Re: Freedom of Information Act Appeal, No. 20200297

Dear Ms. Weisman:

Reference is made to your Freedom of Information Act (FOIA) appeal dated March 13, 2020, addressed to the United States Secret Service (Secret Service), appealing the initial search conducted with respect to your December 13, 2019 FOIA request for costs associated with Donald Trump, Jr.'s trip to Mongolia in August 2019.

In your appeal, you challenge the adequacy of the search, particularly the lack of costs from the Ulandaatar portion of the trip and the completeness of the air expense report.

The Secret Service has granted your appeal and performed an additional search. An additional document containing costs with respect to the Ulandaatar portion of the trip has been located and is attached. With respect to the air expense portion of the trip, the report was rerun to include the entire month of August 2019. Attached is this updated air expense report.

Under federal law, we are required to advise you that any decision on appeal is subject to judicial review in the district court in the district where the complainant resides, has a principal place of business, or in which the agency records are situated, or in the District of Columbia.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Newsome III".
