Further, this information is not being sought for commercial purposes.

The law requires that this request be responded to and fulfilled promptly, barring extenuating circumstances (The Louisiana Public Records Law, La. Const. Art. XII, §3 and R.S. 44:1-41). If access to the records CREW and Giffords Law Center are requesting will take an extended period of time, please contact CREW with a written explanation that states when the requested record will be produced and specifies with particularity why the records cannot be produced.

CREW also welcomes the opportunity to discuss with you whether and to what extent this request can be narrowed or modified to allow for better processing within Louisiana state law deadlines. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify CREW of the appeal procedures available under the law.
