Hello,

I'm writing to inquire about the status of a FOIA request (reference number 2020-ICFO-01467) I sent in September, and ICE received October 8. When I tried to check the status of my FOIA online, the website said that there was no FOIA request in the system for that number. Any information you can provide would be greatly appreciated. I can be reached at lwhite@citizensforethics.org, or 202-408-5565. Thank you.

Sincerely,

Lauren White
