If Lt. Governor Patrick is not the custodian of the requested records, please forward the request to the appropriate department, office, or entity in possession or custody of the records.

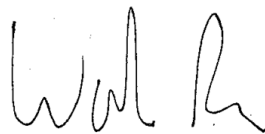

If there are any fees for searching or copying these records, please inform CREW if the cost will exceed \$100. However, CREW and Giffords Law Center also request a waiver of all fees because the disclosure of the requested information is in the public interest. The public is entitled to information about how groups that seek to influence gun policy legislation communicate with state legislators who introduce such legislation. Further, this information is not being sought for commercial purposes.

The law requires that this request be responded to and fulfilled promptly, barring extenuating circumstances [Texas Public Information Act / Texas Government Code Chapter 552]. If access to the records CREW and Giffords Law Center are requesting will take an extended period of time, please contact CREW with a written explanation that states when the requested record will be produced and specifies with particularity why the records cannot be produced.

If you have any questions about this request or foresee any problems in fully releasing the requested records, please contact me at (202) 408-5565 or wdavis@citizensforethics.org. CREW also welcomes the opportunity to discuss with you whether and to what extent this request can be narrowed or modified to allow for better processing within Texas state law deadlines. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify CREW of the appeal procedures available under the law.

Where possible, please produce records in electronic format. Please send the requested records to askaggs@giffords.org or Adam Skaggs, Giffords Law Center to Prevent Gun Violence, 12 East 49th Street, 11th Floor, New York, NY 10017. Thank you for your assistance in this matter.
