

Is this a date that we gave Doris to share with the Congressman's office? I suppose it's doable, but with the travel the prior week and the London trip to follow, it may be challenging.

Just a heads-up that Johnny will likely need to leave at about 3:15 (or 3:00, to be safe) to make his flight. He might be able to leave at 3:30, but I don't want to risk him getting caught in traffic or something. I hope that isn't an issue, because the alternative involves a long layover for him.

I wanted to follow up and find out how much time you have to spend in the district on October 10th. There are three work centers that the Congressman would like to visit. If we can start in Oshkosh at 9:00 a.m. we could be done by 3:30 p.m. in Sheboygan.

If you know the name(s) of centers he would like to visit, please let me know.

In addition, Johnny has met with Wisconsin Lt Governor Rebecca Kleefish and she brought to his attention a center she has a high regard for in Wisconsin. She has asked Johnny to come to the state to visit the Opportunities Center. We don't know if this center is in the Congressman's district or not. We'd like to combine the visits if possible.

Have a good weekend. I'll get back to you early next week.

Thanks, Doris
